The Beginning of Freedom

100 VISUAL QUOTES
by
J. KRISHNAMURTI

*Here we present the words of Krishnamurti in a brand new format:
a collection of 100 short quotations, beautifully formatted.*

*Each specially selected quote has been chosen for its impact
and vitality and then appealingly designed.*

*Although key themes are included, such as authority, fear, freedom,
love, awareness and truth, the collection is not meant to be
representative of the entirety of Krishnamurti's teachings.*

*Therefore, we invite the reader to investigate the classic
works from which many of the quotes are sourced.
Please see the list at the end for links to these books.*

That is the only thing to do: to change
completely, radically, immediately.

J. Krishnamurti.

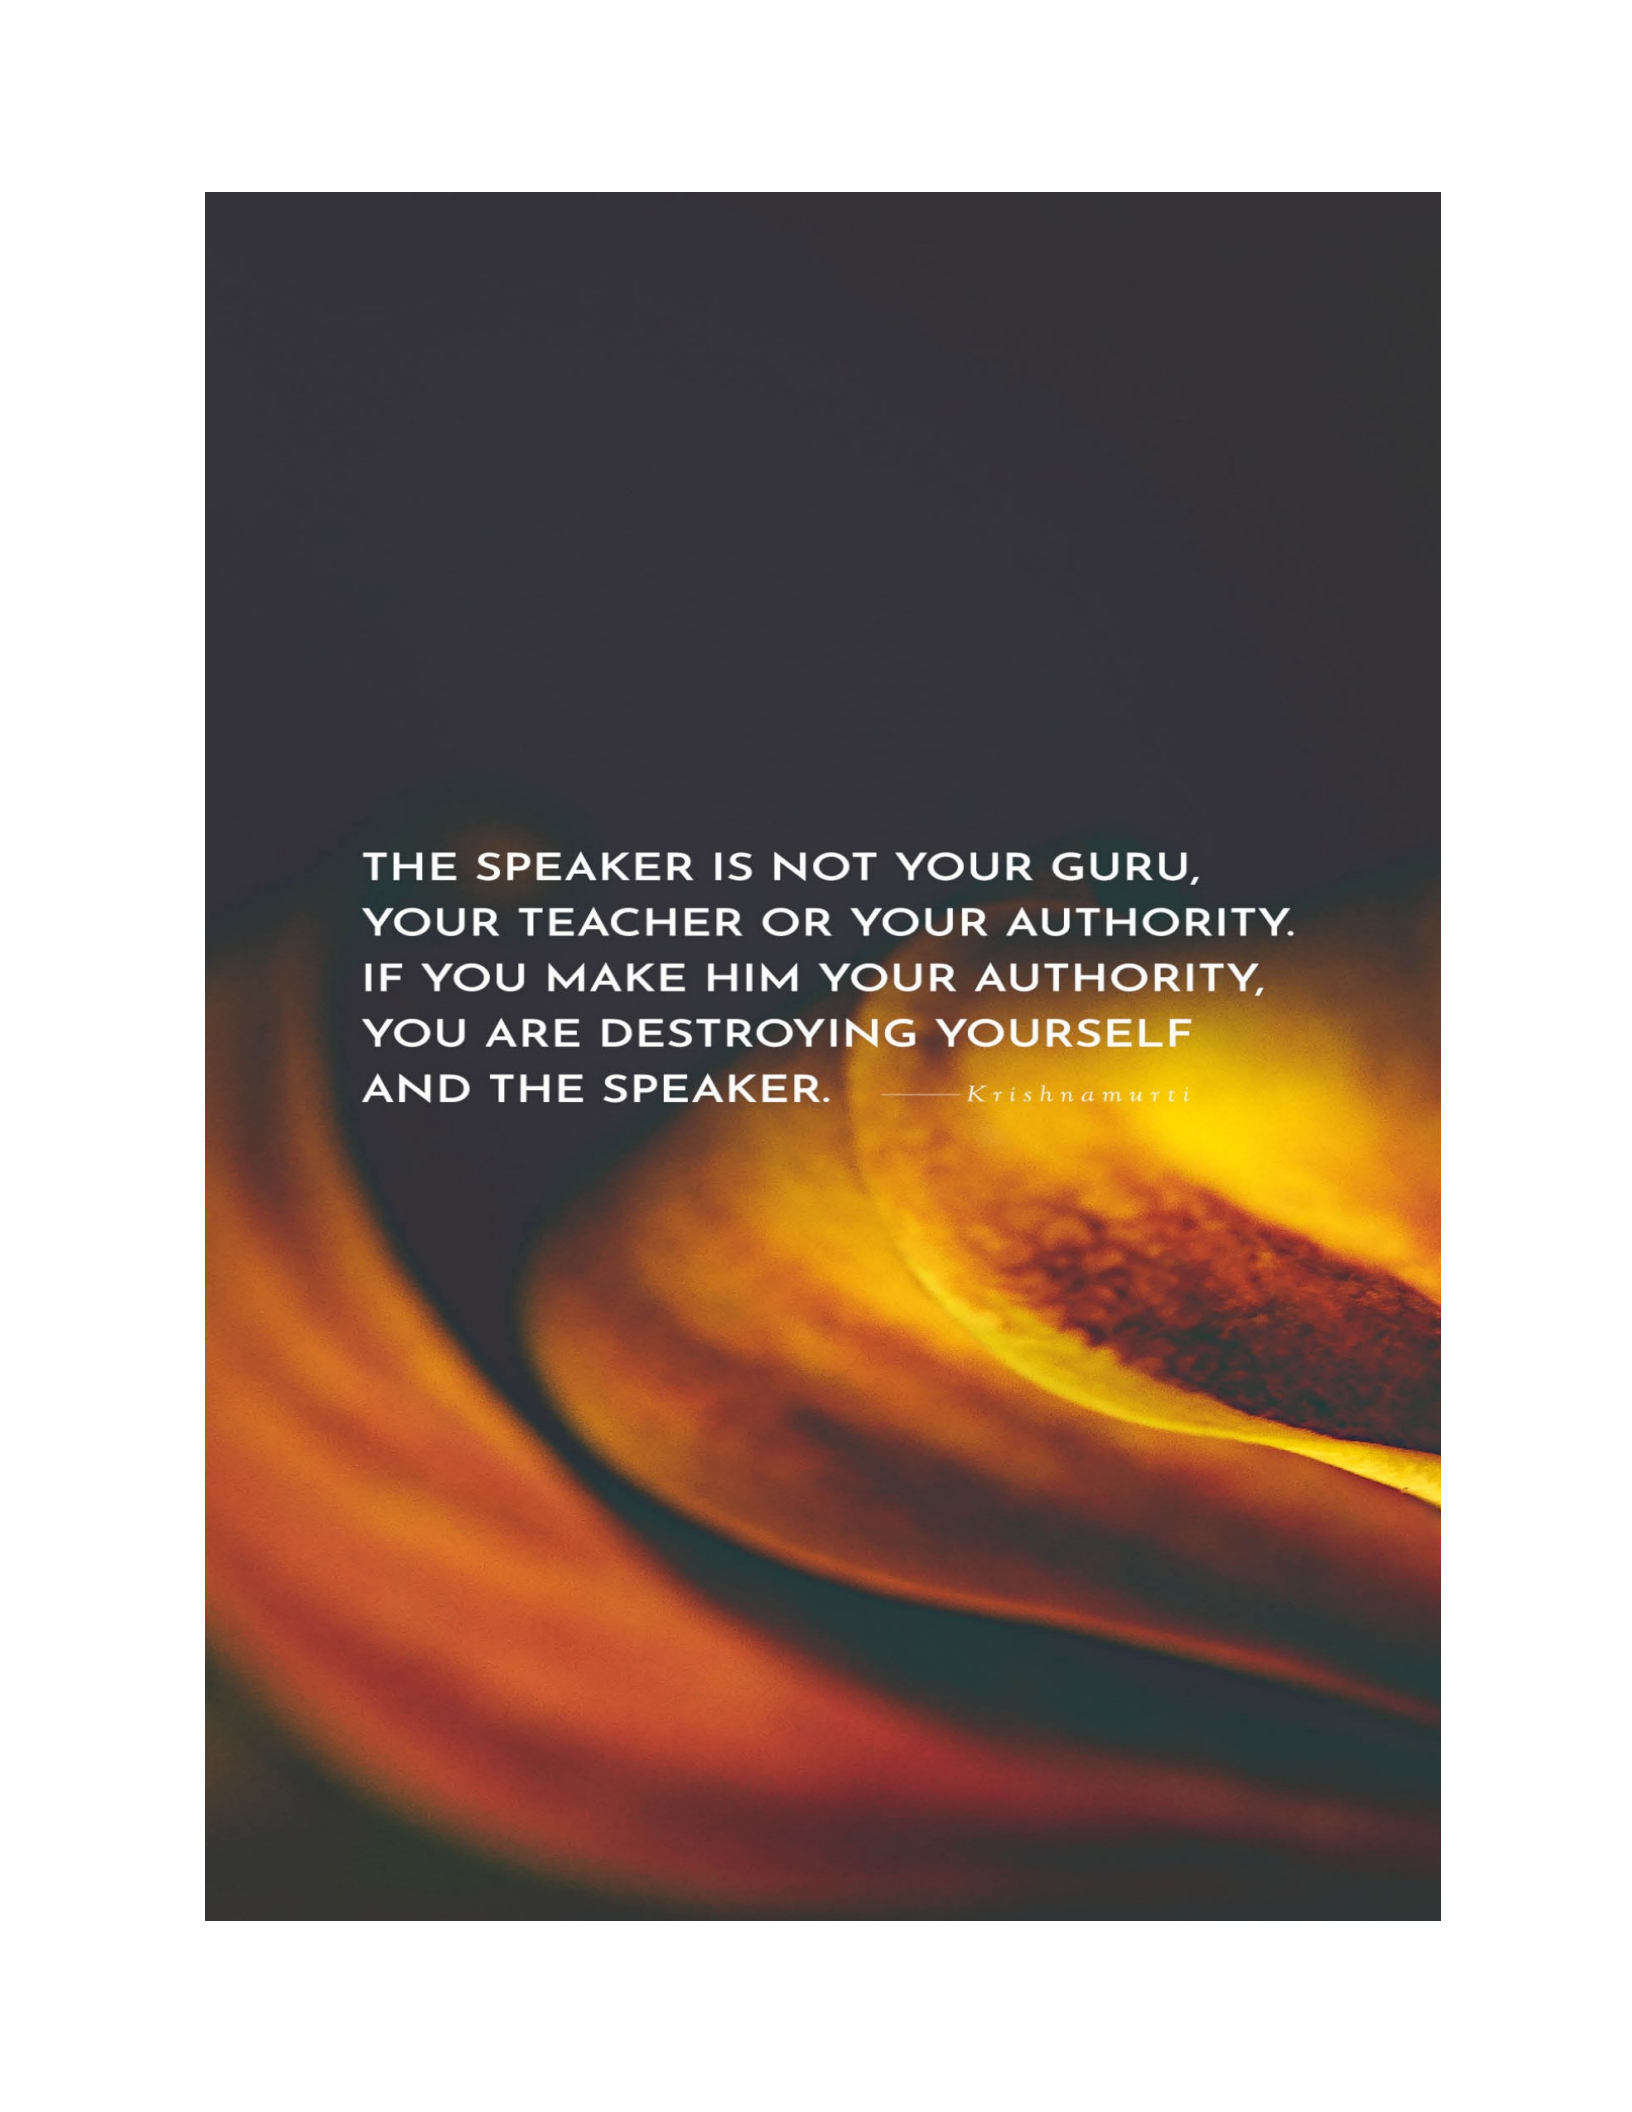

**We are not to begin with a system;
we're not to begin with an idea;
we're not to begin with a revolution;
we're not to begin with a theory;
we must begin with ourselves.
We are responsible for ourselves.
Without us there is no world and so
we are the world and we are the problem.**

J. Krishnamurti

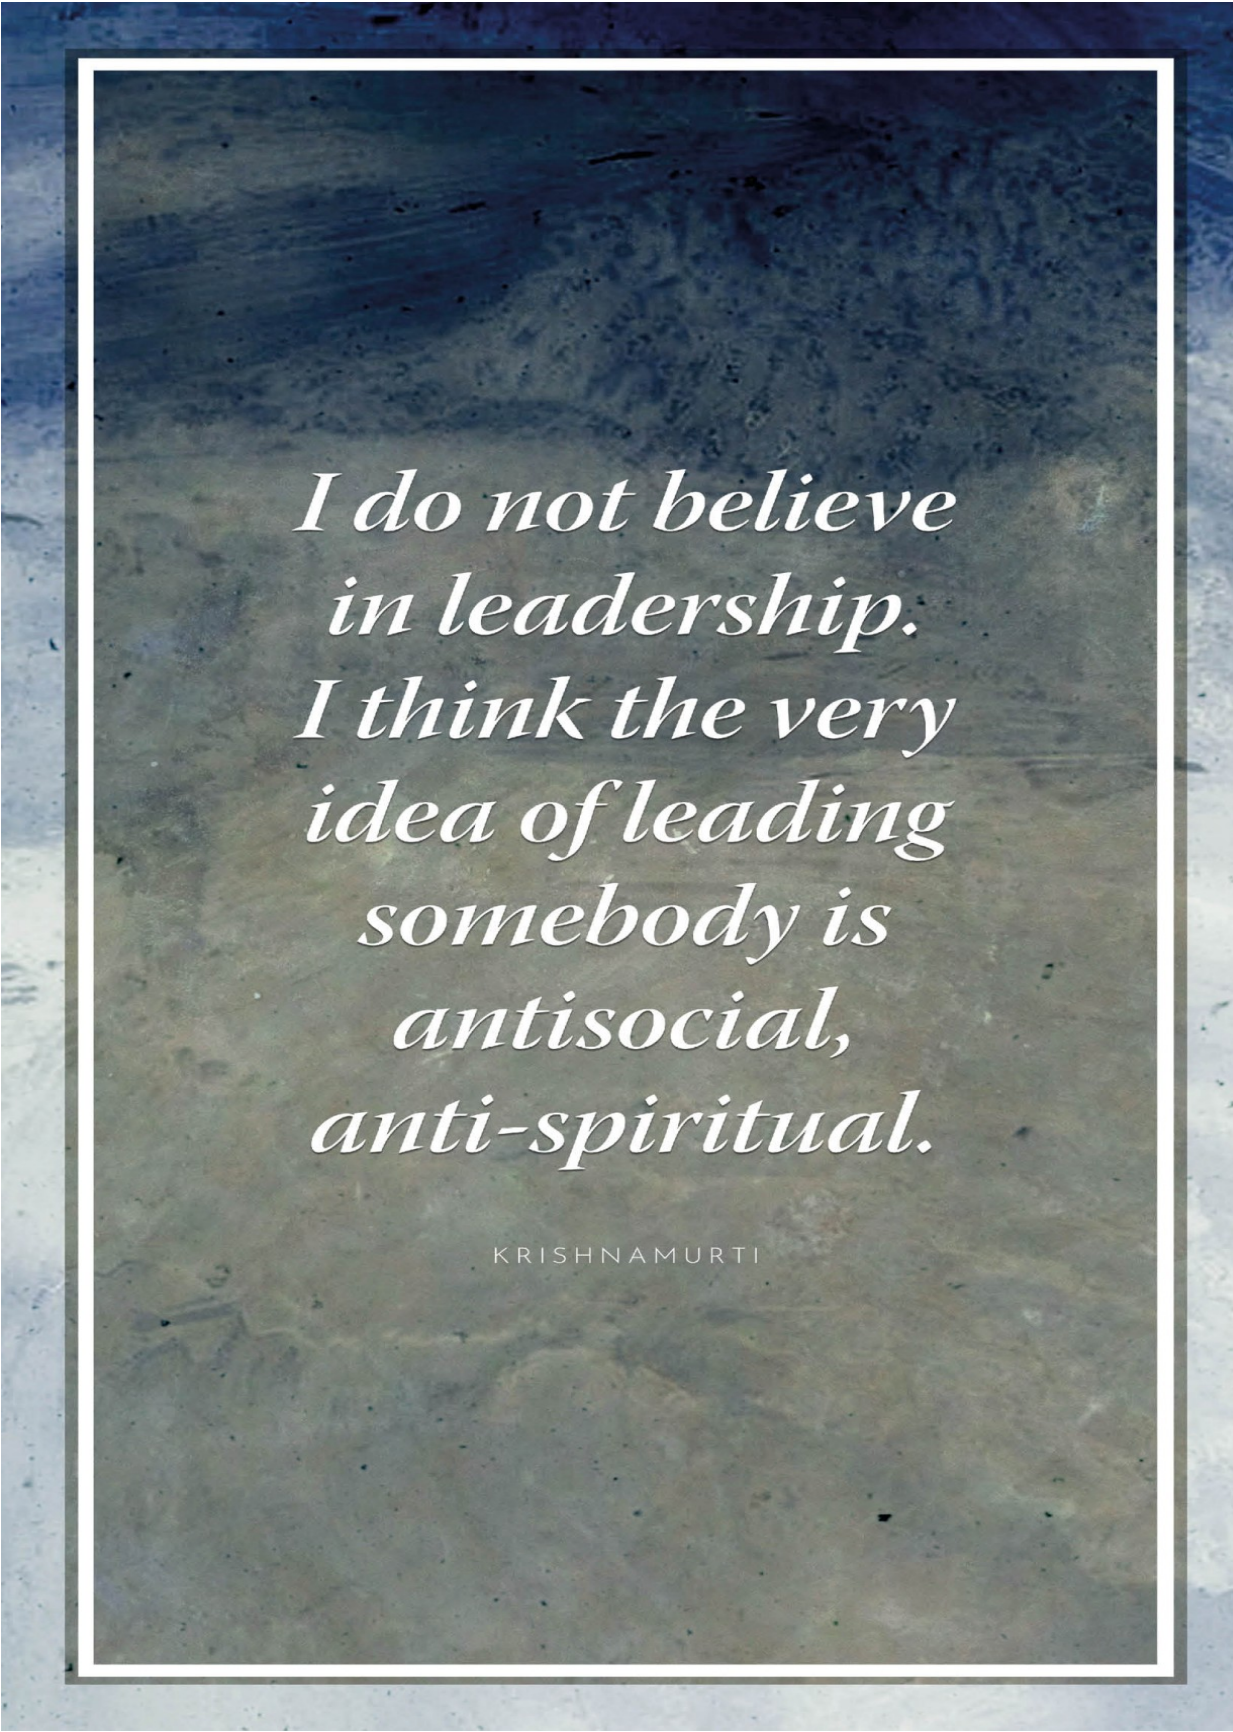

Put aside
your philosophies,
your religions,
your customs,
your racial taboos,
for they are
not life.

g. Krishnanurvi.

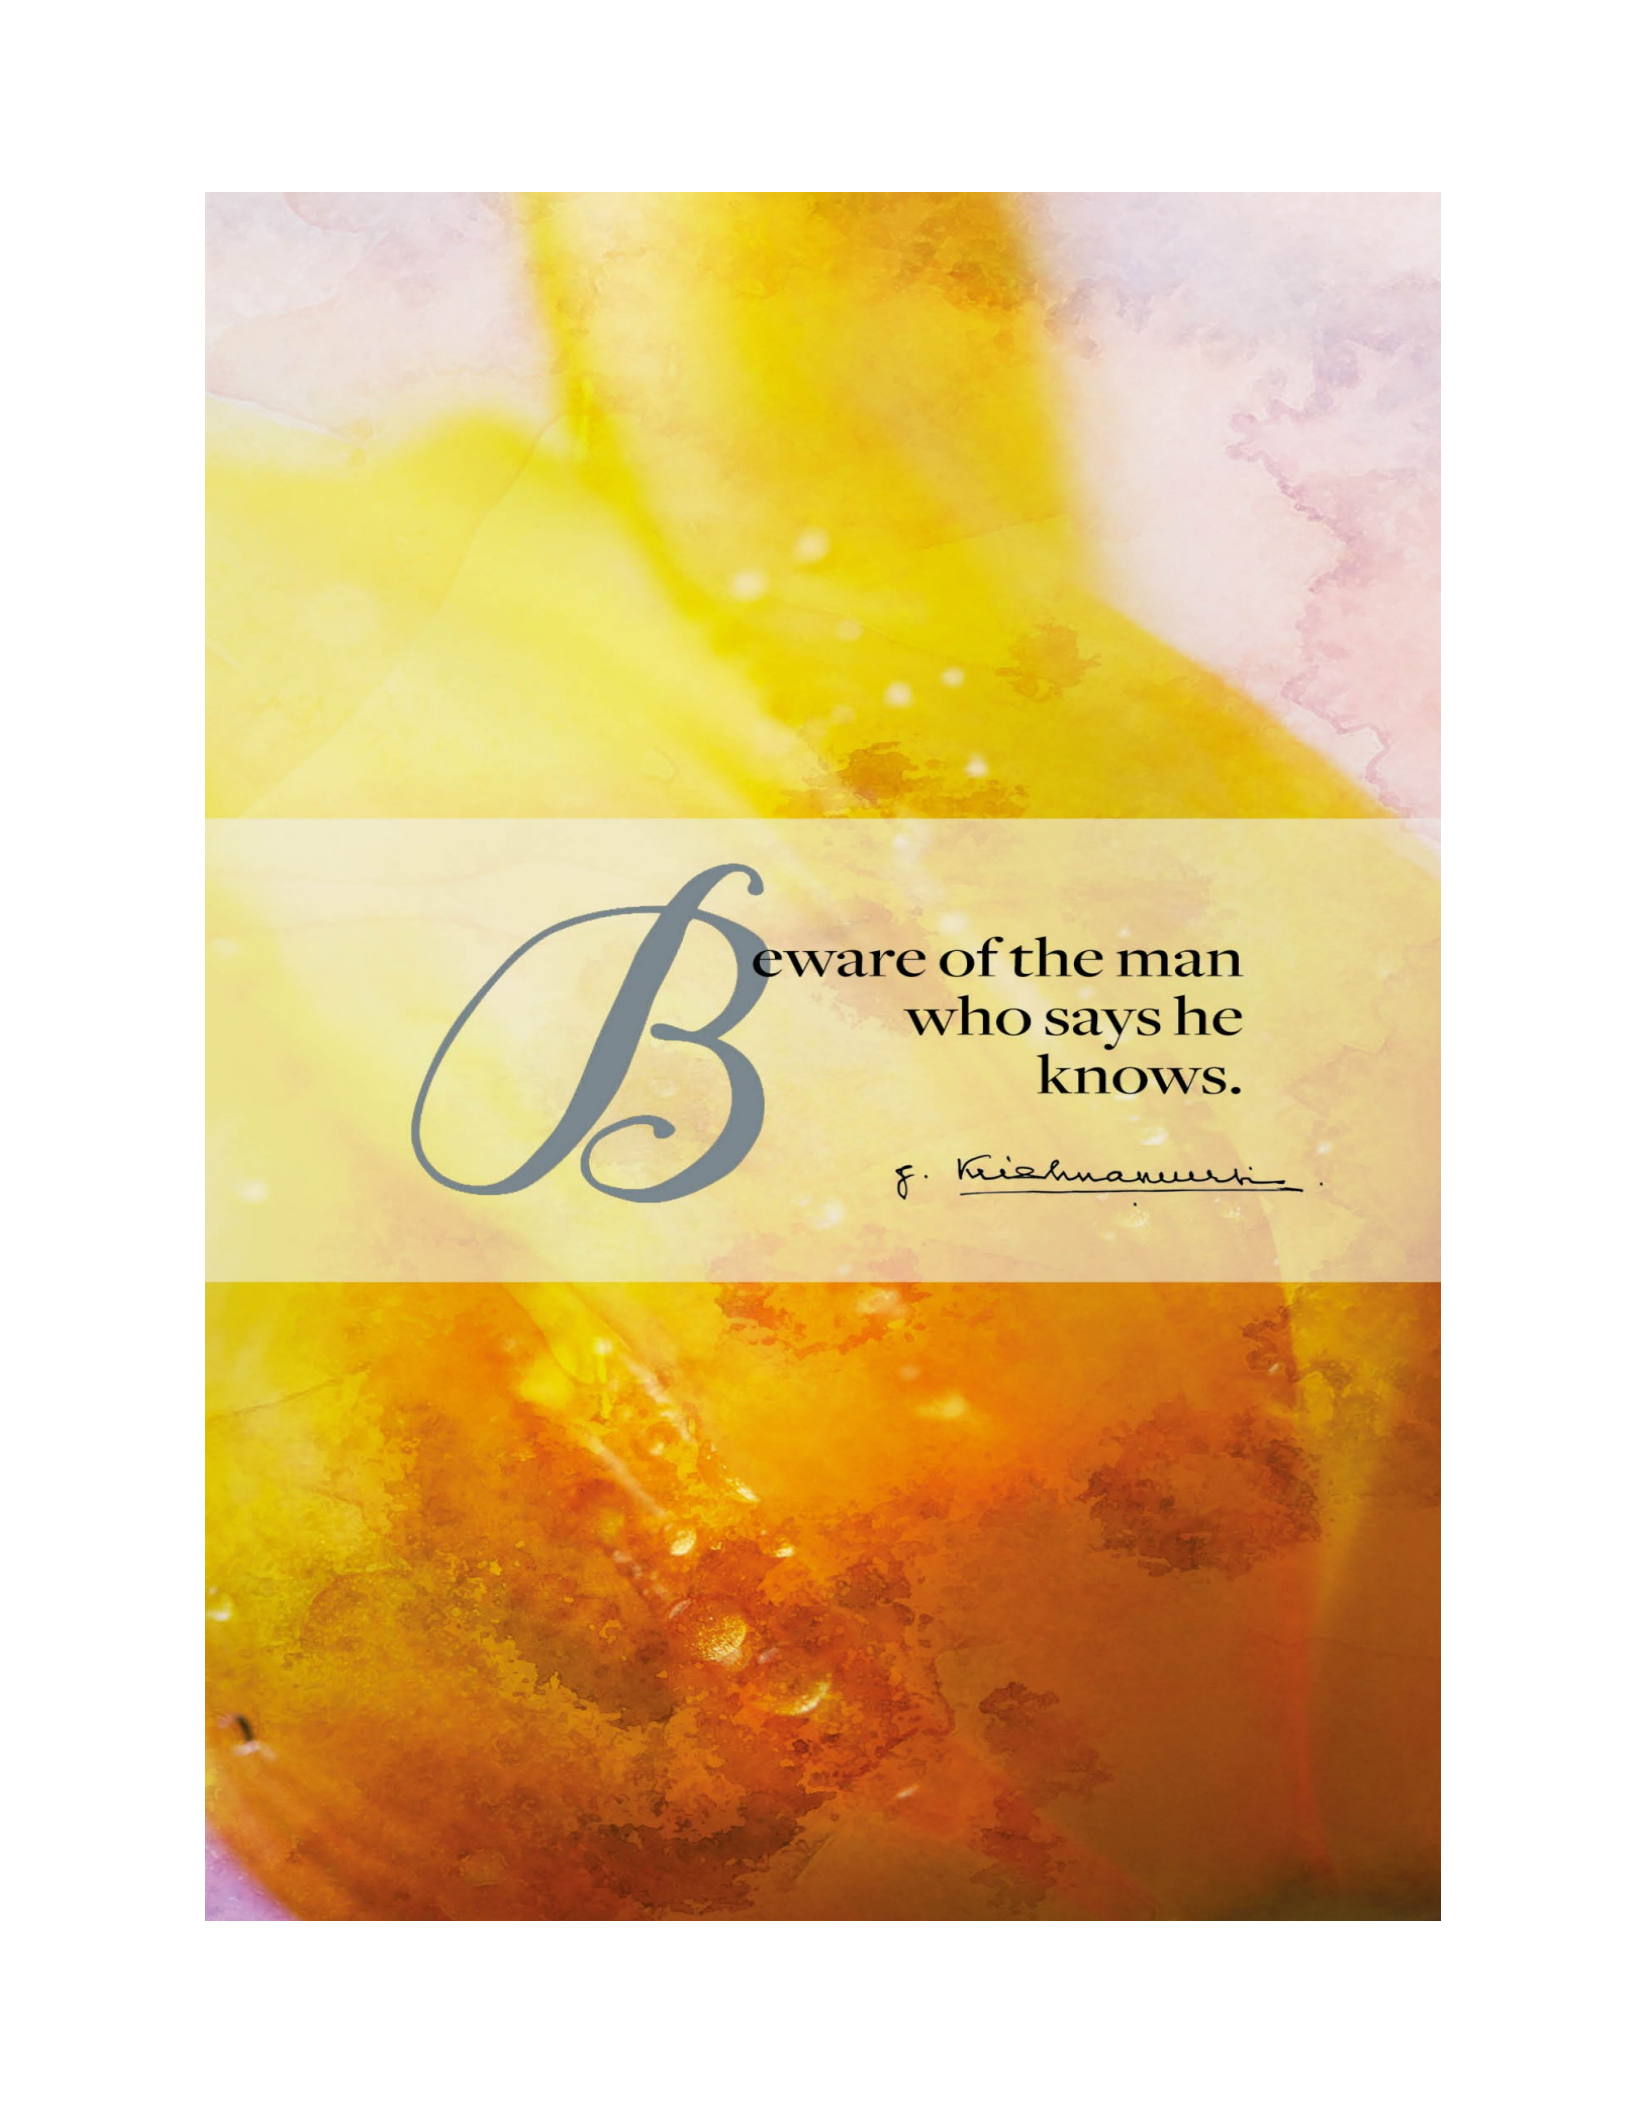

THE SPEAKER IS NOT YOUR GURU,
YOUR TEACHER OR YOUR AUTHORITY.
IF YOU MAKE HIM YOUR AUTHORITY,
YOU ARE DESTROYING YOURSELF
AND THE SPEAKER. — *Krishnamurti*

The background is a dark, mottled blue-grey color with a subtle, grainy texture. A thin white border is visible around the central text area.

*I do not believe
in leadership.
I think the very
idea of leading
somebody is
antisocial,
anti-spiritual.*

KRISHNAMURTI

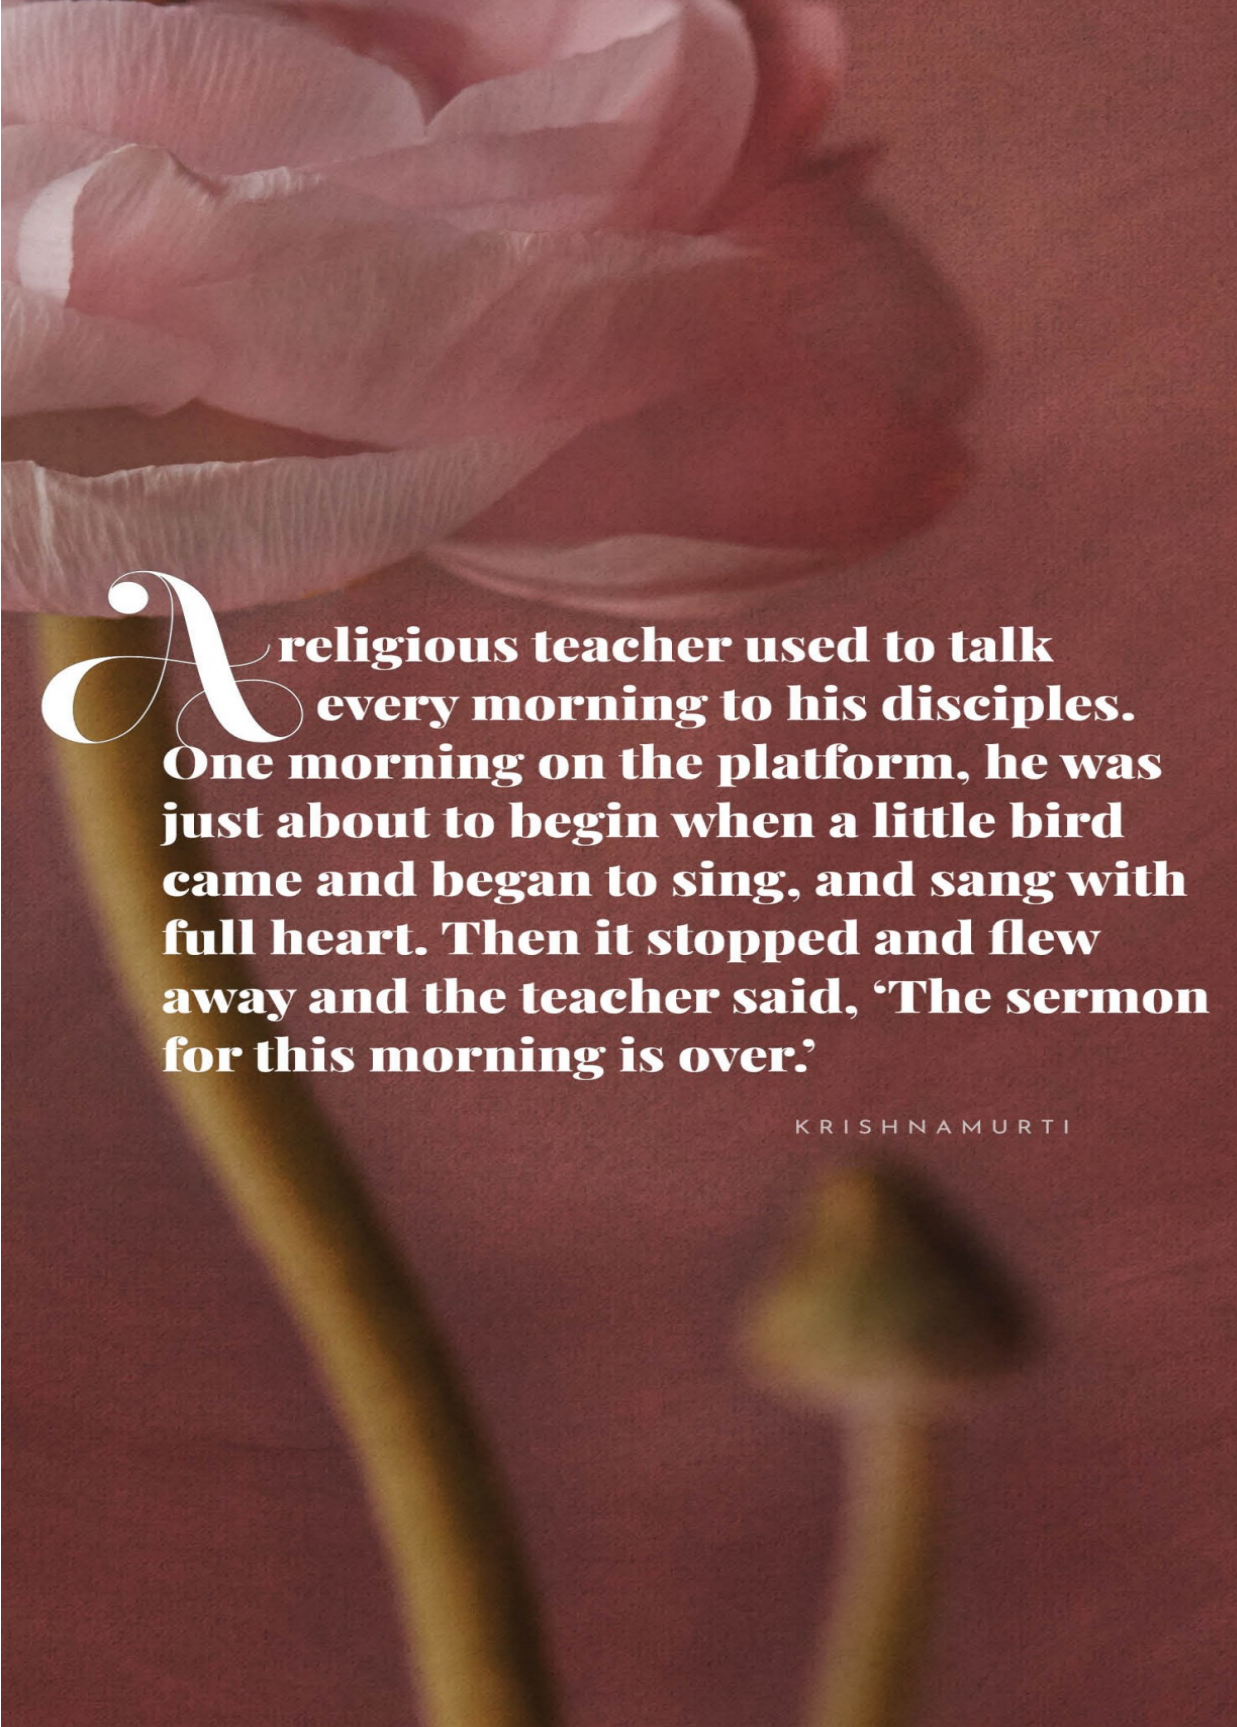

Beware of the man
who says he
knows.

J. Krishnamurti

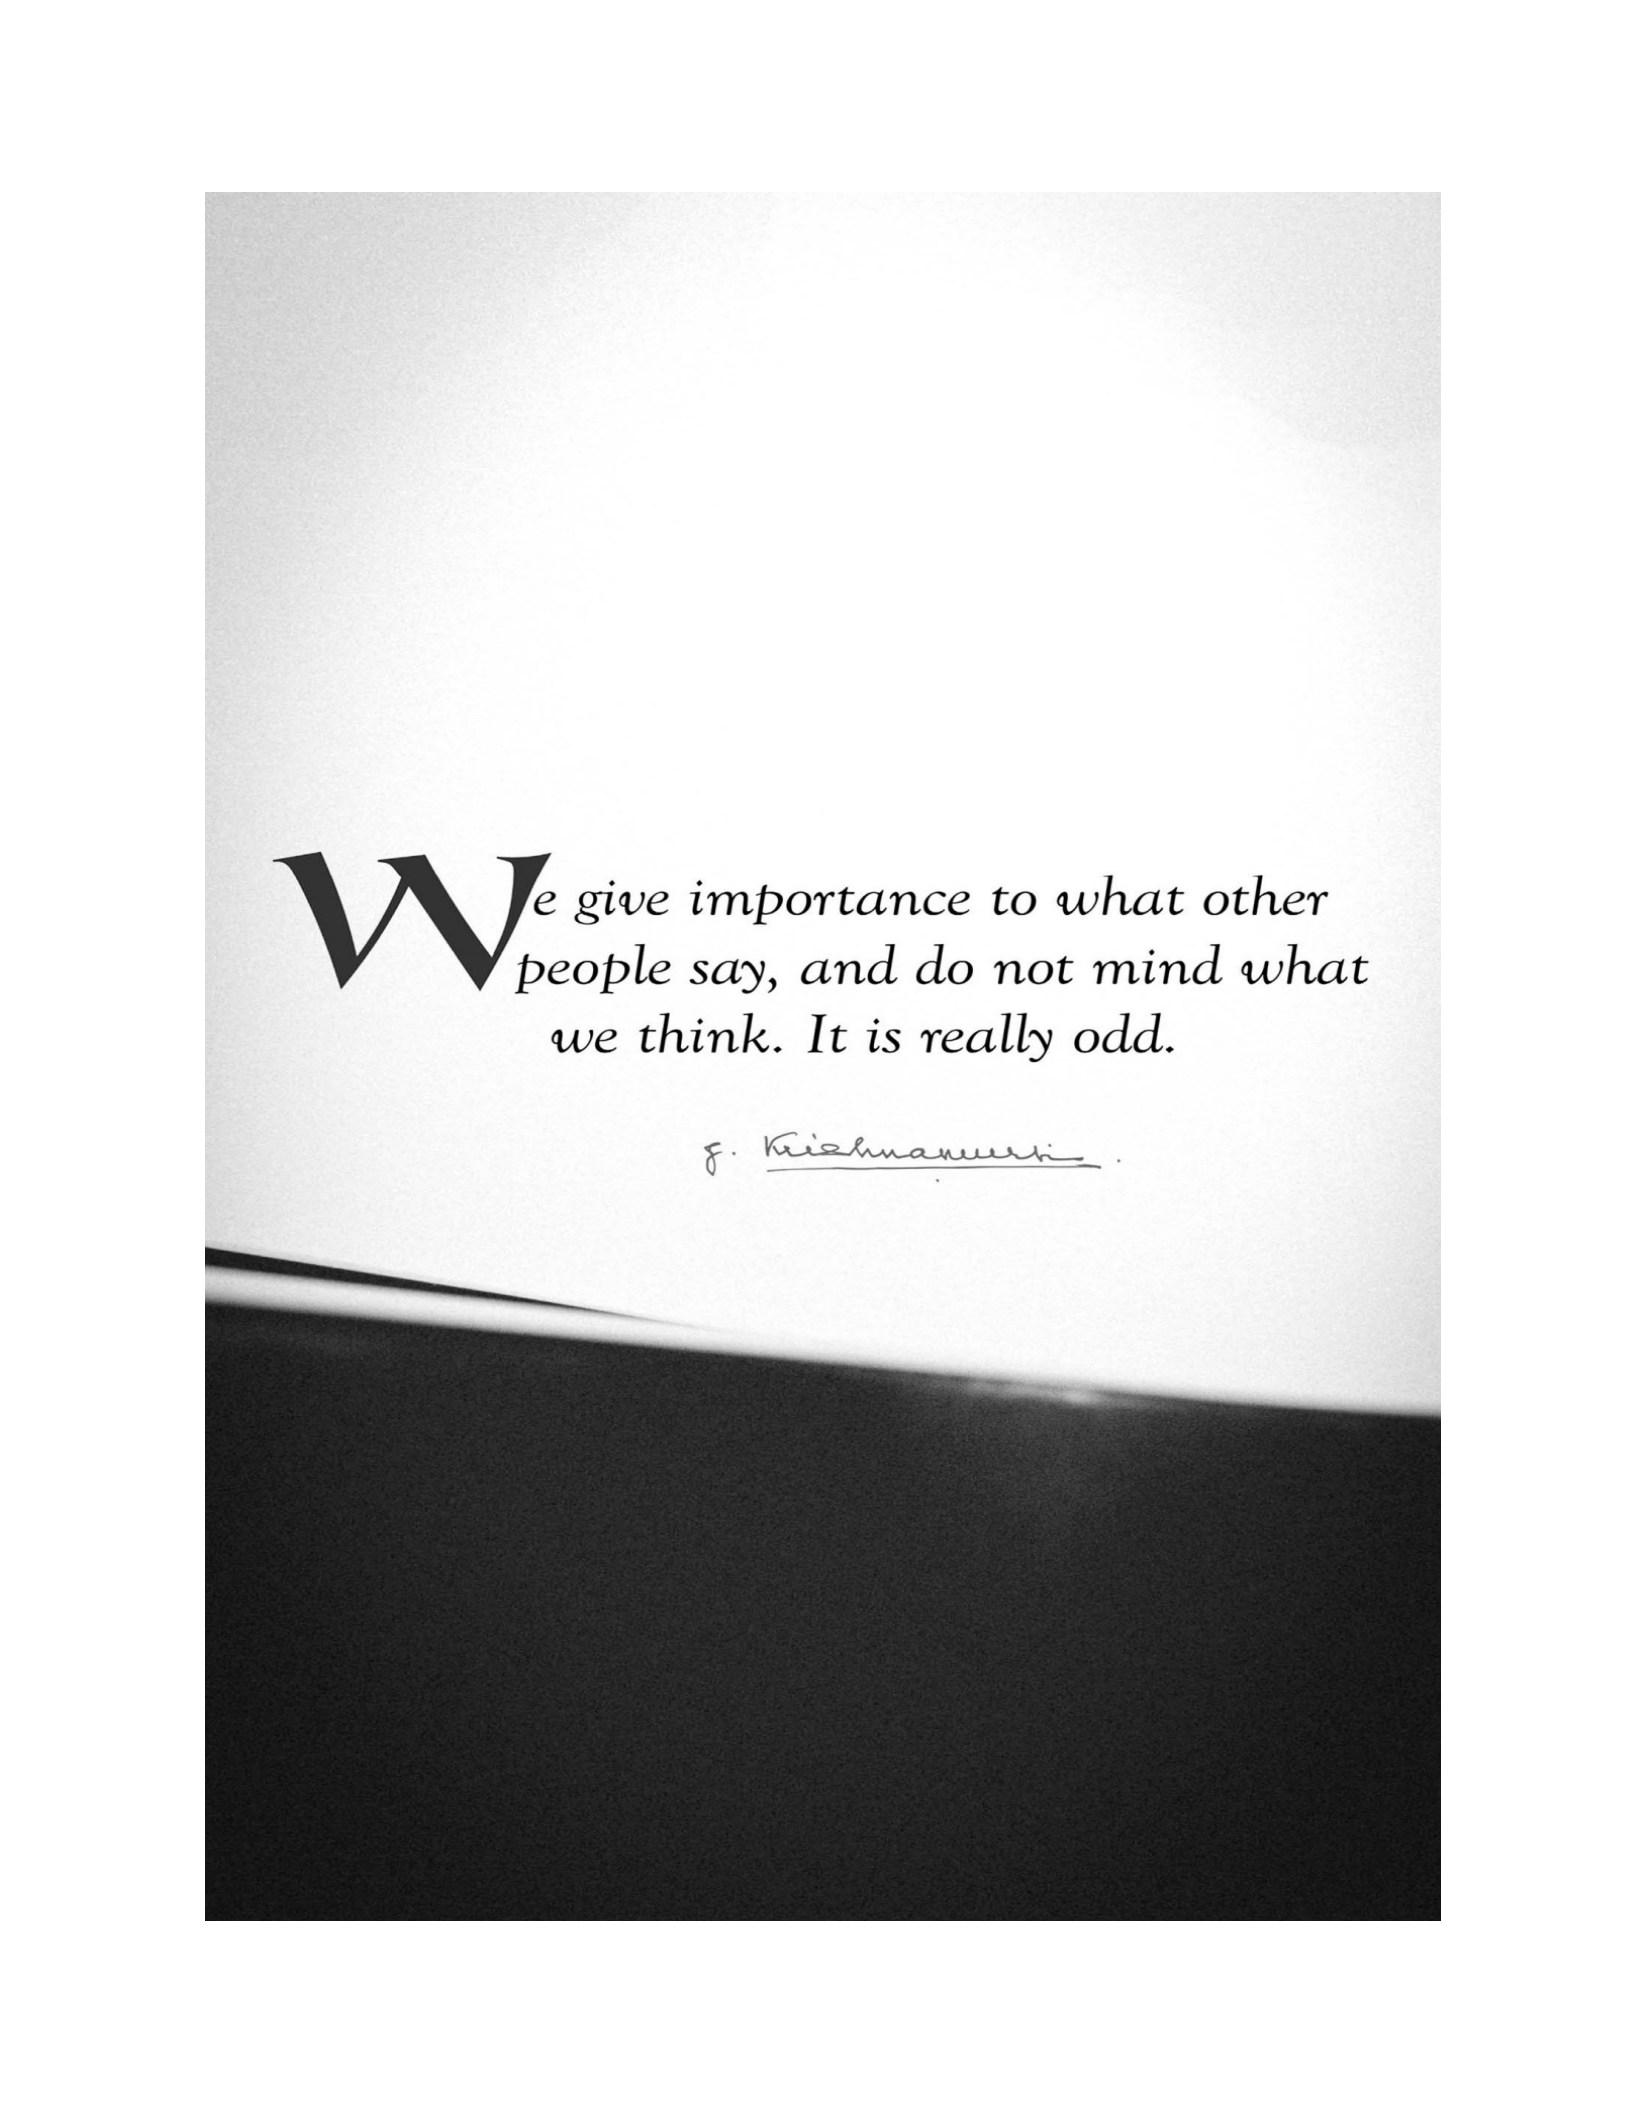

*There is no leader,
there is no teacher,
there is nobody to
tell you what to do.
You are alone
in this mad,
brutal world.*

KRISHNAMURTI

A religious teacher used to talk every morning to his disciples. One morning on the platform, he was just about to begin when a little bird came and began to sing, and sang with full heart. Then it stopped and flew away and the teacher said, 'The sermon for this morning is over.'

KRISHNAMURTI

*We give importance to what other
people say, and do not mind what
we think. It is really odd.*

J. Krishnamurti

It is a
waste
of **energy**
to
follow
anybody.

J. Krishnamurti

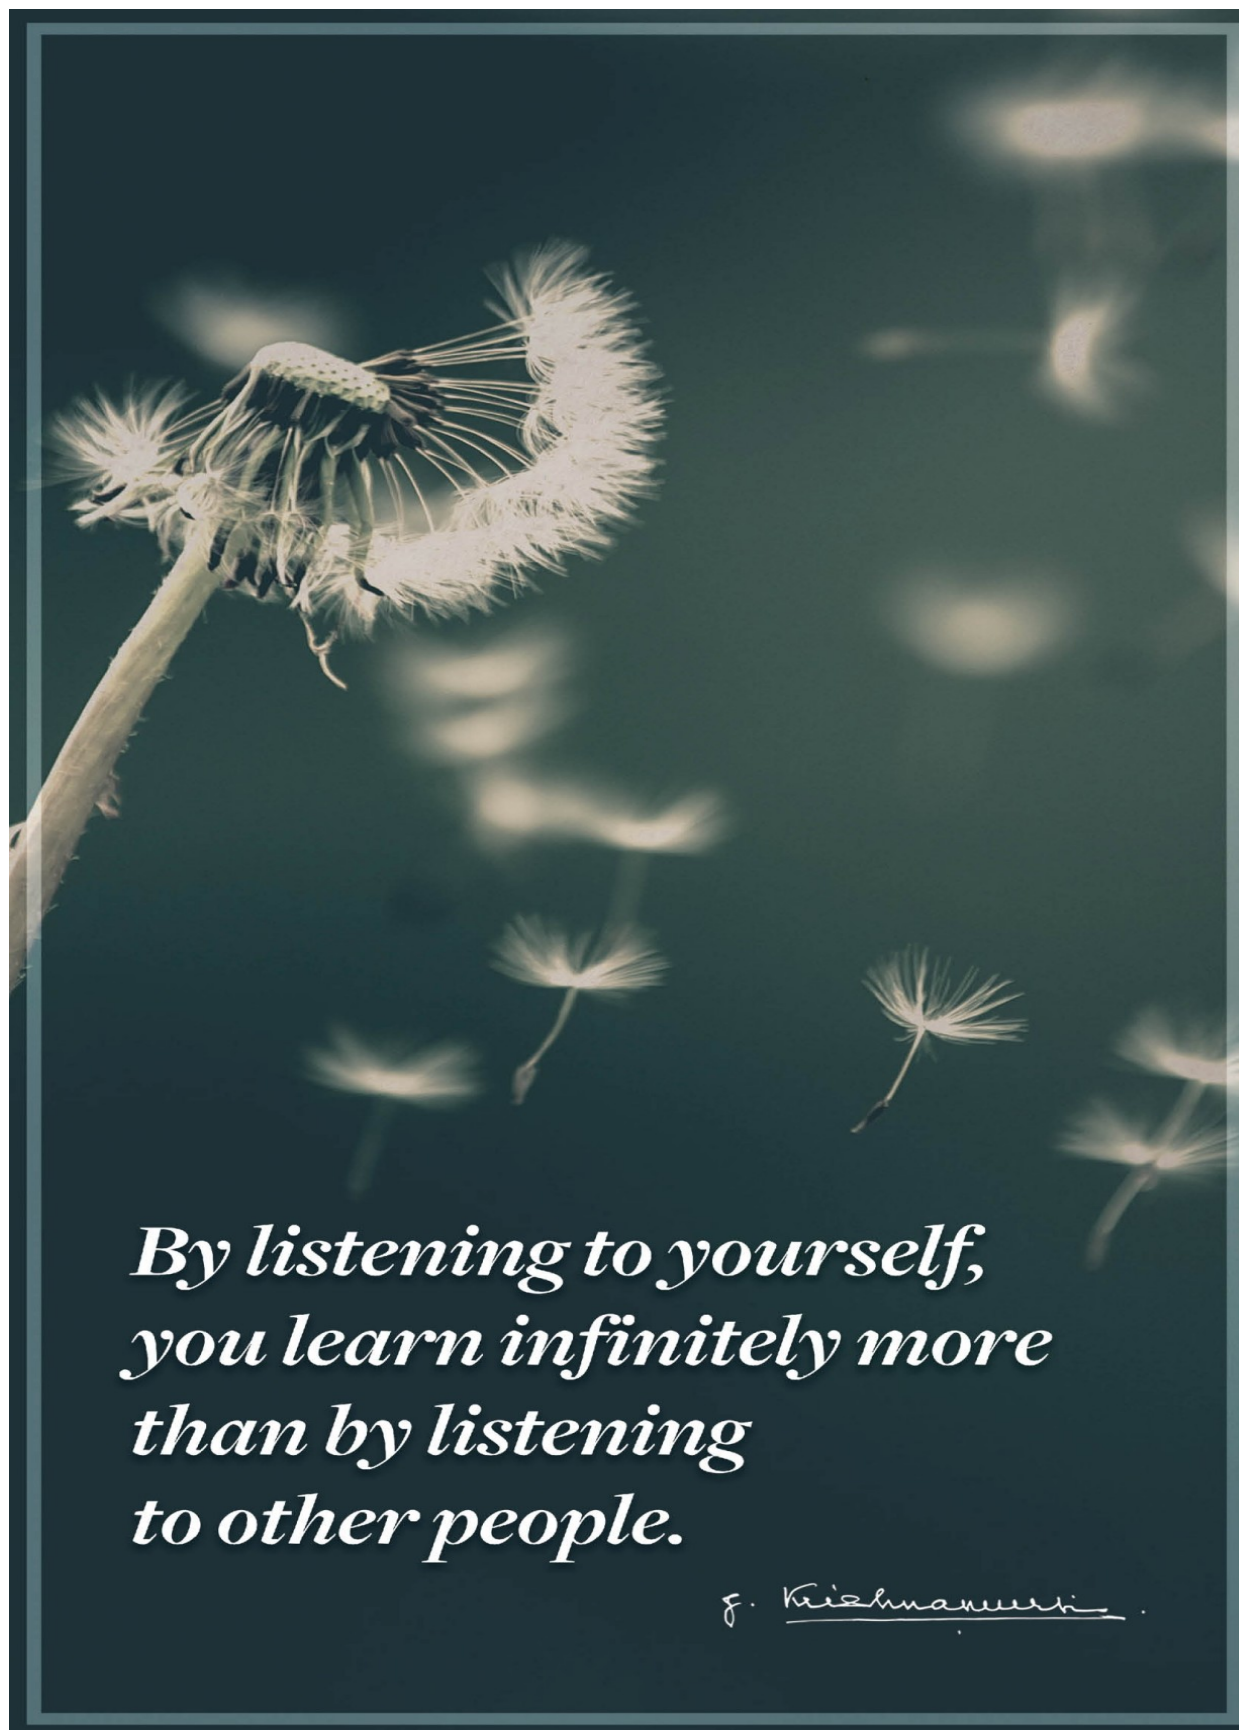

**Never repeat what
others have said
but first find out
for yourself, test it
out for yourself.**

J. Krishnamurti

There is no need to go from teacher to teacher,
from guru to guru, from leader to leader,
for all things are contained in you,
the beginning and the end.

J. Krishnamurti

*By listening to yourself,
you learn infinitely more
than by listening
to other people.*

f. Krishnamurti

*Having lost touch with nature
we naturally tend to develop
intellectual capacities. We read
a great many books, go to museums
and concerts, watch television and
have many other entertainments.
We quote endlessly from other people's
ideas and think and talk a great
deal about art.*

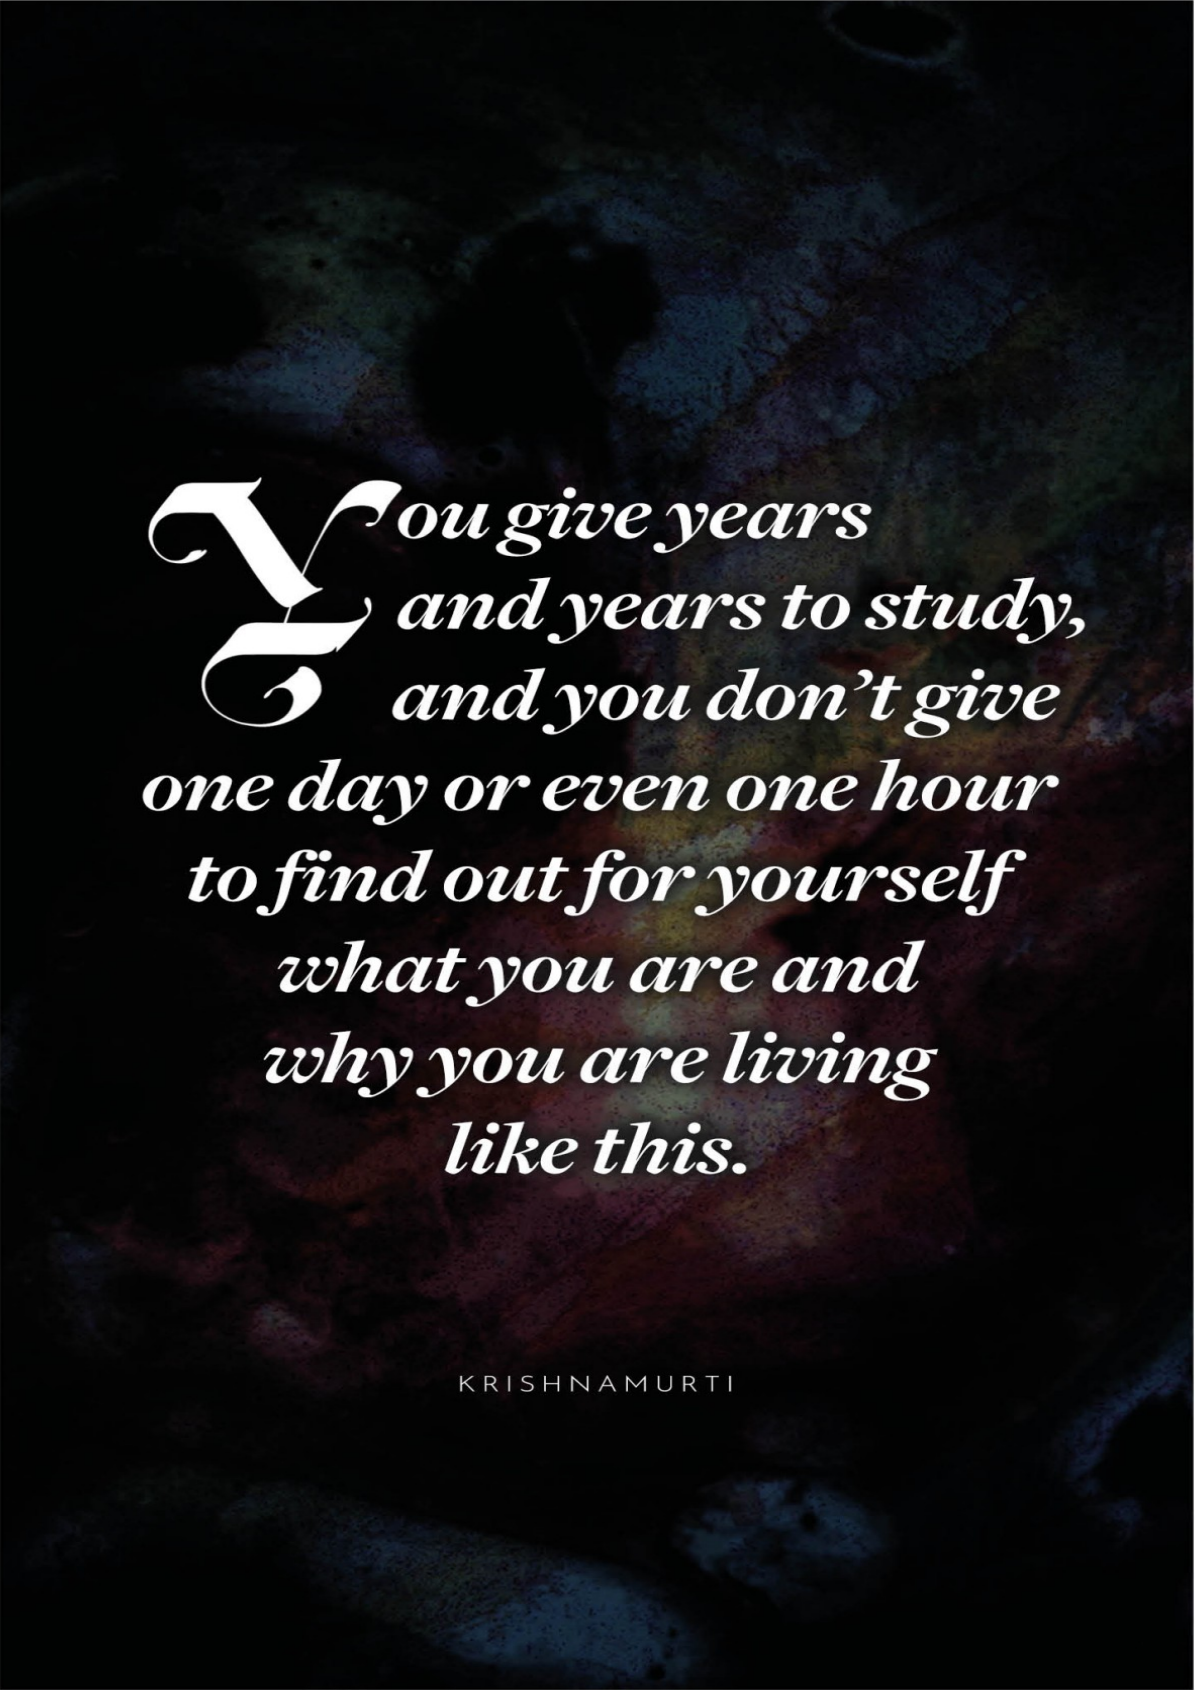

KRISHNAMURTI

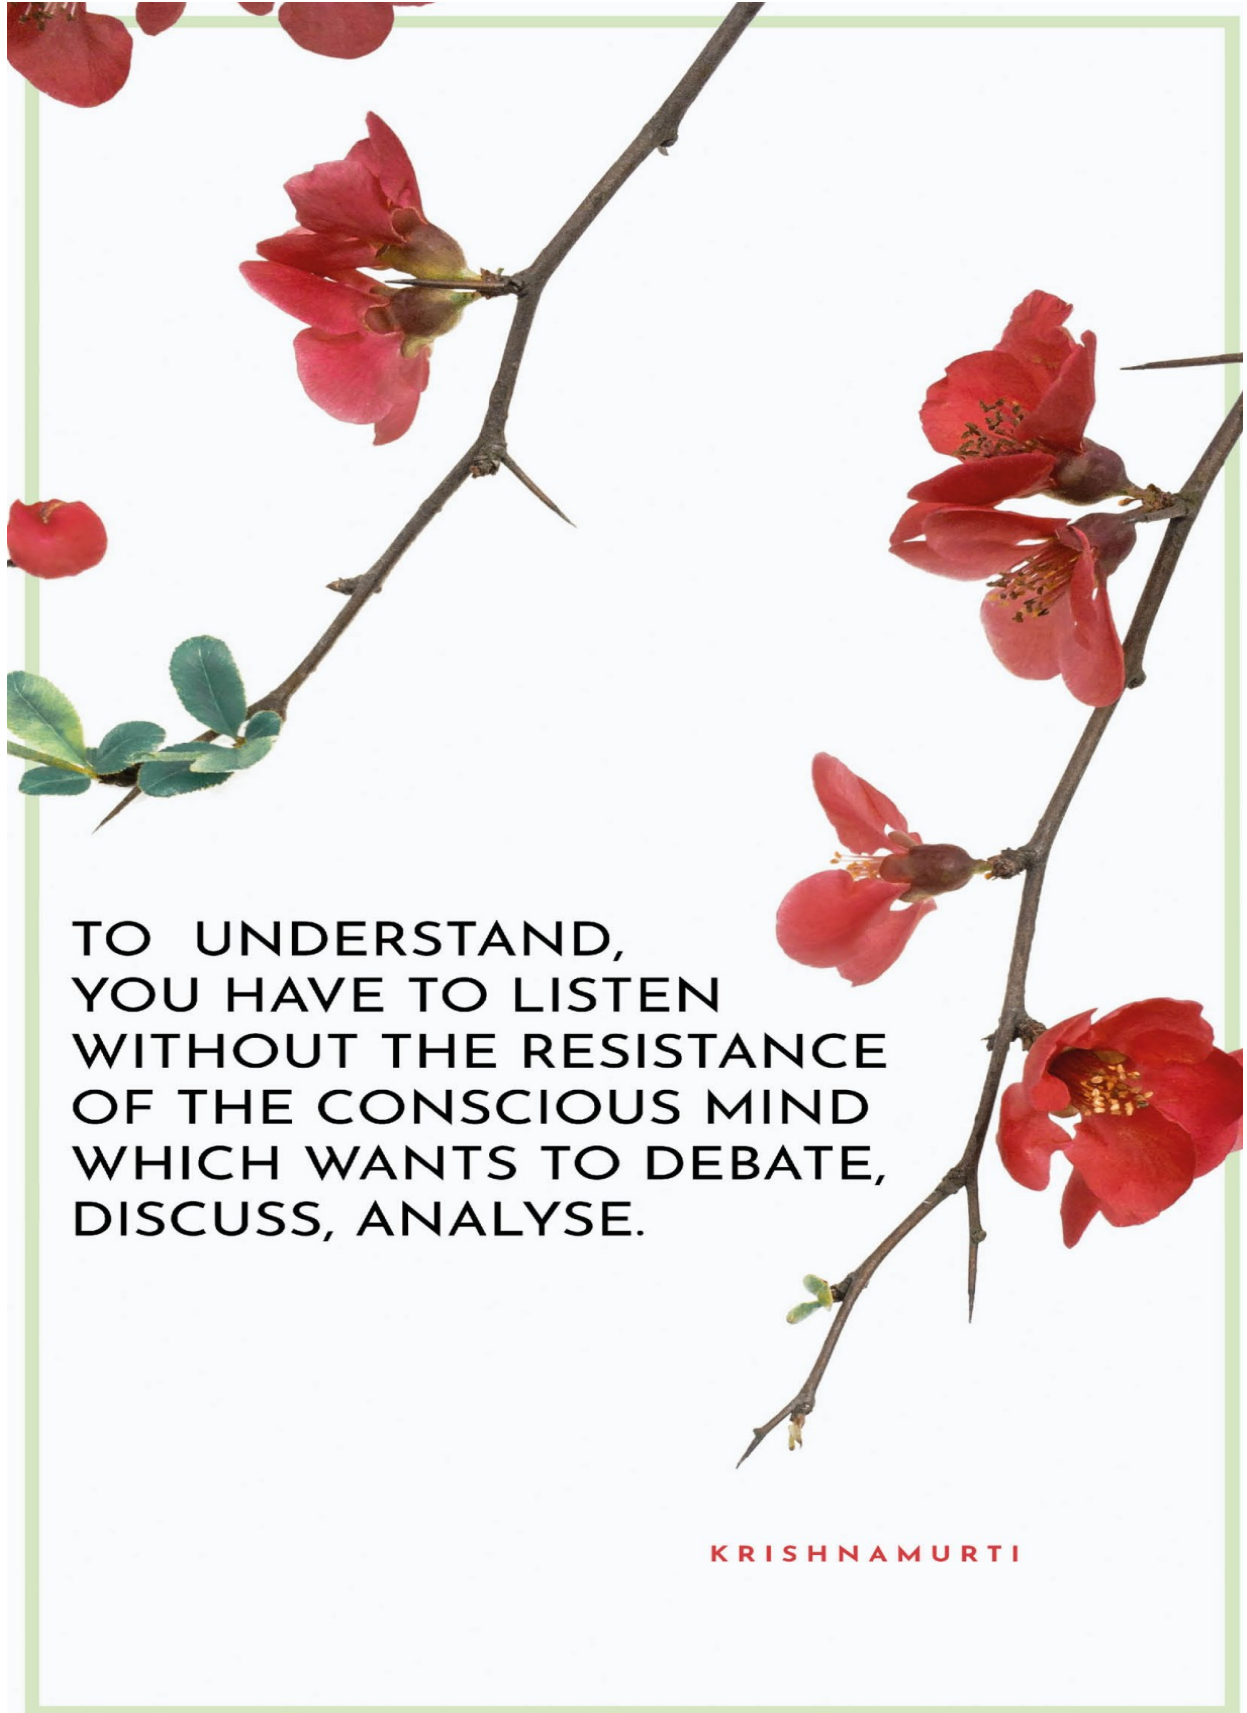

We depend on others to tell us what to think. Our upbringing is based on this, not how to think, and so we need leaders. The present chaos does not need new leaders but something totally different: for each individual to be a light to himself and not be dependent on anybody.

g. Krishnamurti

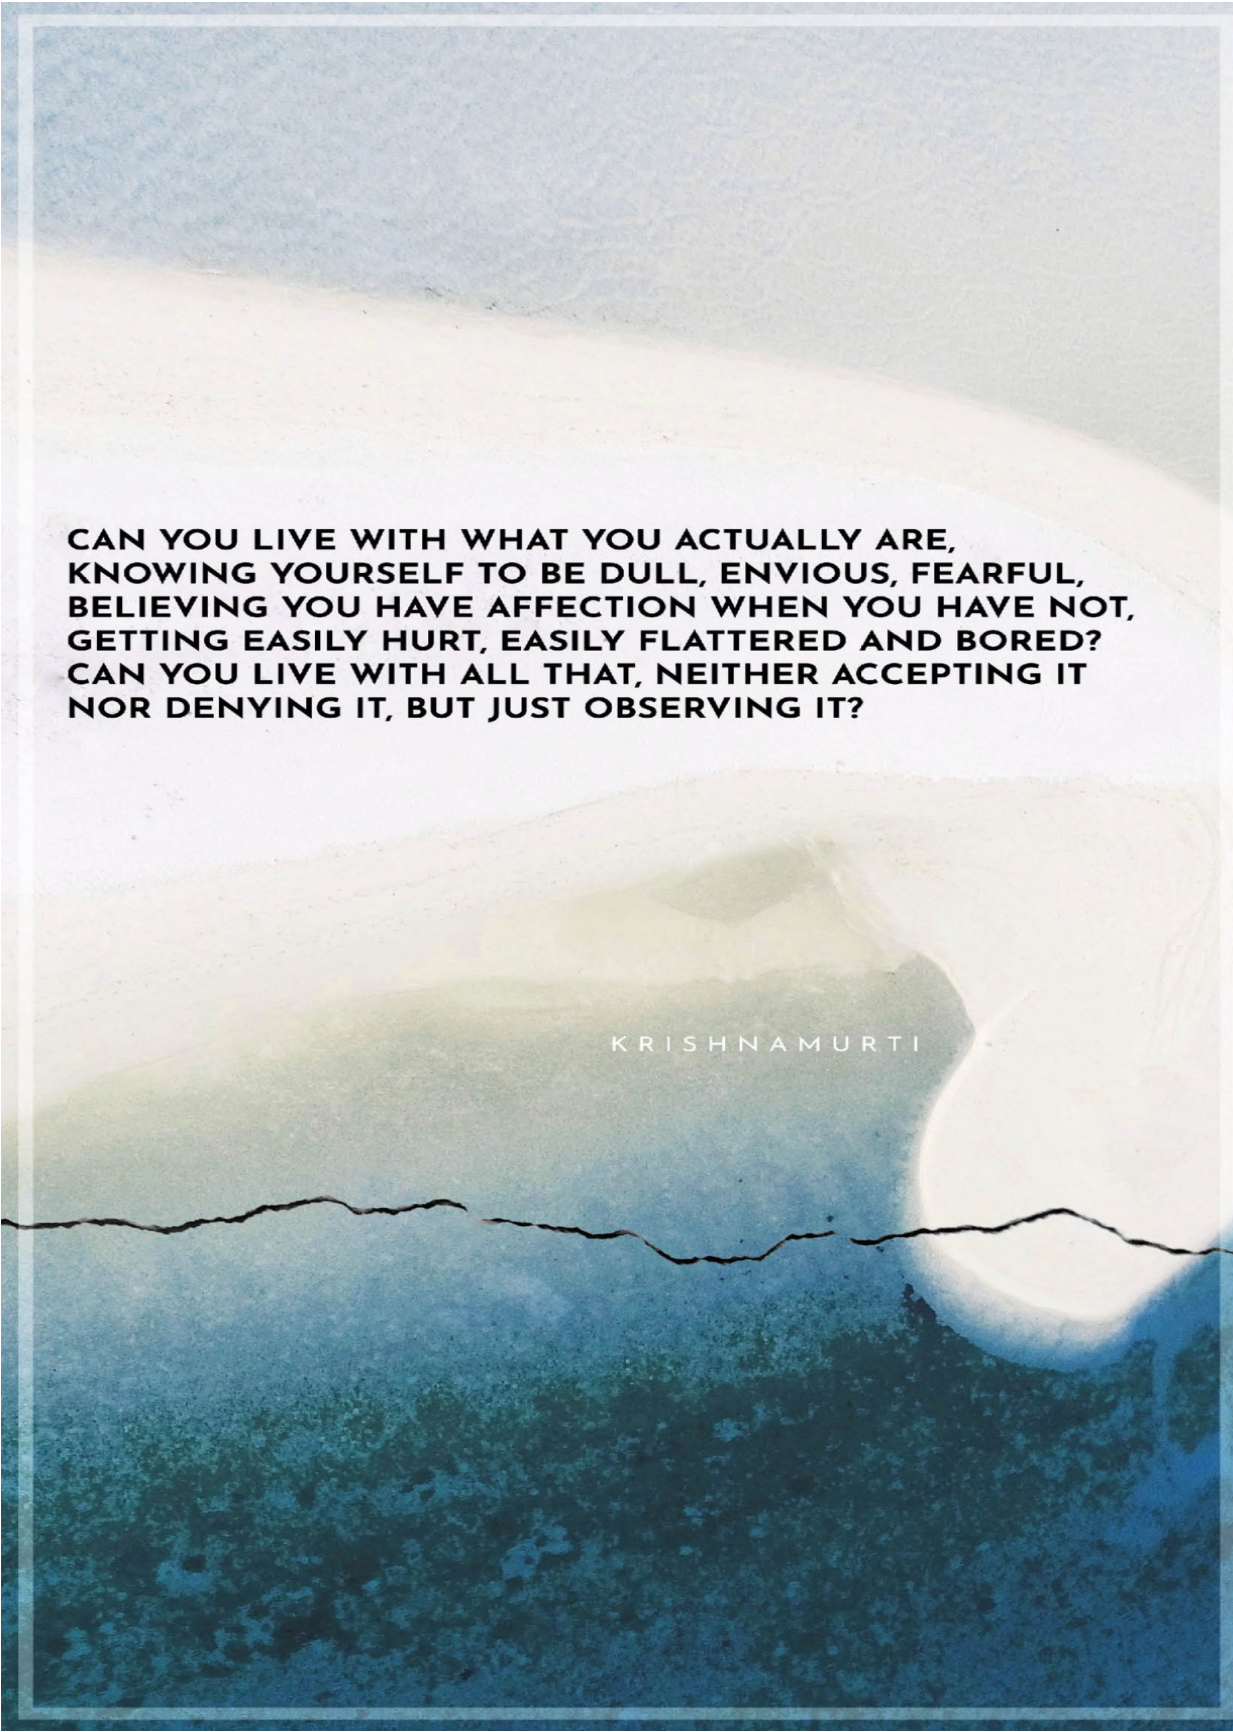

*You give years
and years to study,
and you don't give
one day or even one hour
to find out for yourself
what you are and
why you are living
like this.*

KRISHNAMURTI

TO UNDERSTAND,
YOU HAVE TO LISTEN
WITHOUT THE RESISTANCE
OF THE CONSCIOUS MIND
WHICH WANTS TO DEBATE,
DISCUSS, ANALYSE.

KRISHNAMURTI

An abstract background featuring a silhouette of a human face in profile, facing right. The face is rendered in a light, ethereal tone against a backdrop of soft, blended colors including pale blue, white, and yellow. A prominent, dark, jagged horizontal crack runs across the lower half of the image, passing through the neck and jawline of the face silhouette. The bottom portion of the image is a deep, textured blue.

**CAN YOU LIVE WITH WHAT YOU ACTUALLY ARE,
KNOWING YOURSELF TO BE DULL, ENVIOUS, FEARFUL,
BELIEVING YOU HAVE AFFECTION WHEN YOU HAVE NOT,
GETTING EASILY HURT, EASILY FLATTERED AND BORED?
CAN YOU LIVE WITH ALL THAT, NEITHER ACCEPTING IT
NOR DENYING IT, BUT JUST OBSERVING IT?**

KRISHNAMURTI

Every psychological problem is related to every other psychological problem, so if you can solve one problem completely — it does not matter what it is — you will see that you are able to meet all other problems easily and resolve them.

g. Krishnamurti

*I*F ONE ALLOWS A PROBLEM
TO ENDURE FOR A MONTH
OR A DAY OR EVEN FOR A FEW
MINUTES, IT DISTORTS THE MIND.
SO IS IT POSSIBLE TO MEET
A PROBLEM IMMEDIATELY
WITHOUT ANY DISTORTION
AND BE IMMEDIATELY,
COMPLETELY, FREE OF IT
AND NOT ALLOW A MEMORY,
A SCRATCH ON THE MIND,
TO REMAIN?

J. Krishnamurti

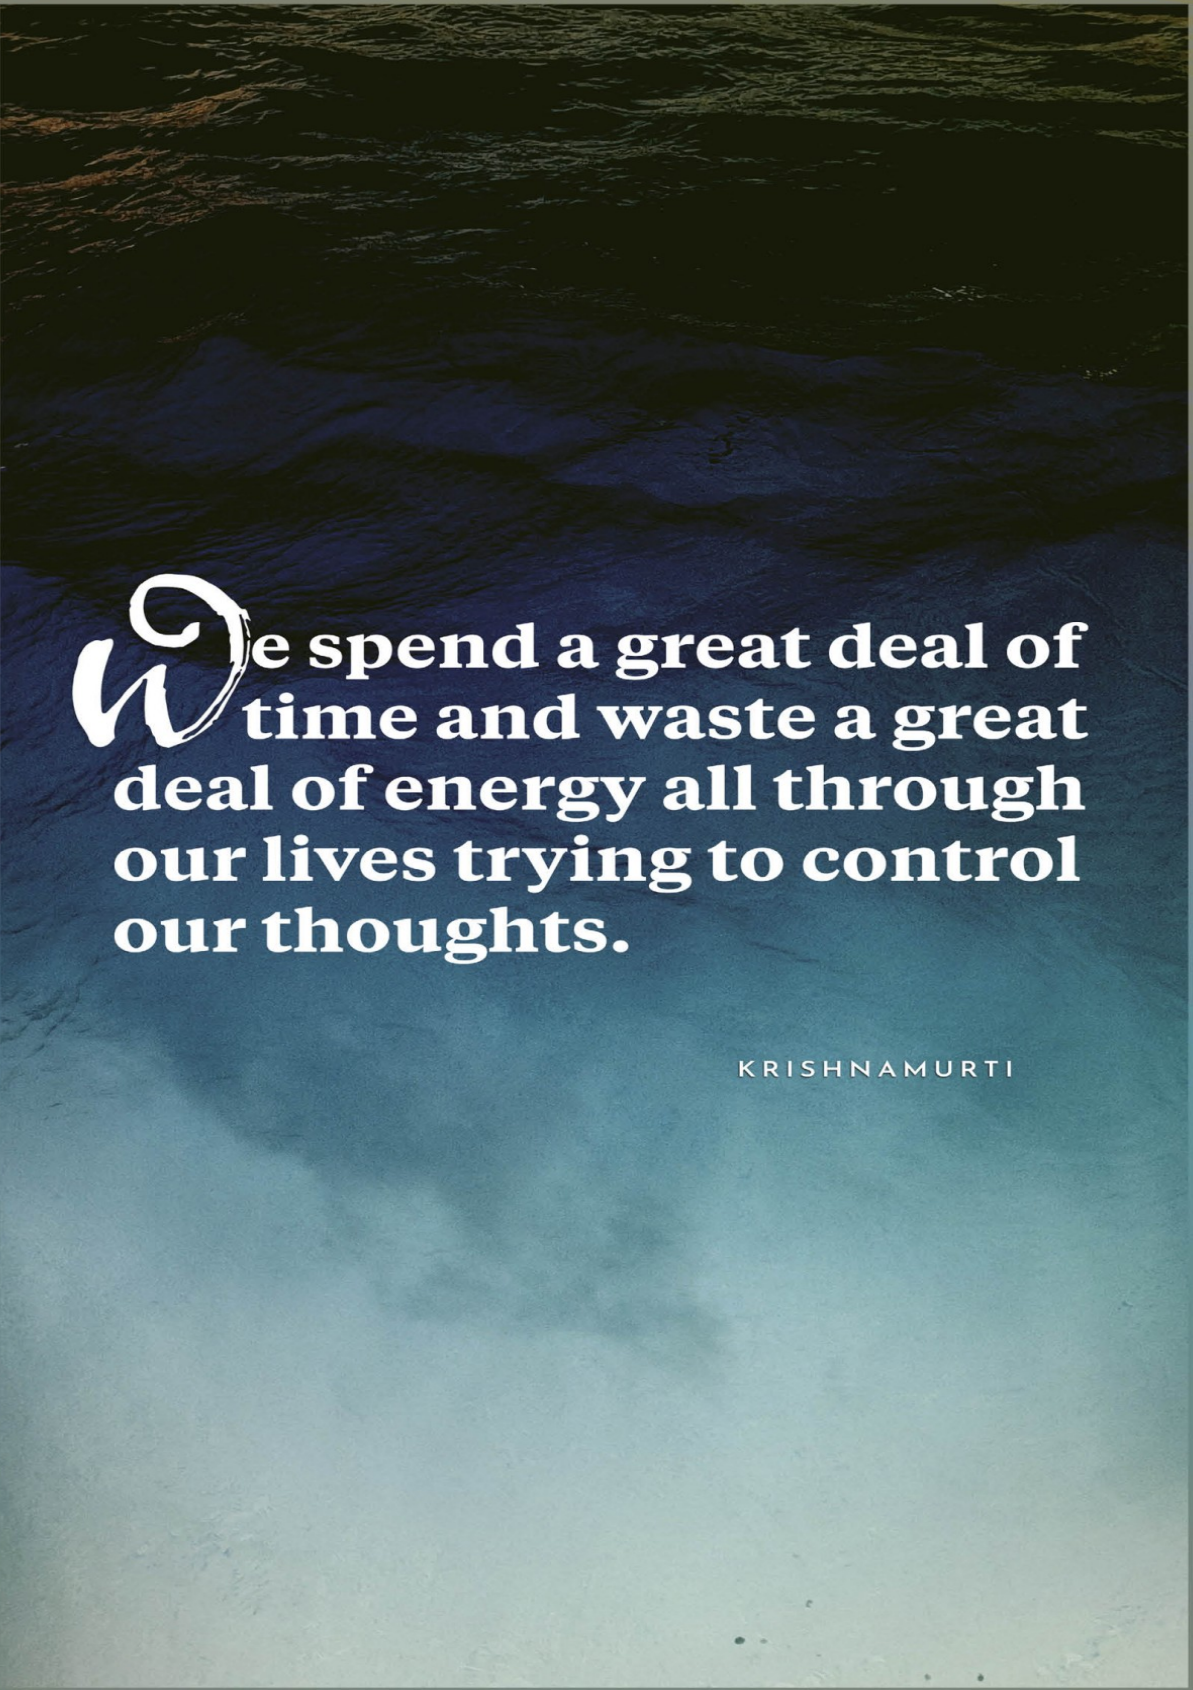

**Why has thought
become so
important in our lives?
Why in our daily lives,
in our grinding, boring,
frightened lives, has
thought taken on such
inordinate importance?
Why is one a slave
to thought?**

J. Krishnamurti

*Emotions or
sensations are
natural, healthy, normal.
But when thought takes over,
all the mischief begins.*

K R I S H N A M U R T I

**We spend a great deal of
time and waste a great
deal of energy all through
our lives trying to control
our thoughts.**

KRISHNAMURTI

*We spend our
days controlling,
and we do not know
how to live a life
completely free
of control.*

KRISHNAMURTI

**Most of us are trained,
educated, cultivated,
conditioned to control —
control your anger,
your sexuality, whatever
you are controlling.
You have never inquired
into who the controller is.**

J. Krishnamurti

That is the first thing
to learn—not to seek.
When you seek you are
really only window-shopping.

f. Krishnamurti

If you cannot
stand alone inwardly,
you are not free.

K R I S H N A M U R T I

*A*re we ever alone,
or are we carrying with us
all the burdens of yesterday?

J. Krishnamurti

*Meet the fresh day
as if it were the only day.*

KRISHNAMURTI

*Forget all you know about yourself;
forget all you have ever thought about yourself;
start as if you knew nothing.*

KRISHNAMURTI

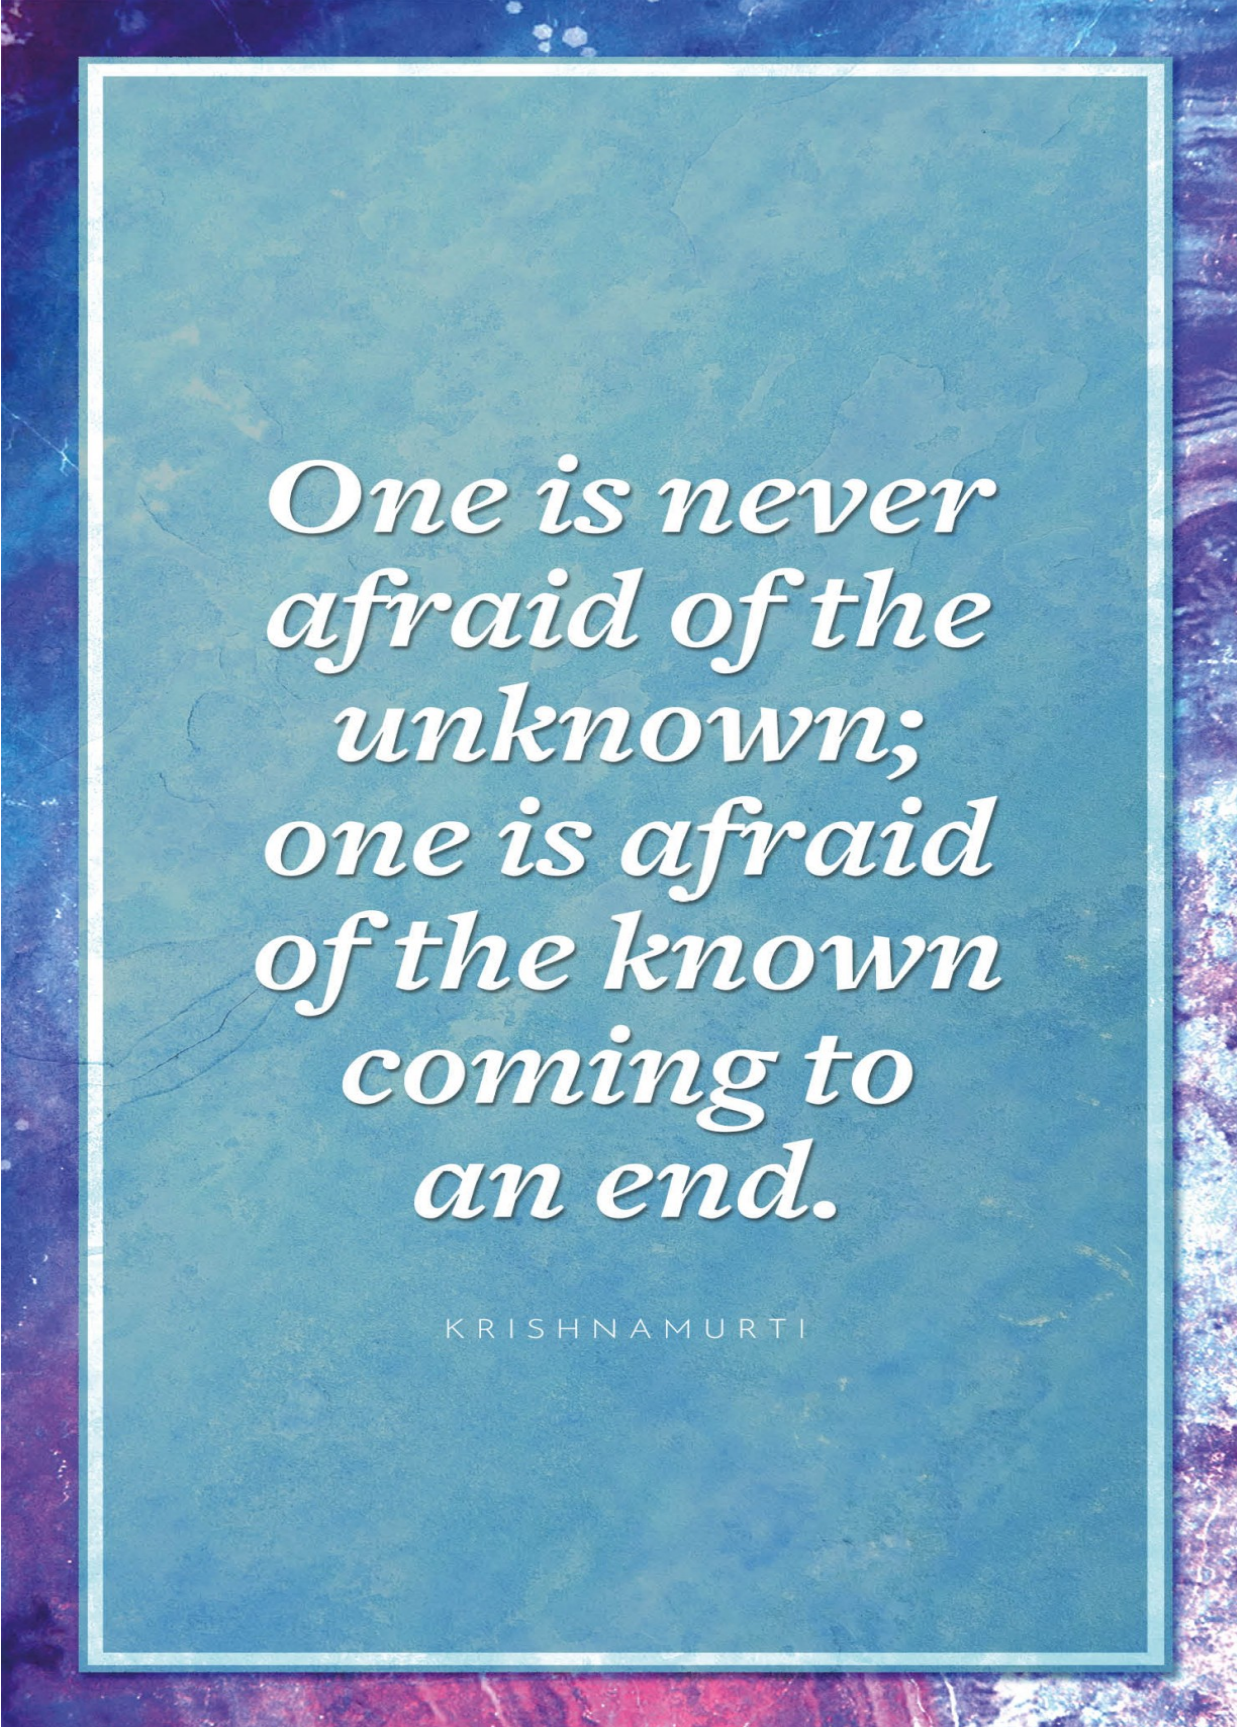

*We are taking a journey together,
a journey of discovery into the most
secret corners of our minds. And to
take such a journey we must travel light;
we cannot be burdened with opinions,
prejudices and conclusions.*

KRISHNAMURTI

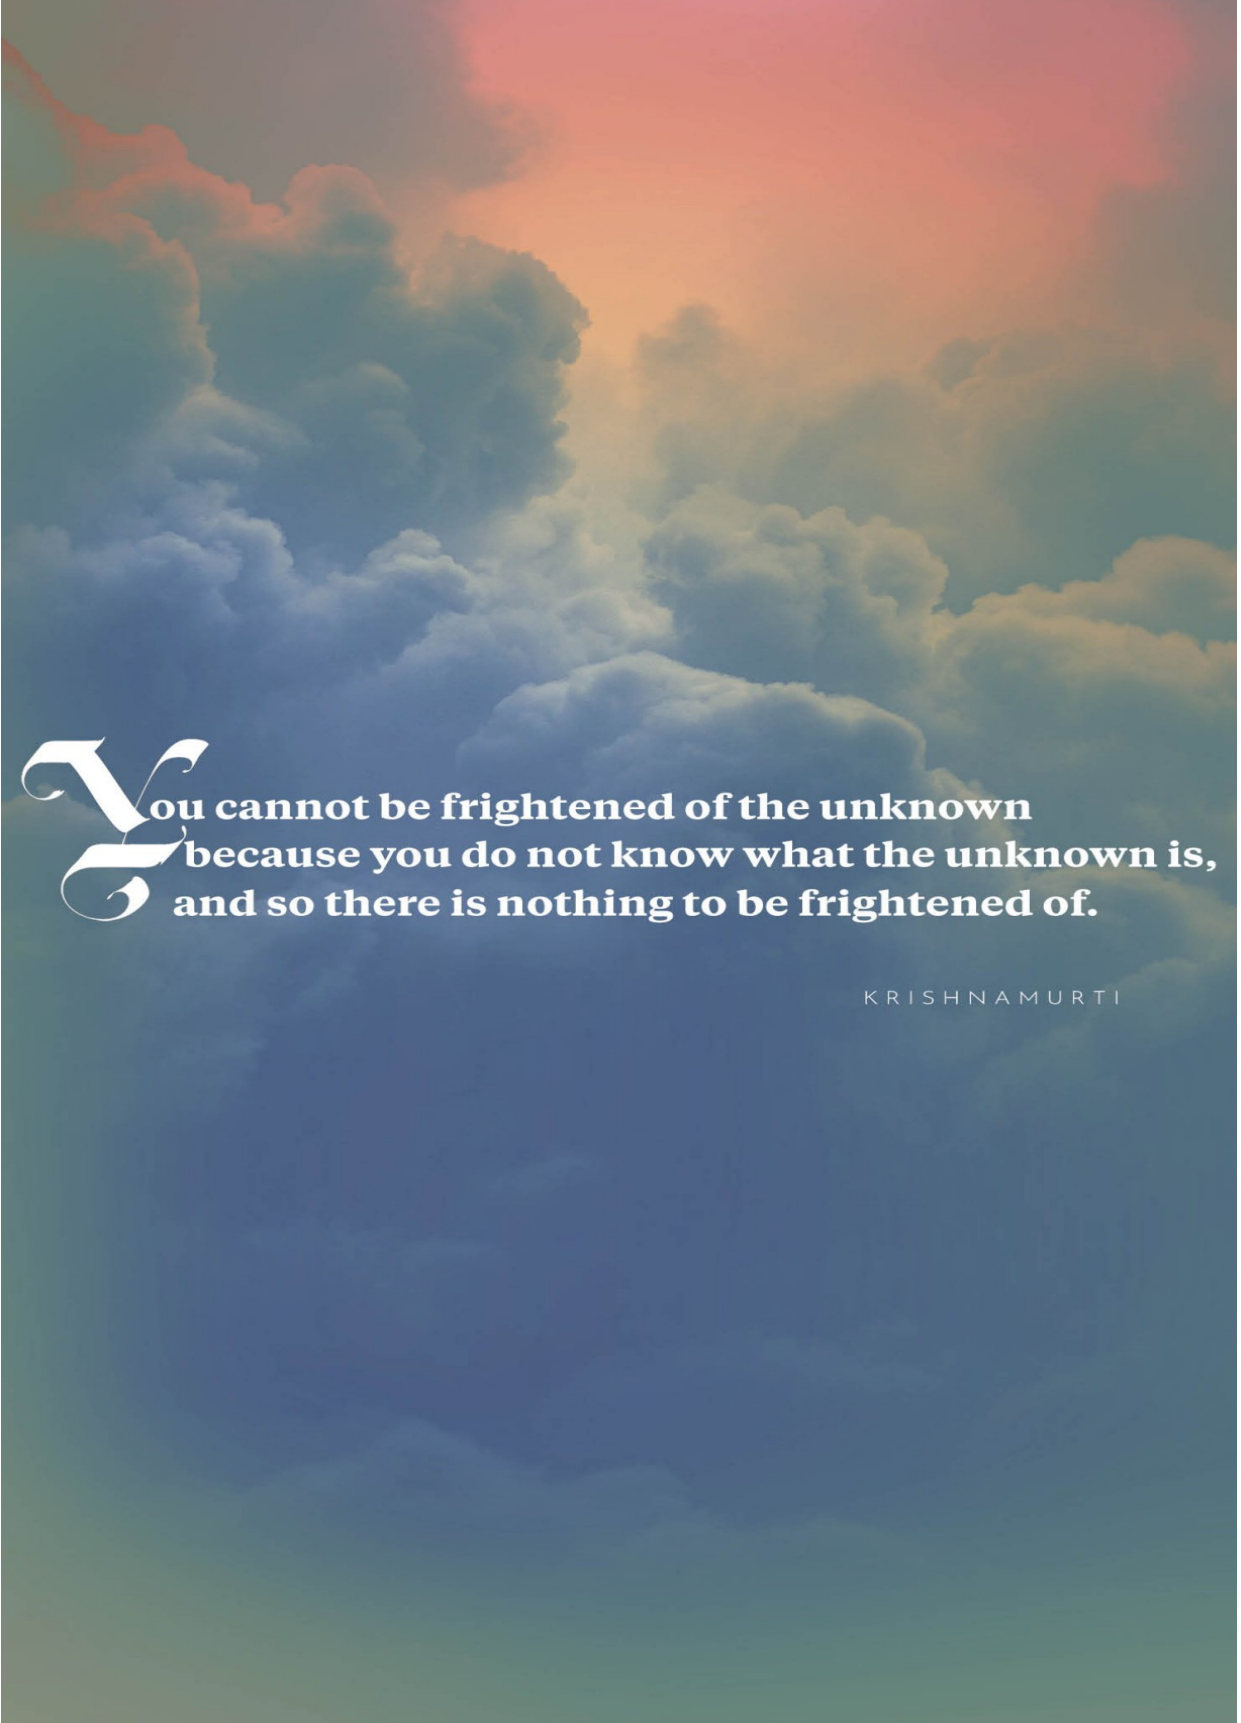

*What is
the state of the mind
that honestly says,
'I don't know'?*

KRISHNAMURTI

*One is never
afraid of the
unknown;
one is afraid
of the known
coming to
an end.*

KRISHNAMURTI

**You cannot be frightened of the unknown
because you do not know what the unknown is,
and so there is nothing to be frightened of.**

KRISHNAMURTI

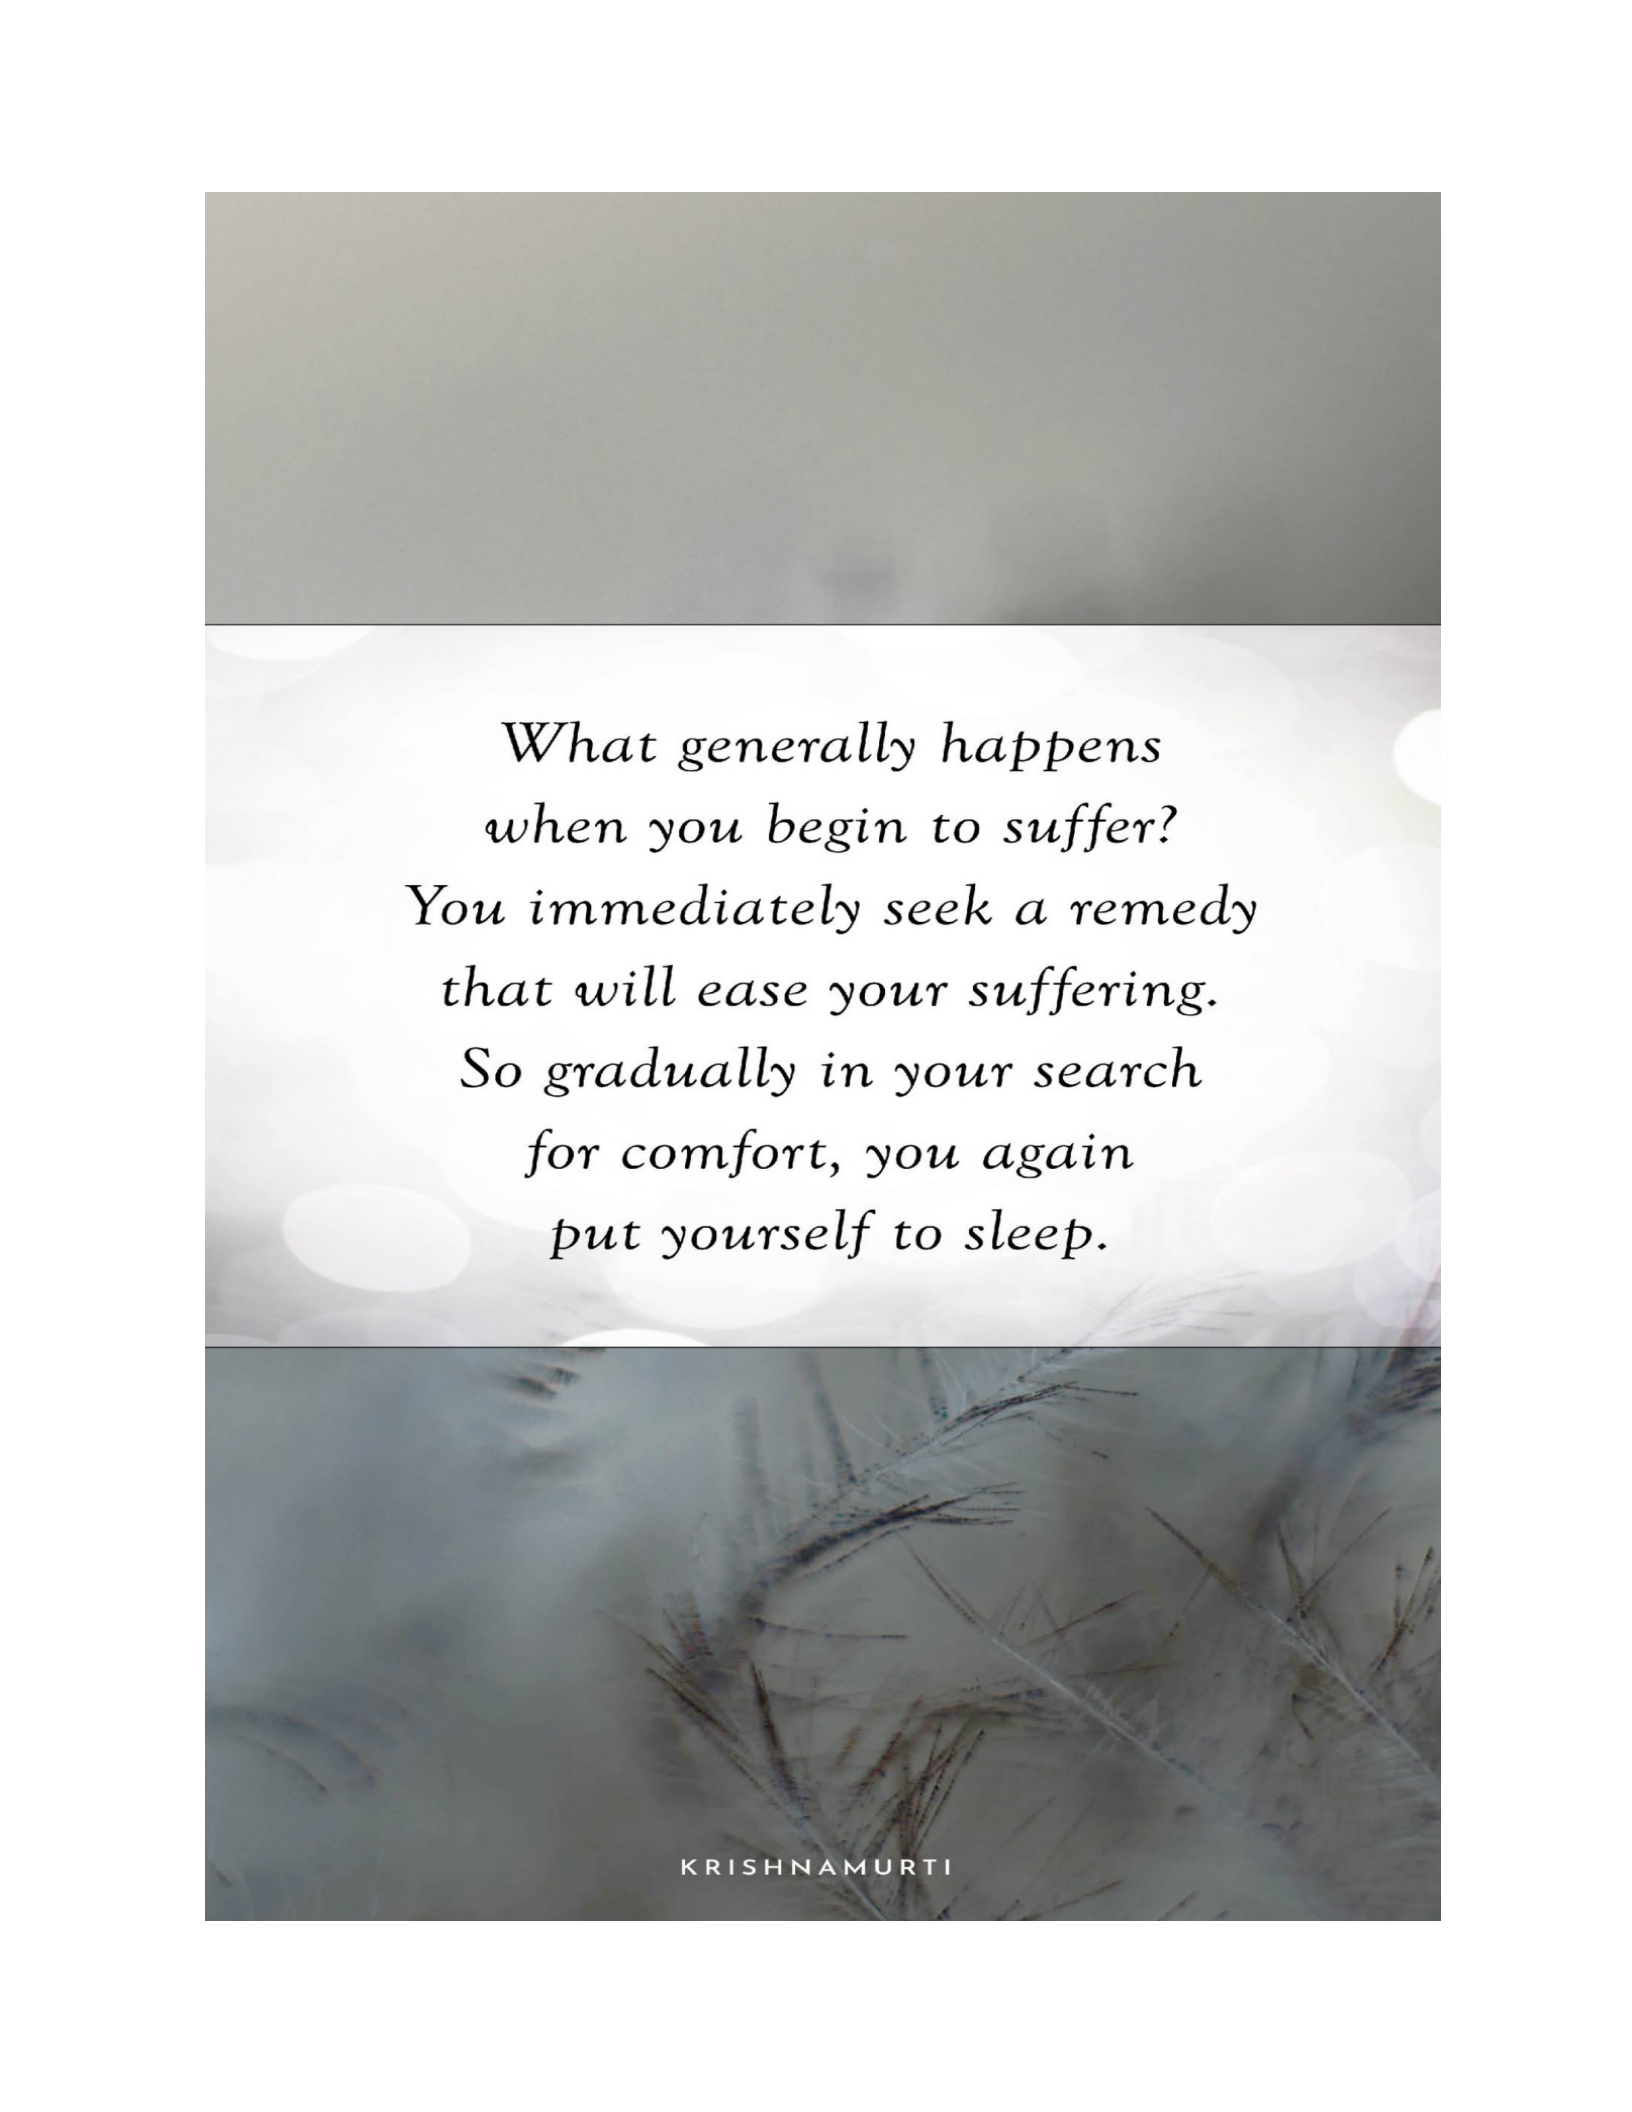

**In the very demand for
pleasure we are inviting
pain and fear.**

KRISHNAMURTI

*Have you ever given up
something that gives you
great pleasure, to drop it
instantly without any effort?*

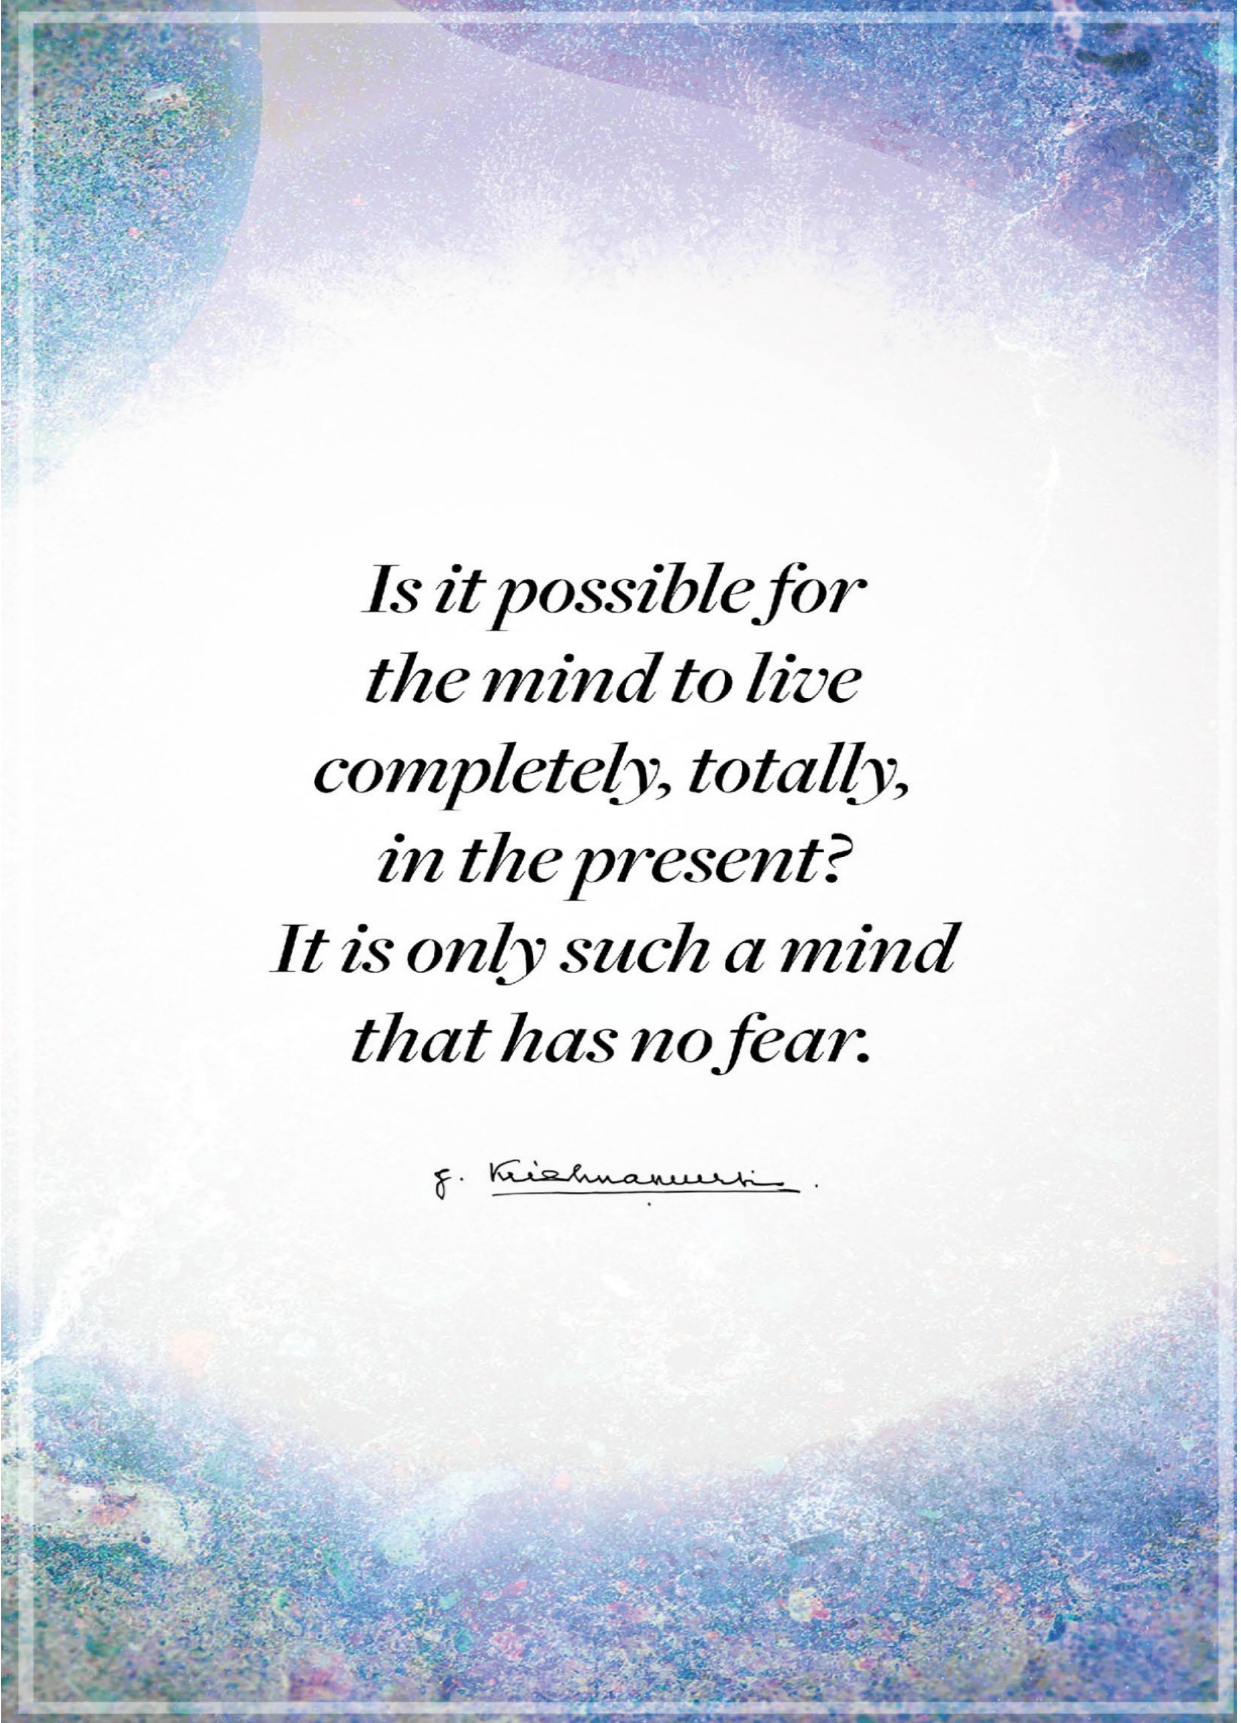

KRISHNAMURTI

*What generally happens
when you begin to suffer?
You immediately seek a remedy
that will ease your suffering.
So gradually in your search
for comfort, you again
put yourself to sleep.*

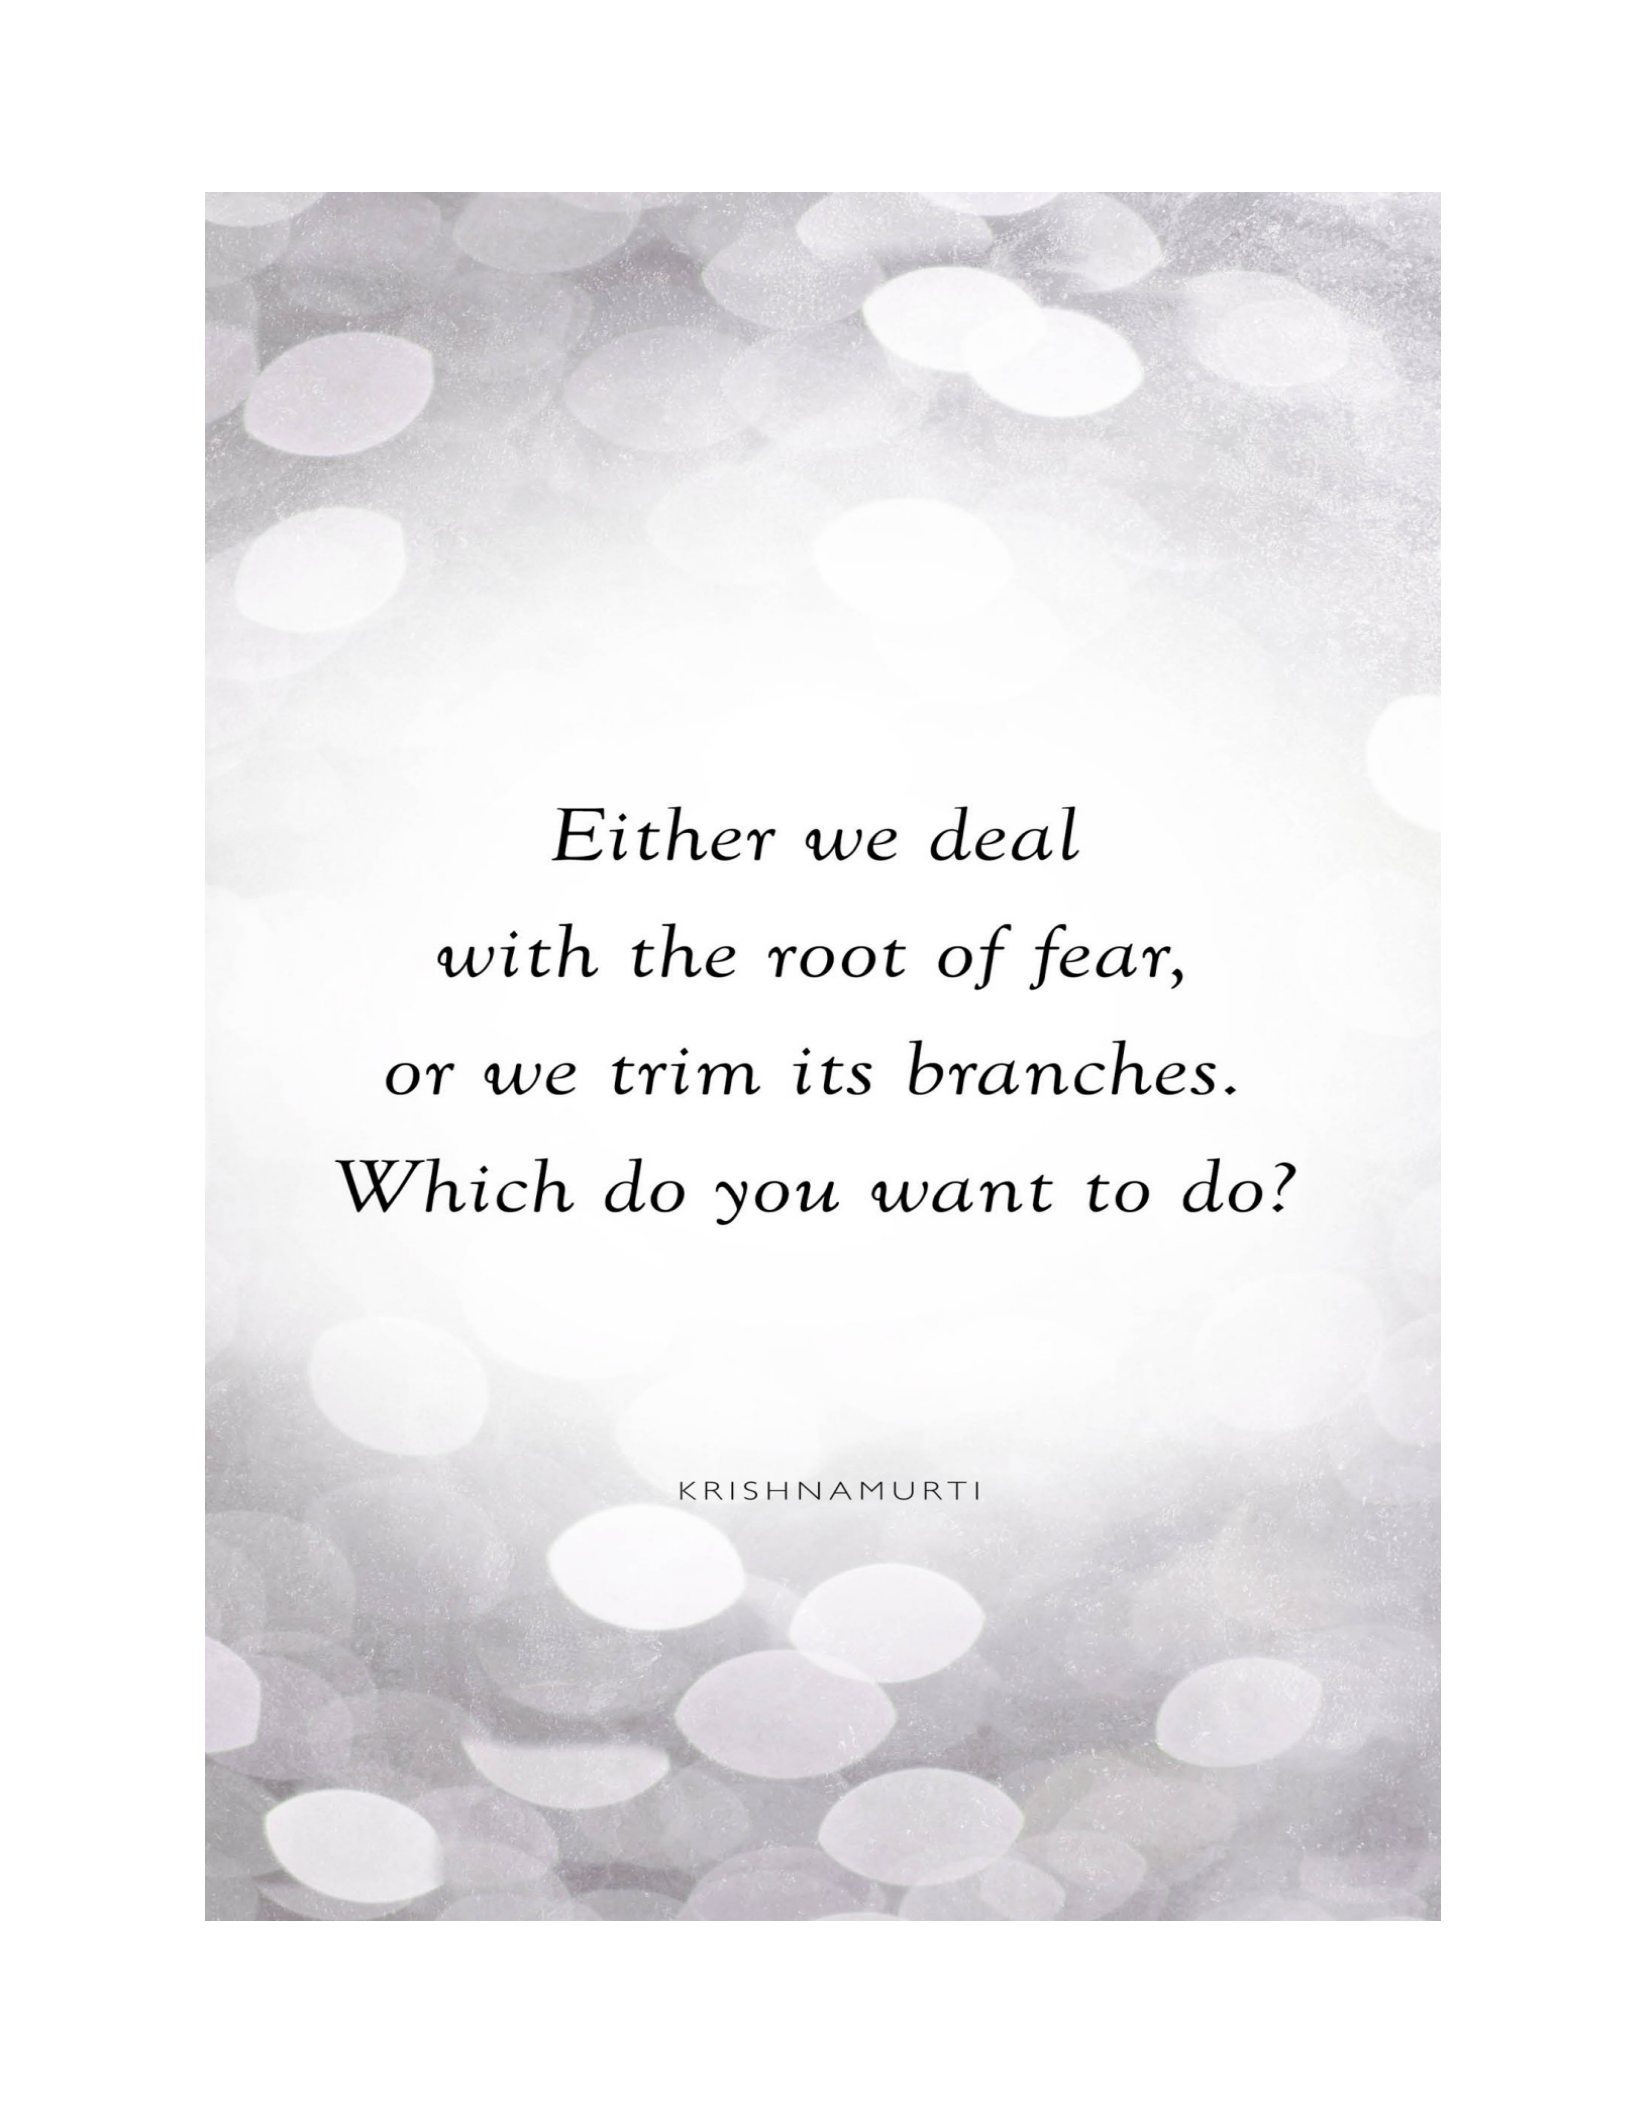

When you close the doors and windows of the house and live inside, you feel safe, secure, unmolested. But life is not like that; life is constantly knocking on the door, trying to push the windows open so that you may see more. But if there is fear and you close all the windows, the knocking grows louder. So the more outward securities you cling to, the more life comes and pushes you.

KRISHNAMURTI

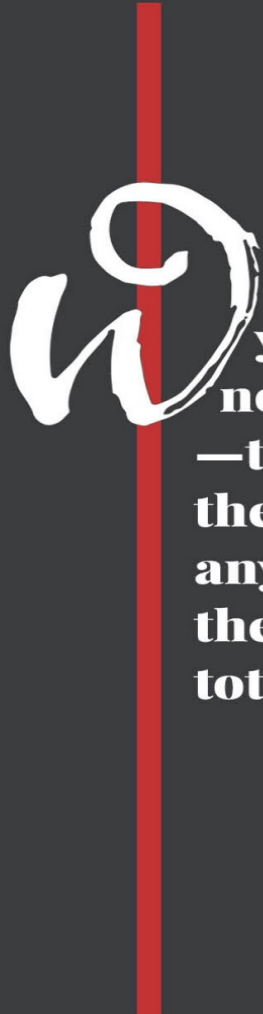

*Is it possible for
the mind to live
completely, totally,
in the present?
It is only such a mind
that has no fear.*

g. Krishnamurti.

*Either we deal
with the root of fear,
or we trim its branches.
Which do you want to do?*

KRISHNAMURTI

**When you see that
you are a part of fear,
not separate from it
—that you are fear—
then you cannot do
anything about it;
then fear comes
totally to an end.**

K R I S H N A M U R T I

*If you saw
the danger
of your conditioning,
as you see the danger
of a wild animal,
you would drop it
instantly.*

KRISHNAMURTI

*When you fight a
habit you give life
to that habit; and the
fighting becomes
another habit.*

J. Krishnamurti

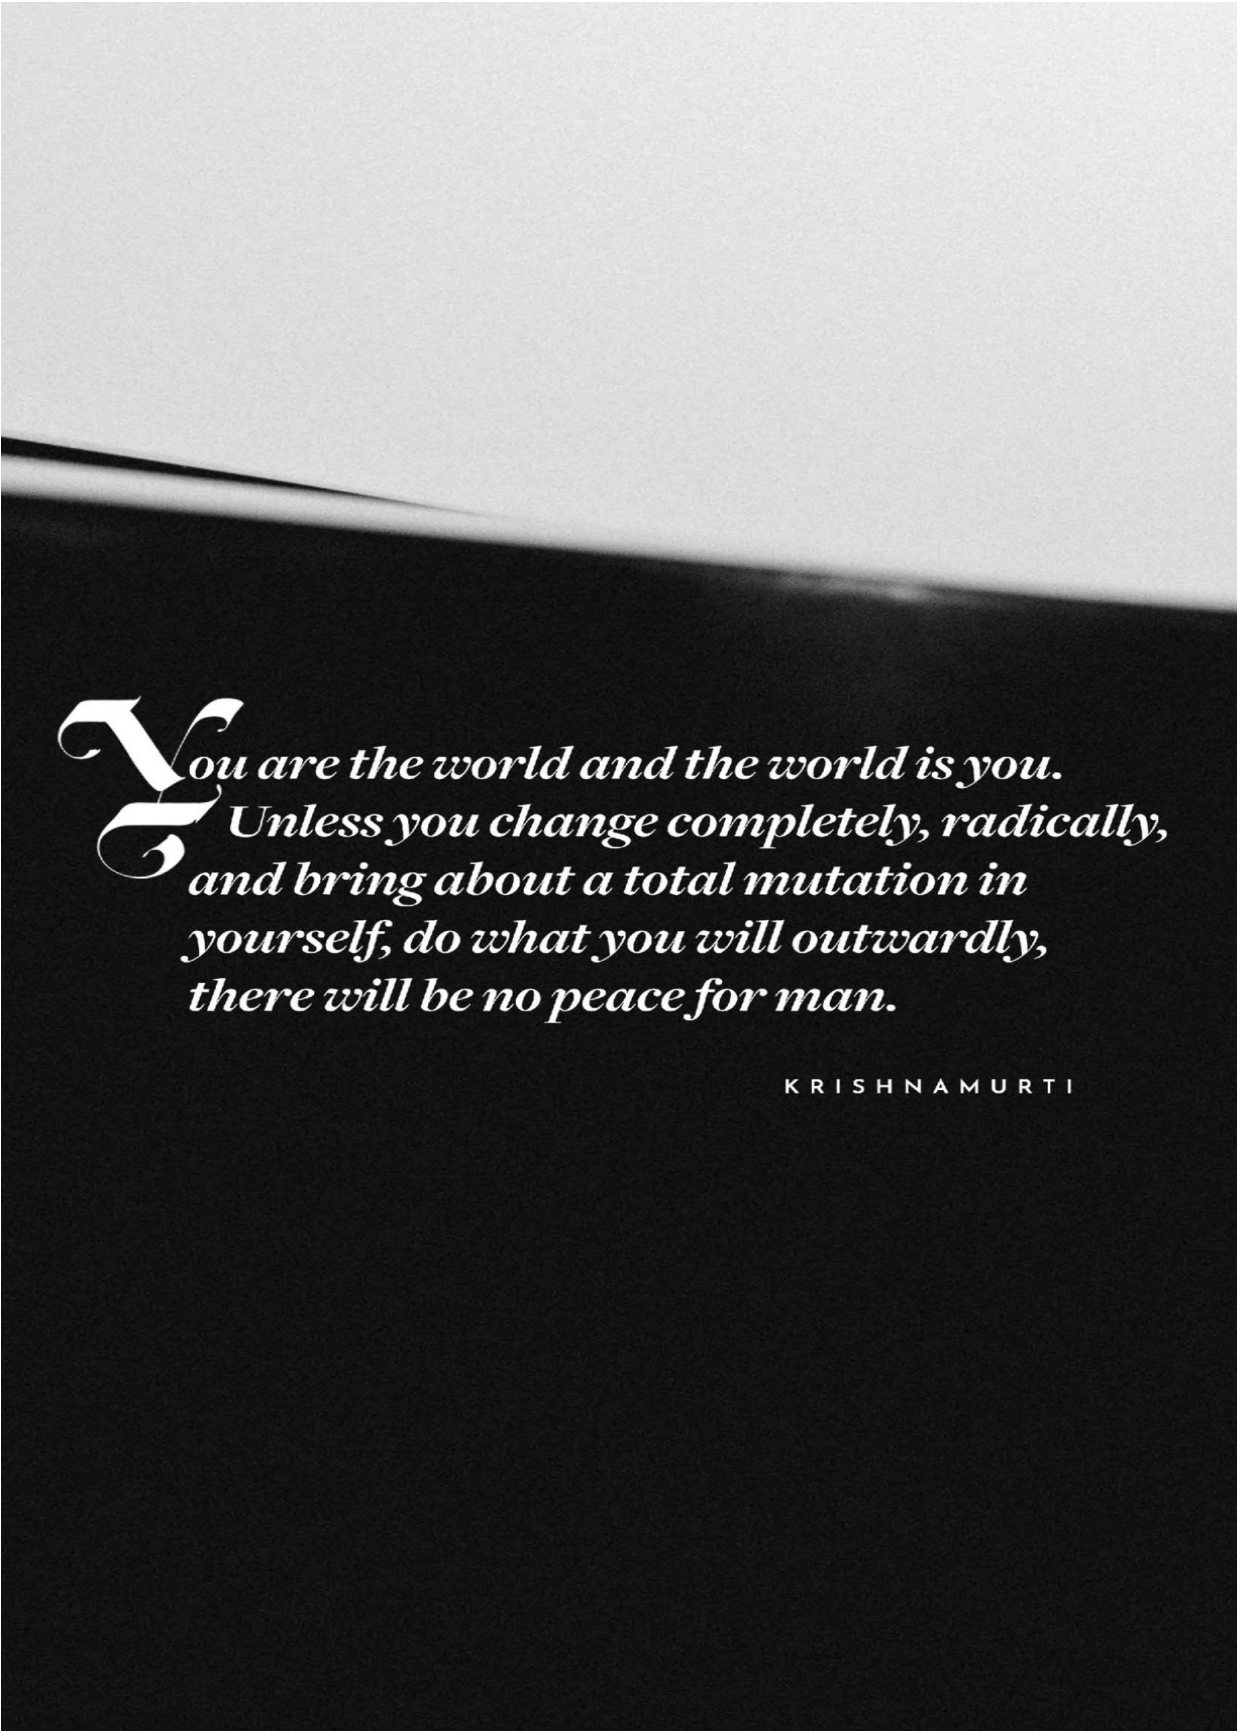

As long as you fight a habit,
you give it vitality.
If you don't fight it,
it will die down very soon.

J. Krishnamurti.

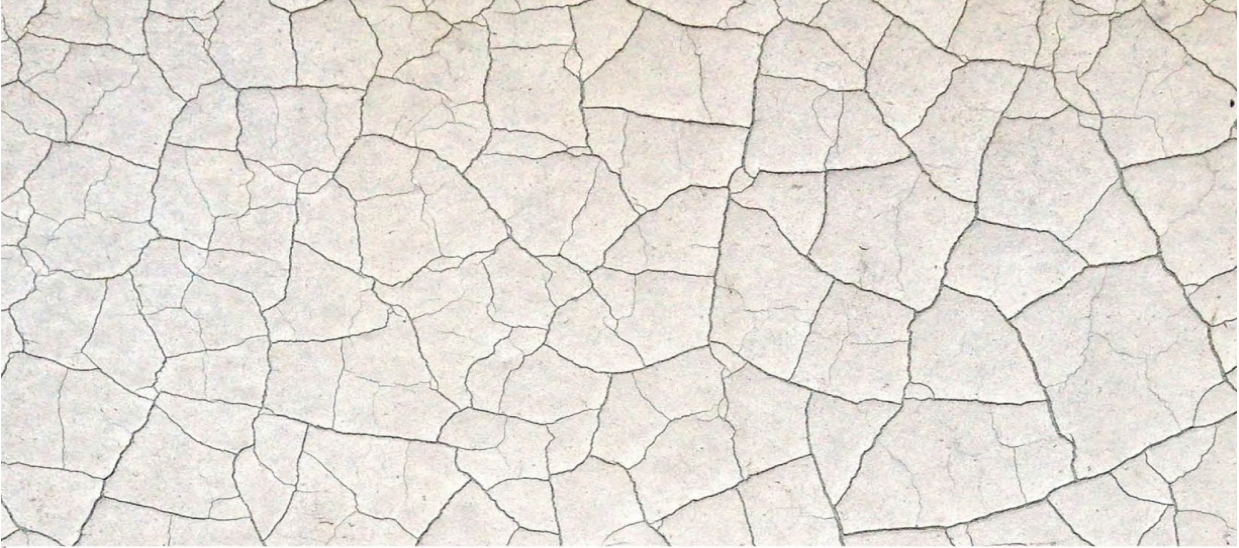

What we are,
the world is.

g. Krishnamurti

*You are the world and the world is you.
Unless you change completely, radically,
and bring about a total mutation in
yourself, do what you will outwardly,
there will be no peace for man.*

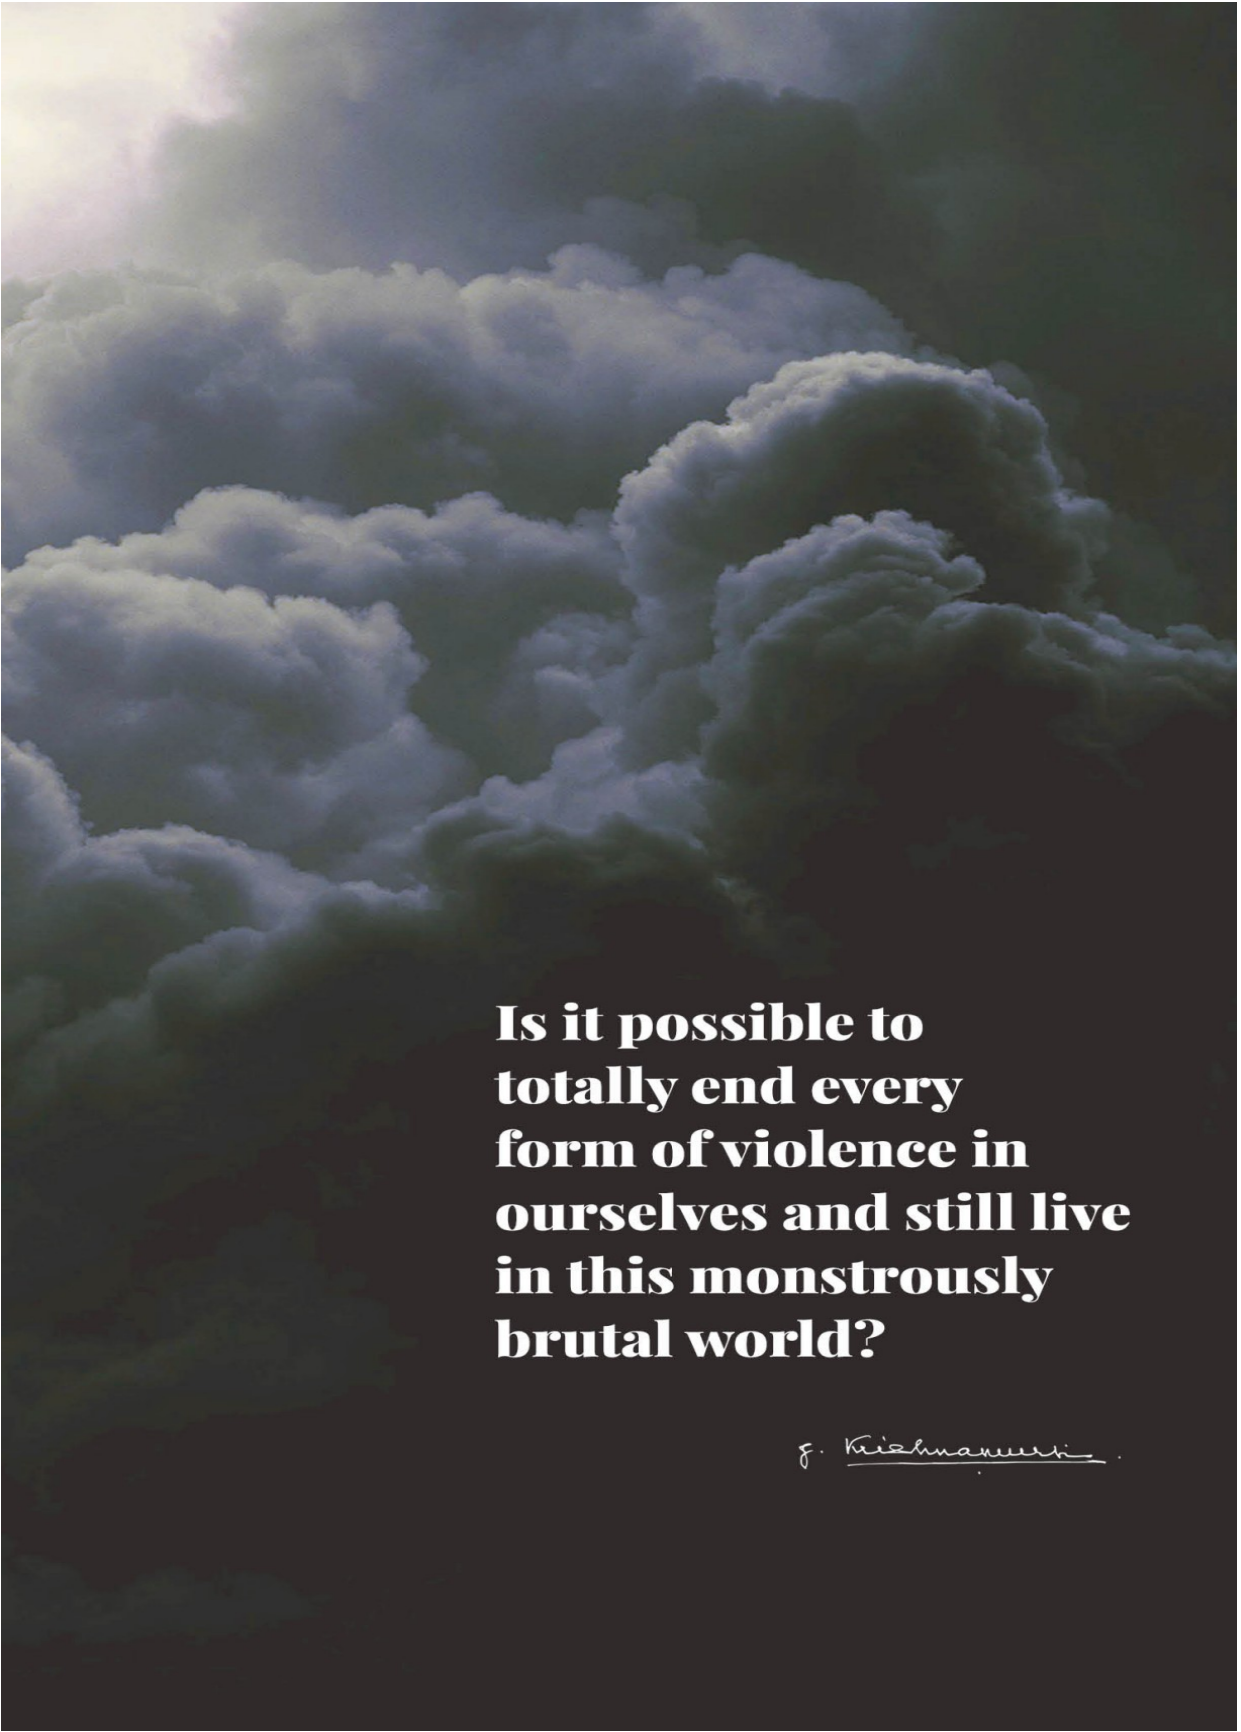

K R I S H N A M U R T I

**Because you and
I have brought
about this catastrophe,
we should be responsible for it,
because no leader, no guru,
no politician, no teacher
is going to save us.**

J. Krishnamurti

**Is it possible to
totally end every
form of violence in
ourselves and still live
in this monstrously
brutal world?**

g. Krishnamurti

*Discontent
is the beginning
of freedom.*

KRISHNAMURTI

*T*HE YOUTH OF TODAY, LIKE ALL YOUTH,
ARE IN REVOLT AGAINST SOCIETY, AND
THAT IS A GOOD THING IN ITSELF, BUT
REVOLT IS NOT FREEDOM BECAUSE WHEN
YOU REVOLT IT IS A REACTION AND THAT
REACTION SETS UP ITS OWN PATTERN,
AND YOU GET CAUGHT IN THAT PATTERN.

KRISHNAMURTI

*Freedom is entirely
different from revolt.
There is no such thing
as doing right or wrong
when there is freedom.
You are free and from
that centre you act.*

g. Krishnamurti

The background of the image is a close-up, high-contrast photograph of several overlapping teal-colored leaves. The leaves are semi-transparent, showing the intricate vein patterns in a lighter shade of teal against a darker background. The lighting creates a soft, ethereal glow, highlighting the delicate structure of the foliage. The overall composition is abstract and organic, providing a naturalistic yet artistic backdrop for the text.

*The thing you fight,
you become.*

J. Krishnamurti

IF YOU SAY, 'I AM FREE,'
THEN YOU ARE NOT FREE.
IT IS LIKE SAYING, 'I AM HAPPY.'
THE MOMENT YOU SAY, 'I AM HAPPY,'
YOU ARE LIVING IN A MEMORY OF
SOMETHING THAT HAS GONE.

———*Krishnamurti*

*You cannot become free gradually.
It is not a matter of time.*

f. Krishnamurti

If you
DO NOT
change now
YOU *will*
NEVER
change.

J. Krishnamurti

*The first step
matters much more
than the last step.
Freedom is not at
the end but at
the beginning.*

KRISHNAMURTI

**'I WILL TRY TO BE FREE,'
IS ONE OF THE MOST DREADFUL STATEMENTS
YOU CAN MAKE, 'I WILL TRY'.**

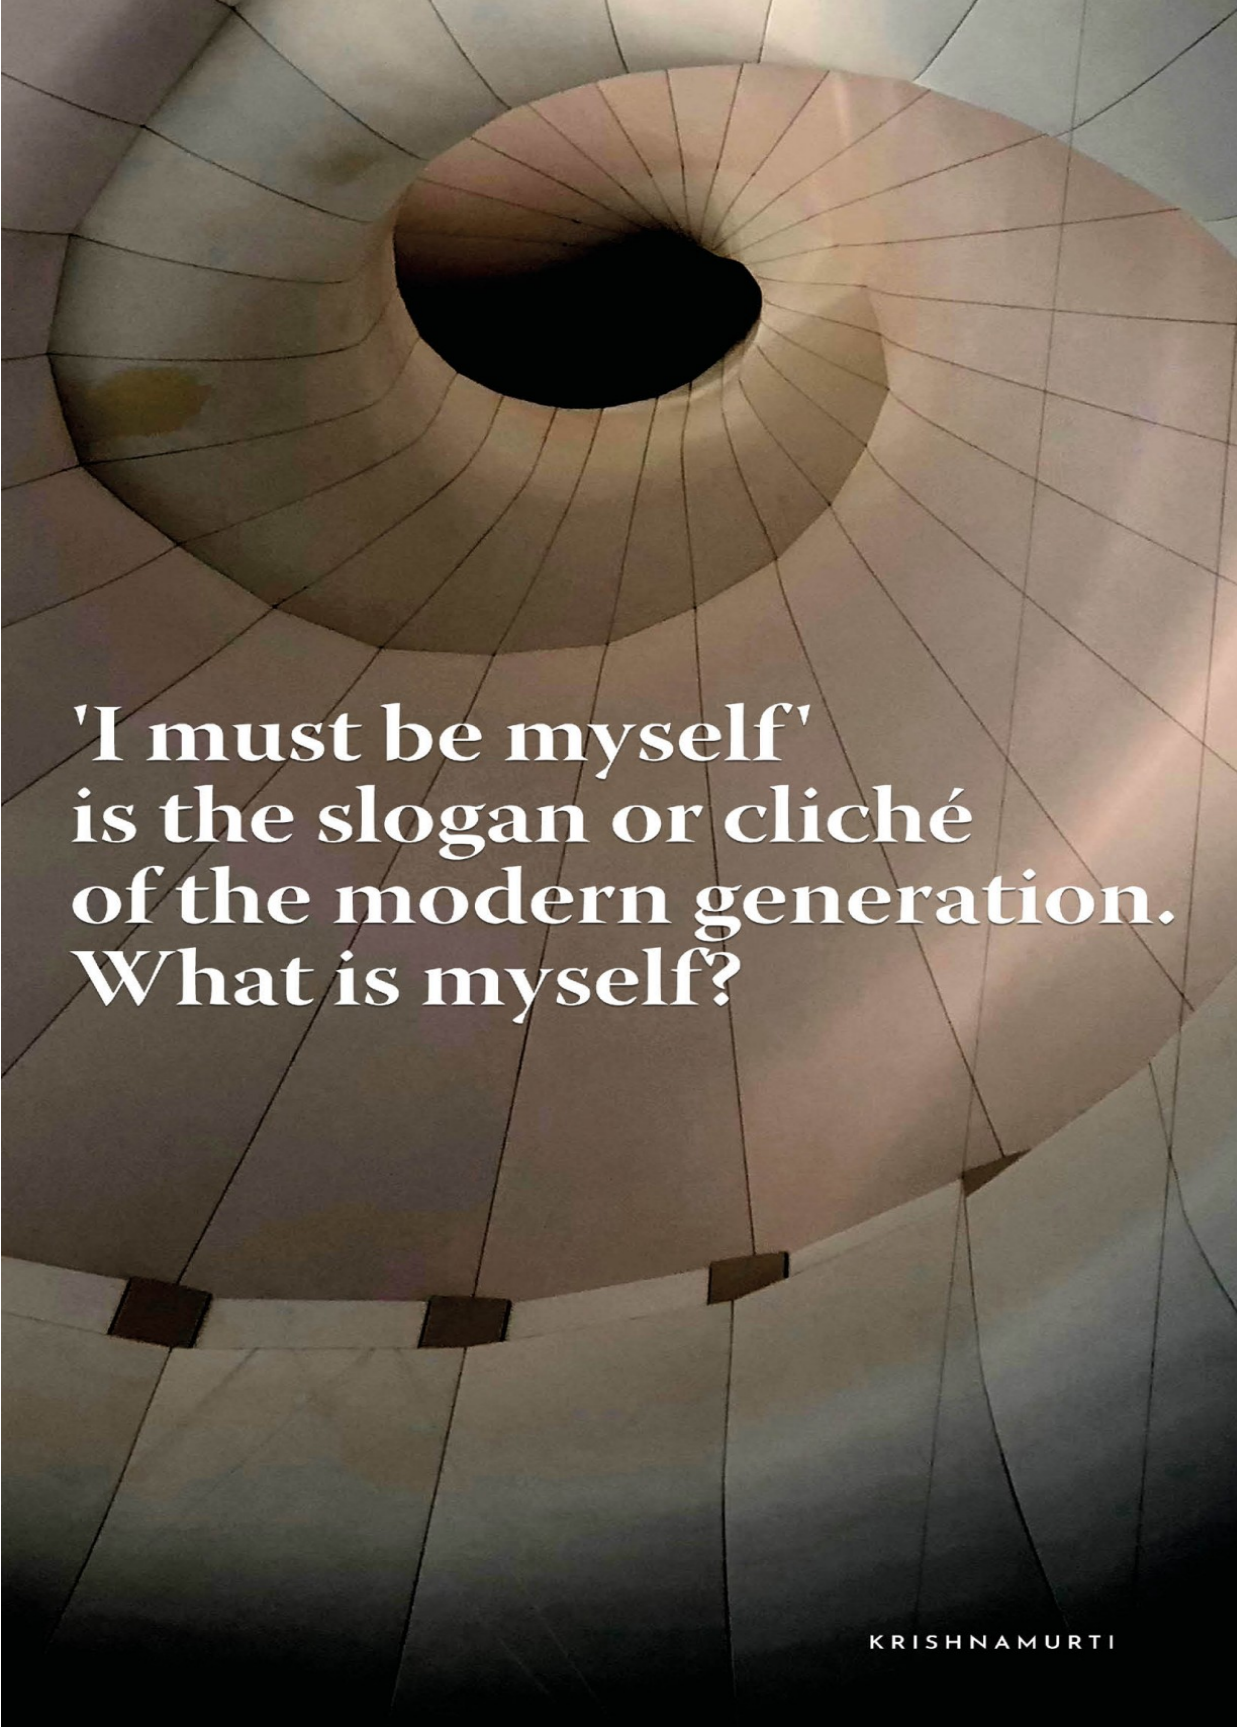

**THERE IS NO TRYING,
NO DOING YOUR BEST. EITHER YOU DO IT
OR YOU DON'T DO IT.**

f. Krishnamurti

*So long as you
are ambitious,
wanting to reach the
top of your society,
seeking achievement and
worshiping success,
you will be a
cause of war.*

KRISHNAMURTI

**'I must be myself'
is the slogan or cliché
of the modern generation.
What is myself?**

KRISHNAMURTI

There is
hope
in **man,**
not in.
society,
not in
systems,
but in **you**
and in
me.

f. Krishnamurti .

*The morality of society
is totally immoral*

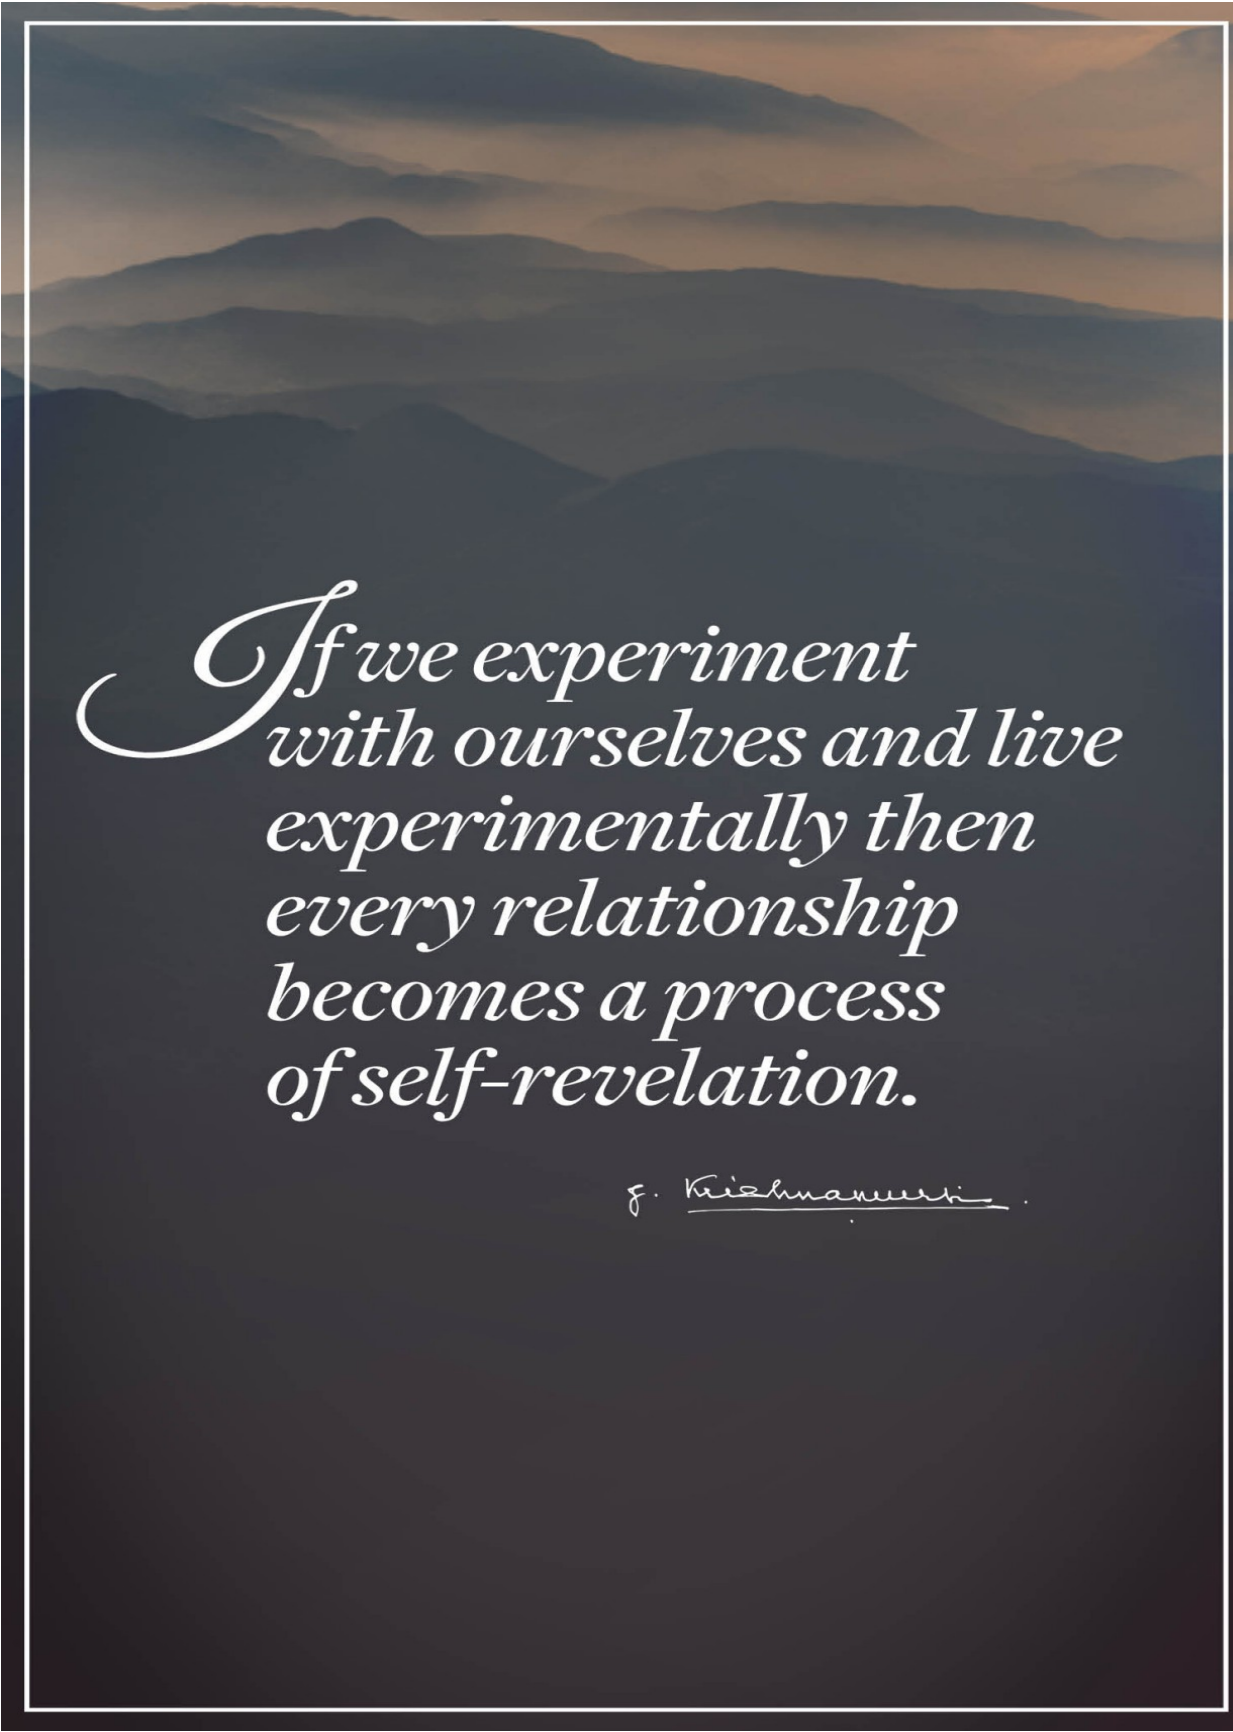

KRISHNAMURTI

What sex gives you momentarily is the total abandonment of yourself, but then you are back again with your turmoil, so you want a repetition over and over again of that state in which there is no worry, no problem, no self.

J. Krishnamurti

**As long as you belong to me
I love you but the moment
you don't, I begin to hate you.
As long as I can rely on you to
satisfy my demands, sexual
and otherwise, I love you but
the moment you cease to supply
what I want I don't like you.**

f. Krishnamurti

*If we experiment
with ourselves and live
experimentally then
every relationship
becomes a process
of self-revelation.*

S. Krishnamurti

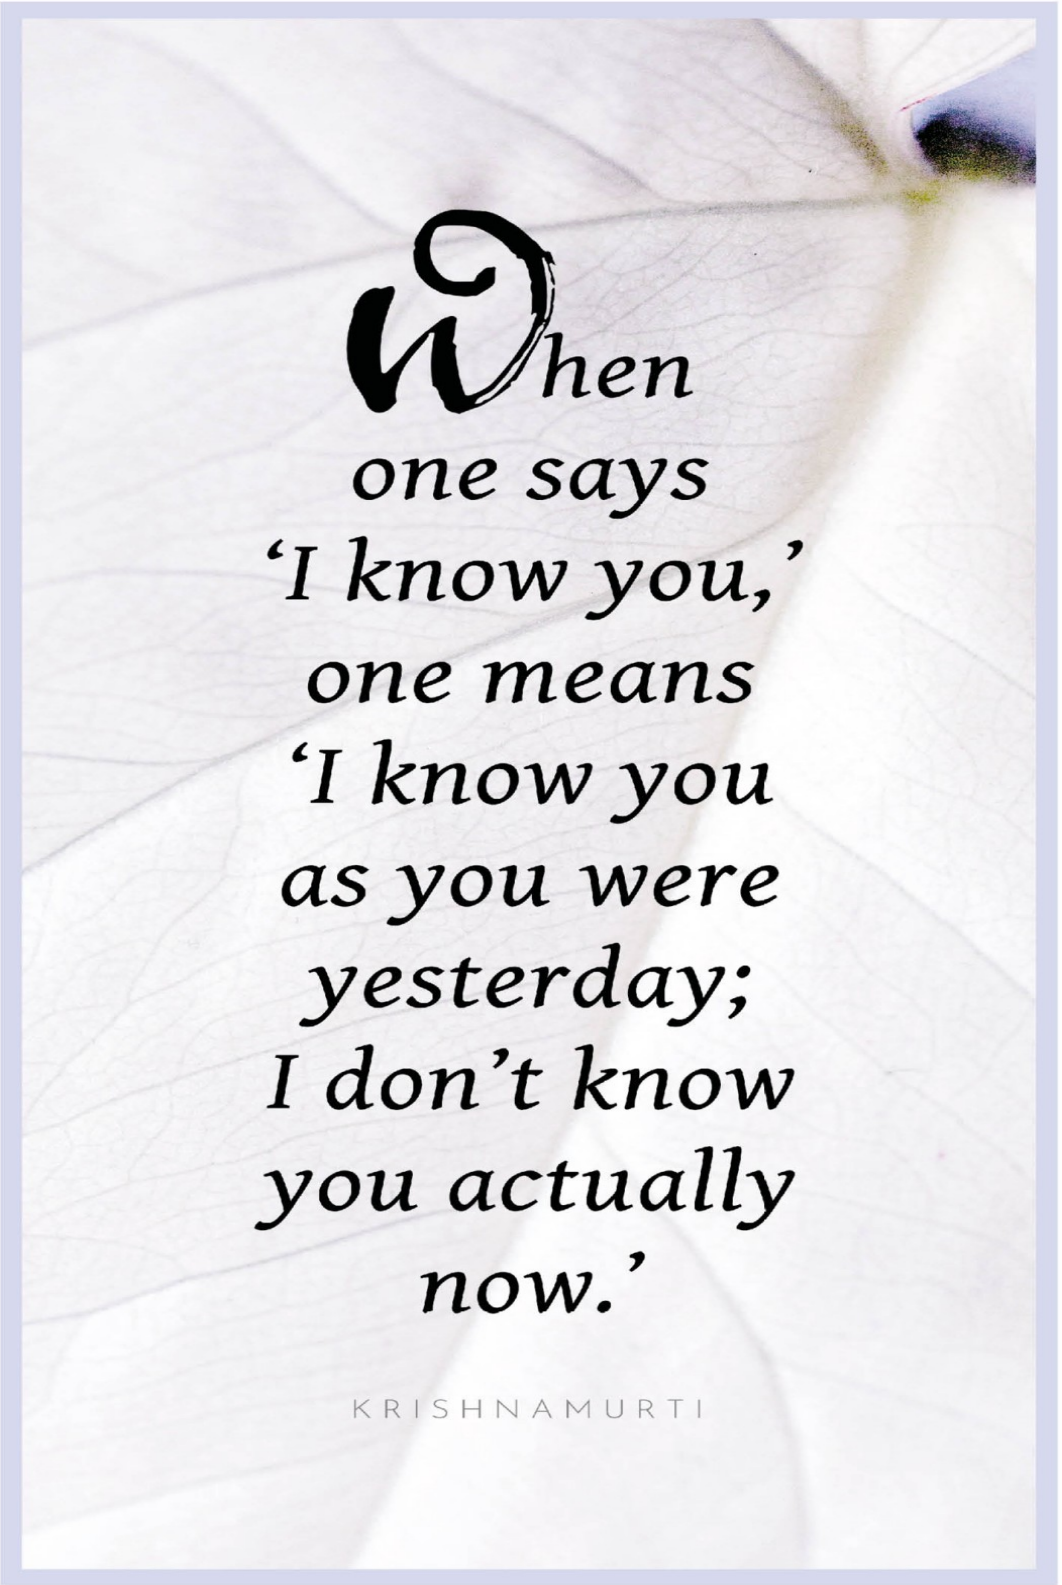

*Next time
somebody
insults you
or flatters you,
be totally
aware.*

K R I S H N A M U R T I

*If I have an image about you
and you have an image about me,
naturally we don't see each other
at all as we actually are. What we see are
the images we have formed about each
other which prevent us from being
in contact, and that is why our
relationships go wrong.*

f. Krishnamurti .

*When
one says
'I know you,'
one means
'I know you
as you were
yesterday;
I don't know
you actually
now.'*

KRISHNAMURTI

*I see you
through
my image.
So actually
I don't see
you at all!*

K R I S H N A M U R T I

*Can you look
at your wife
or husband
as though for
the first time?*

KRISHNAMURTI

WHEN ONE SEES
WHAT IS FALSE
AND WHAT IS TRUE,
AND ACTS,
THERE IS NO QUESTION
OF HURTING OR
PLEASING ANYBODY.

KRISHNAMURTI

**Take human beings as they are,
not what you think they should be.**

J. Krishnamurti

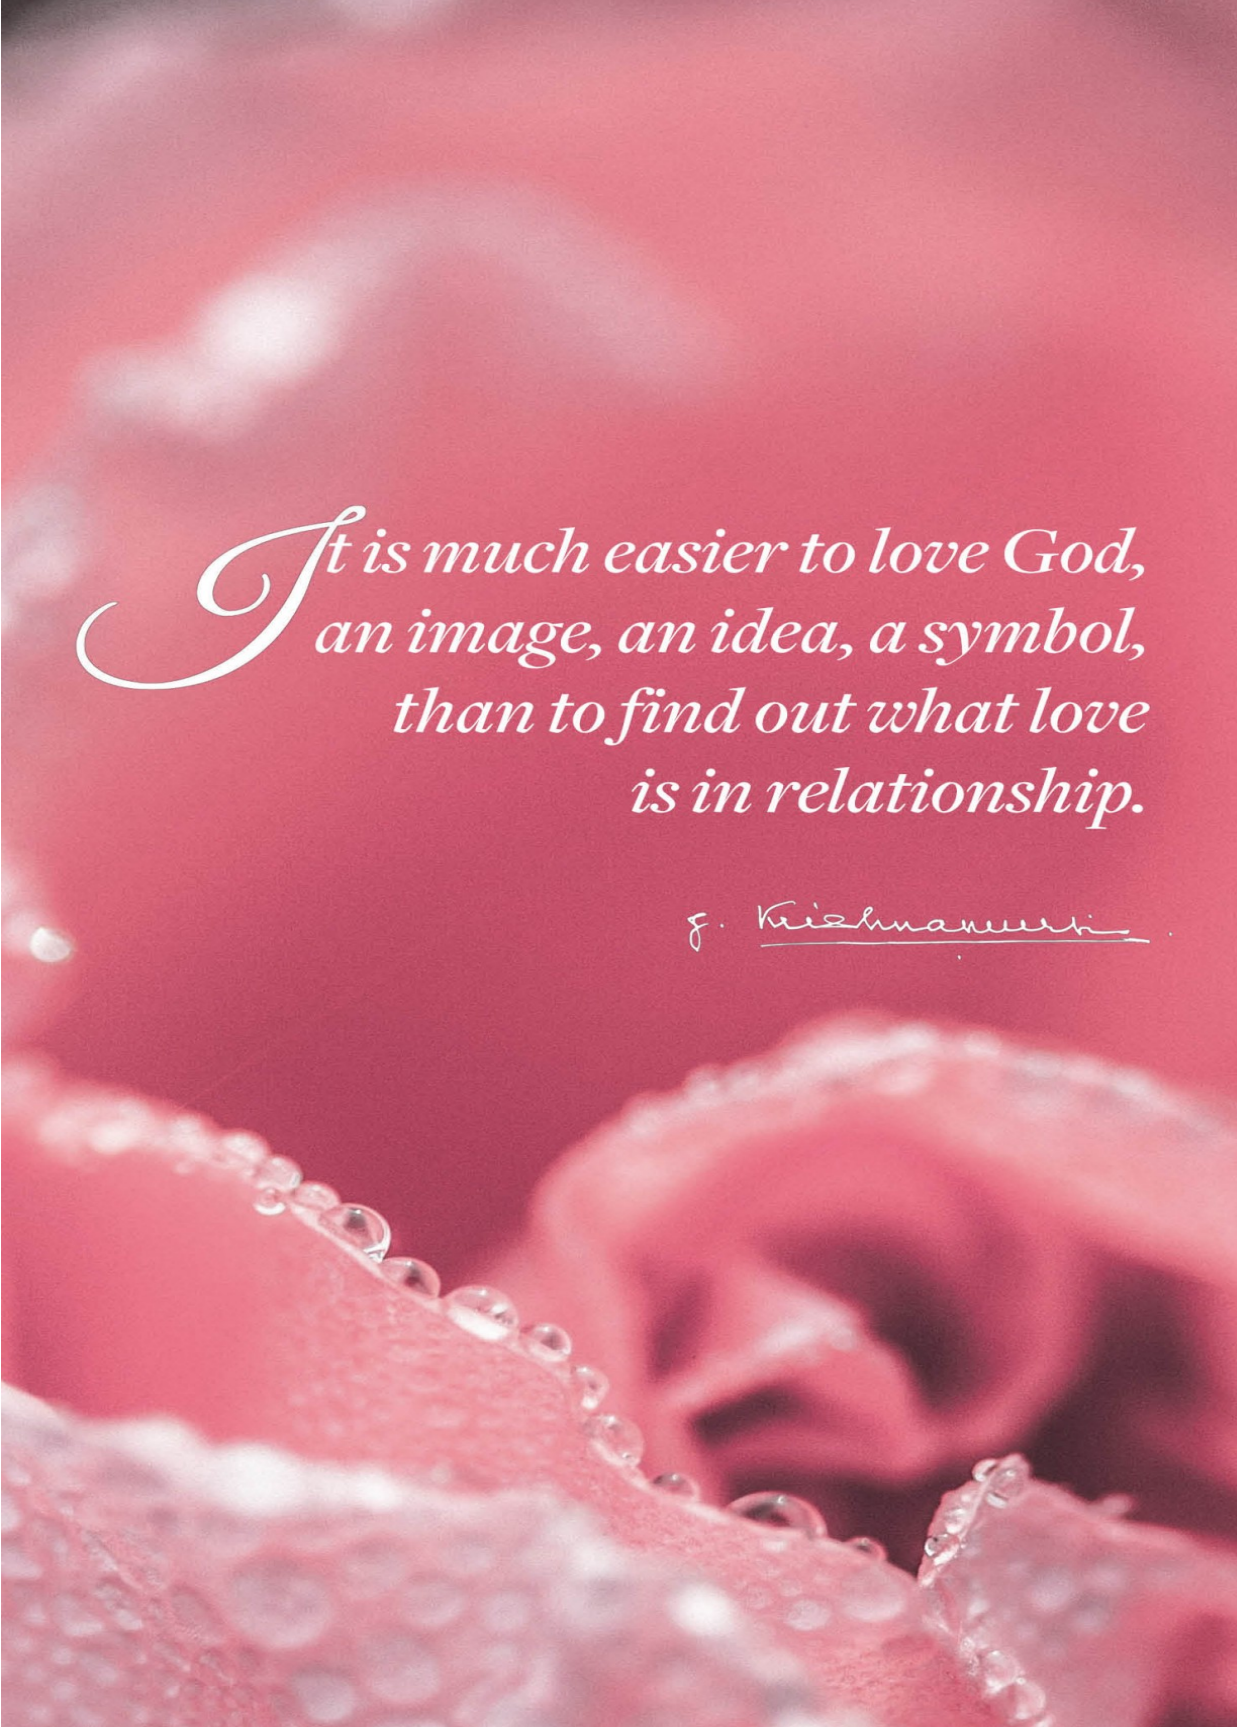

Don't you have
an image about yourself?
That you are great, or not great,
that you are this, that?
When you live with images,
you are living with illusions,
not with reality.

KRISHNAMURTI

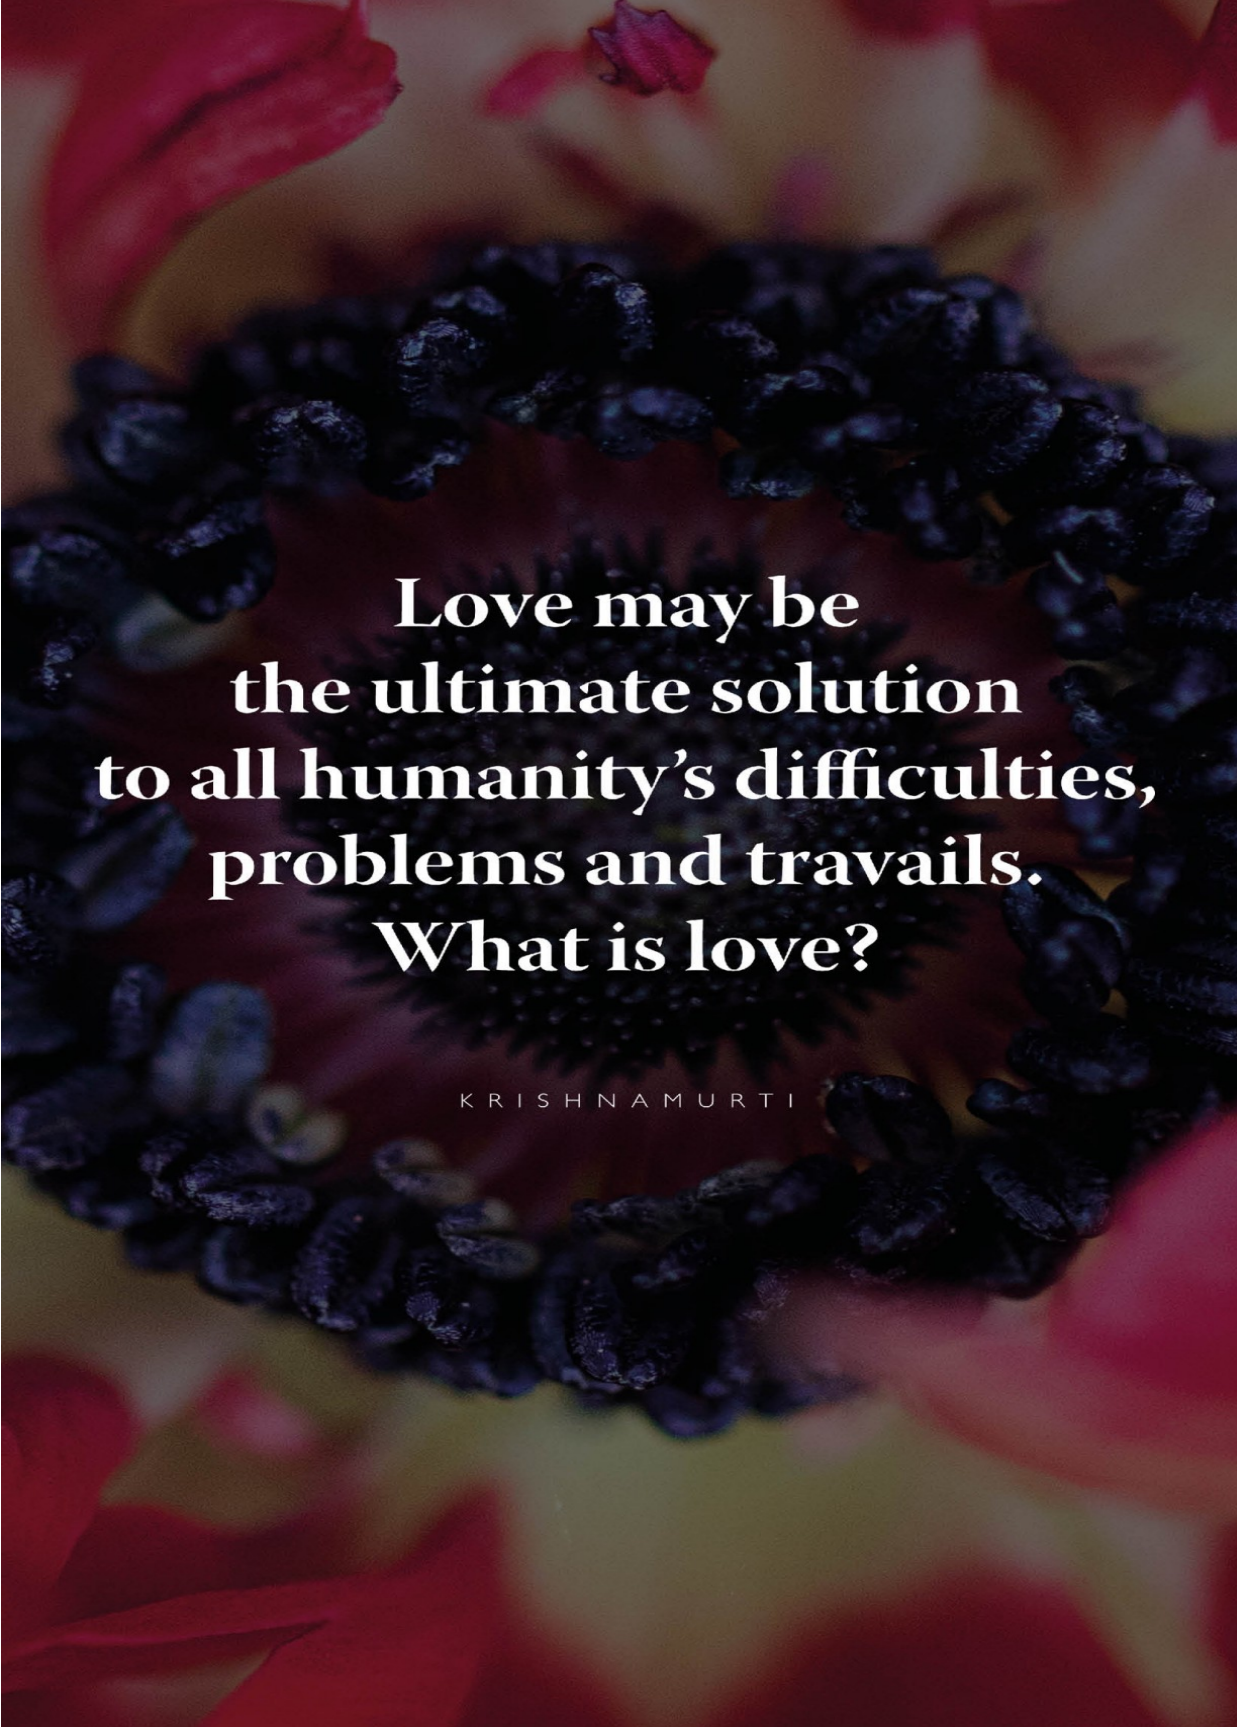

To be is to be related;
there is no such thing
as isolated being.

KRISHNAMURTI

*It is much easier to love God,
an image, an idea, a symbol,
than to find out what love
is in relationship.*

J. Krishnamurti

**Love may be
the ultimate solution
to all humanity's difficulties,
problems and travails.
What is love?**

K R I S H N A M U R T I

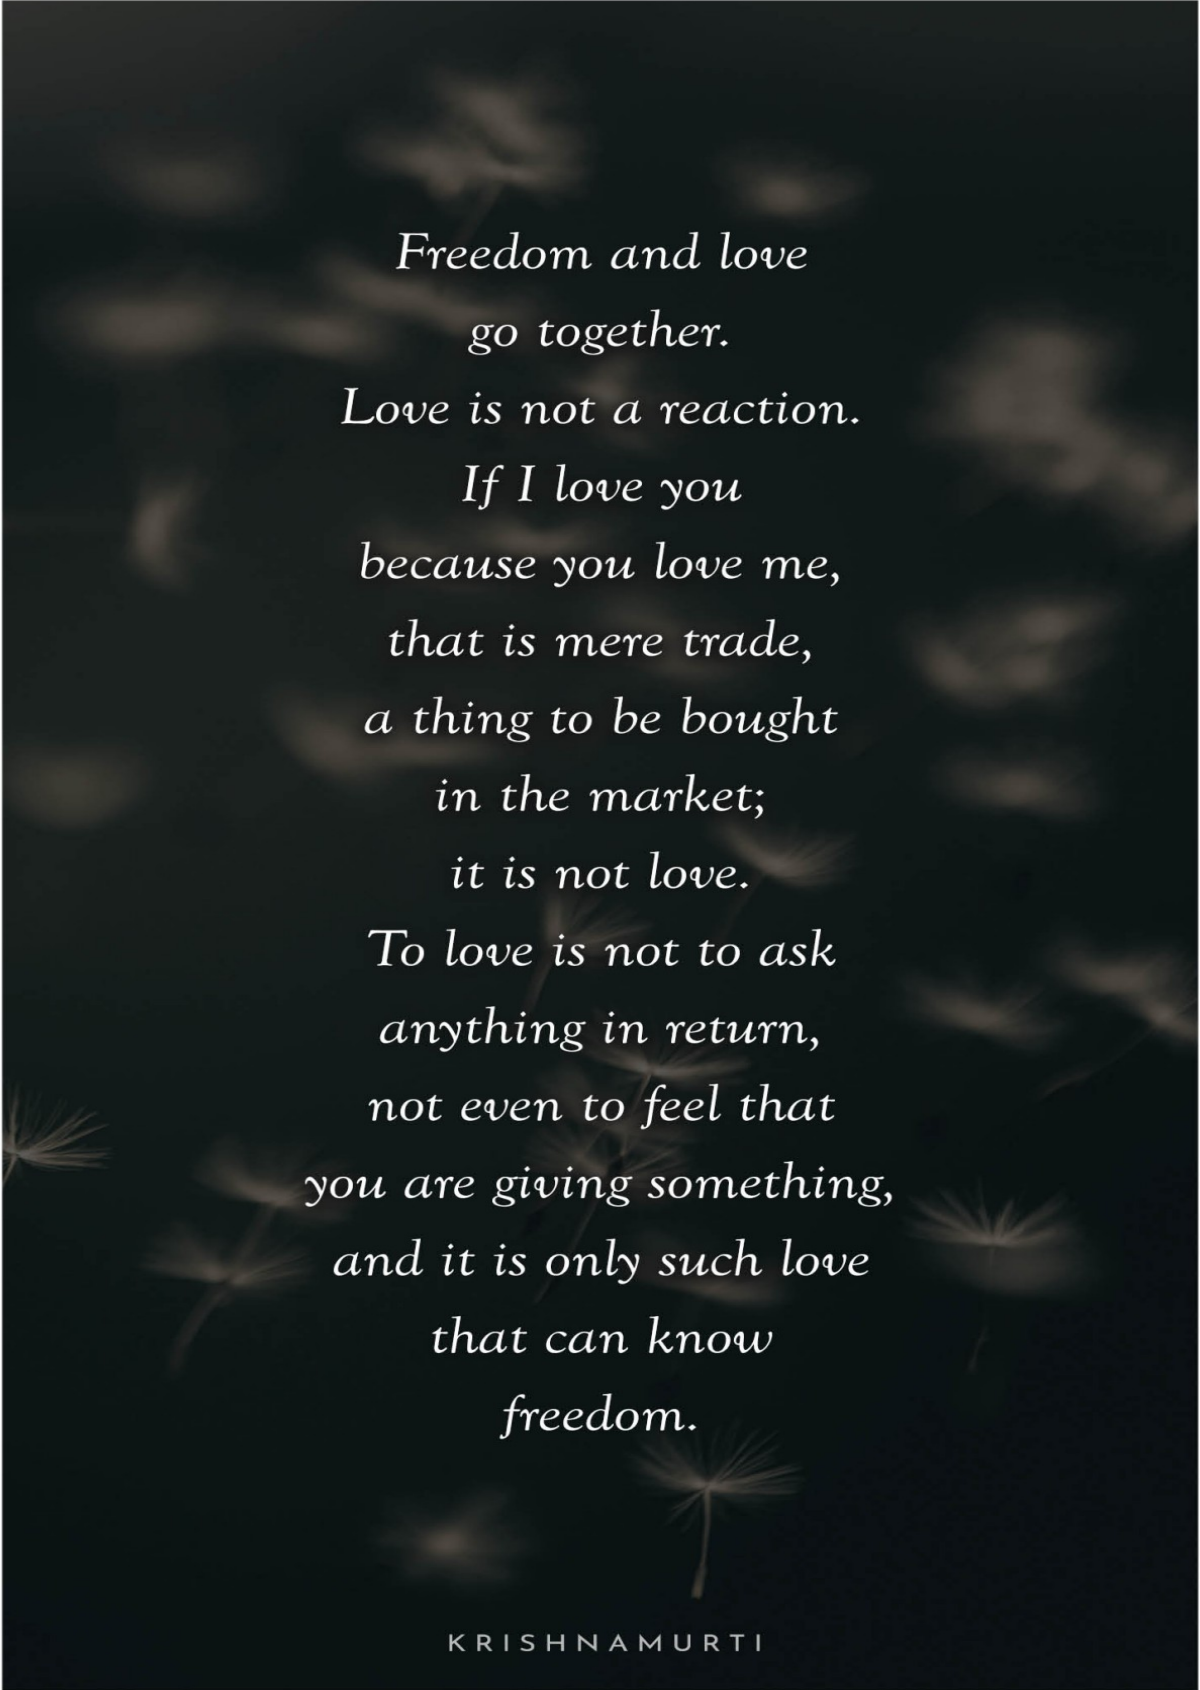

**When you ask what love is,
you may be too frightened
to see the answer. It may mean
complete upheaval; you may
discover that you do not love your
wife or husband or children;
you may have to shatter the house
you have built, you may never go
back to the temple or church.**

K R I S H N A M U R T I

*What is love?
It is to meet another
with the same intensity,
at the same level,
at the same time.*

S. Krishnamurti

*Freedom and love
go together.
Love is not a reaction.
If I love you
because you love me,
that is mere trade,
a thing to be bought
in the market;
it is not love.
To love is not to ask
anything in return,
not even to feel that
you are giving something,
and it is only such love
that can know
freedom.*

KRISHNAMURTI

BELONGING TO ANOTHER,
BEING PSYCHOLOGICALLY NOURISHED BY ANOTHER,
DEPENDING ON ANOTHER – IN ALL THIS THERE MUST
ALWAYS BE ANXIETY, FEAR, JEALOUSY, GUILT,
AND SO LONG AS THERE IS FEAR
THERE IS NO LOVE.

KRISHNAMURTI

**When desire and pleasure
are not associated with
love, then love is intense.
It is, like beauty, something
totally new every day.**

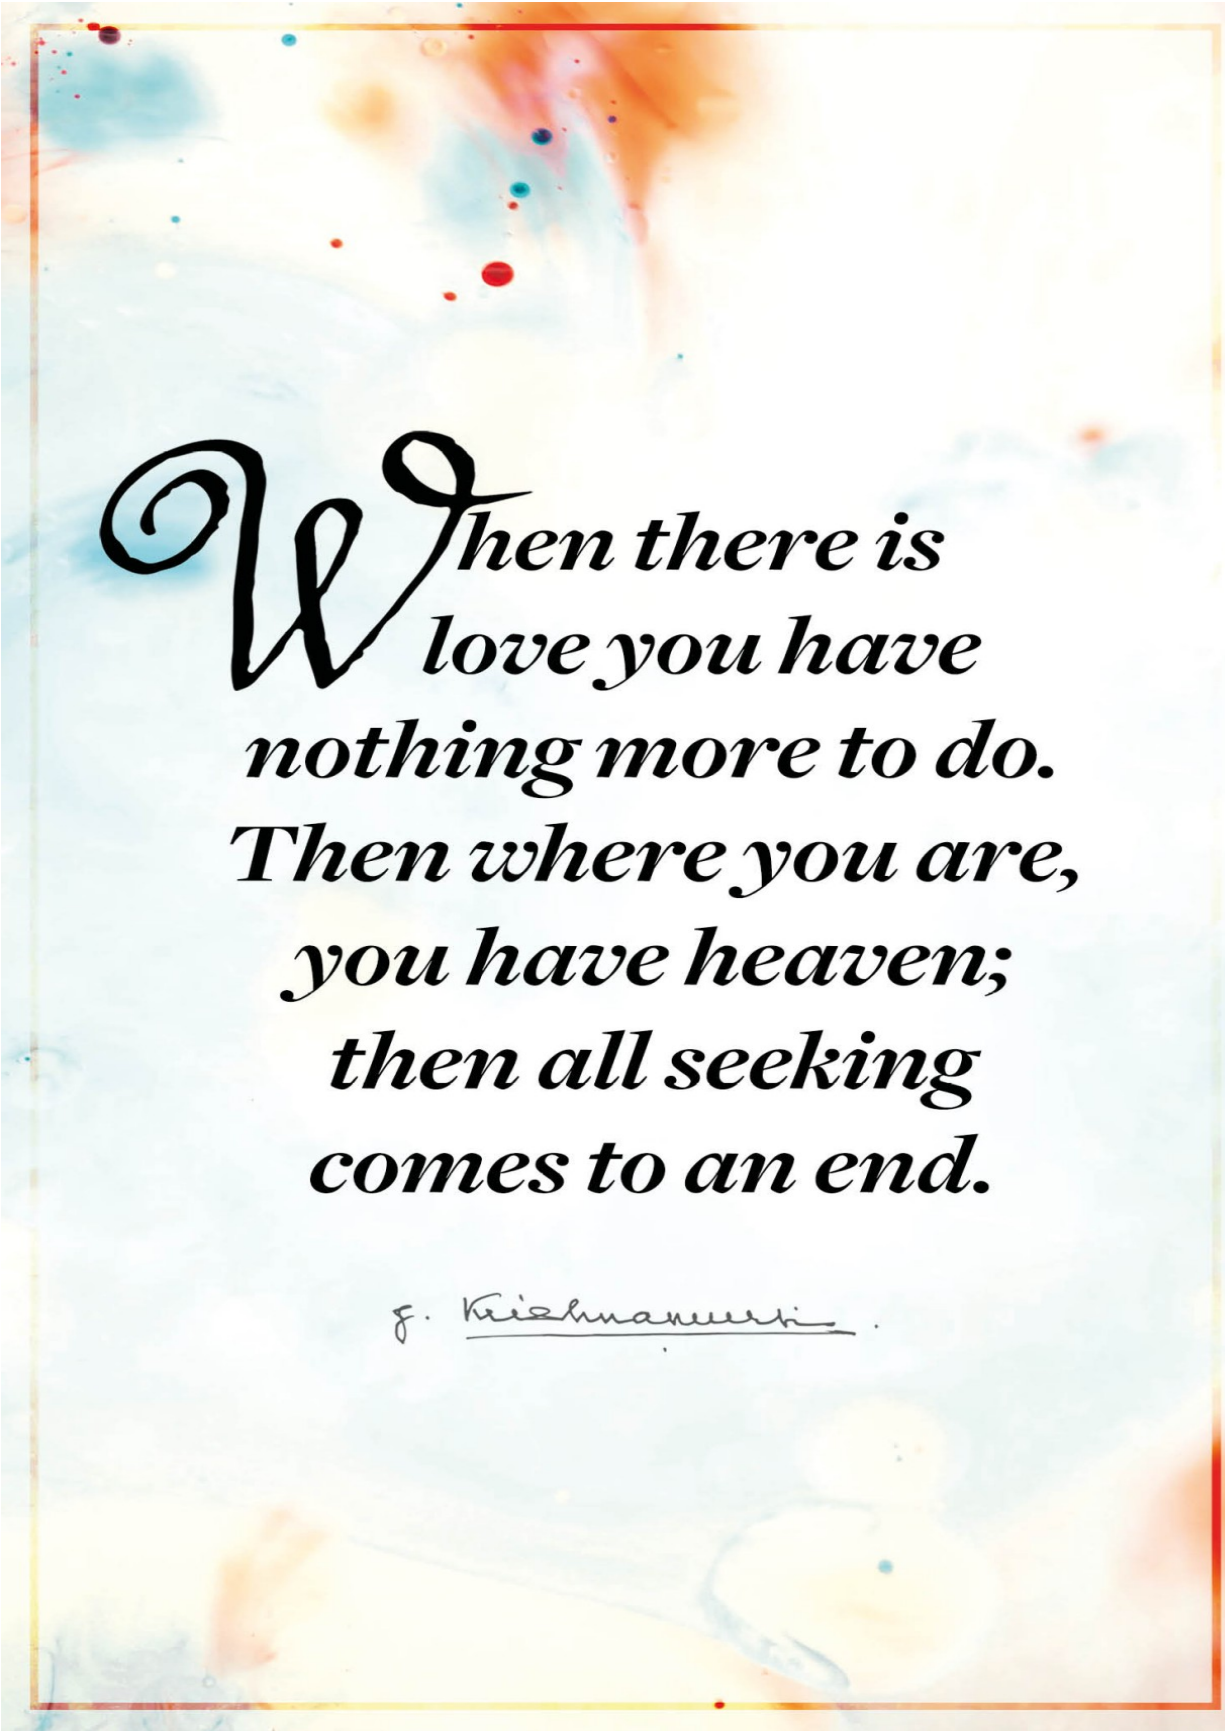

J. Krishnamurti

**Love is always
active present.**

**It is not 'I will love'
or 'I have loved'.**

KRISHNAMURTI

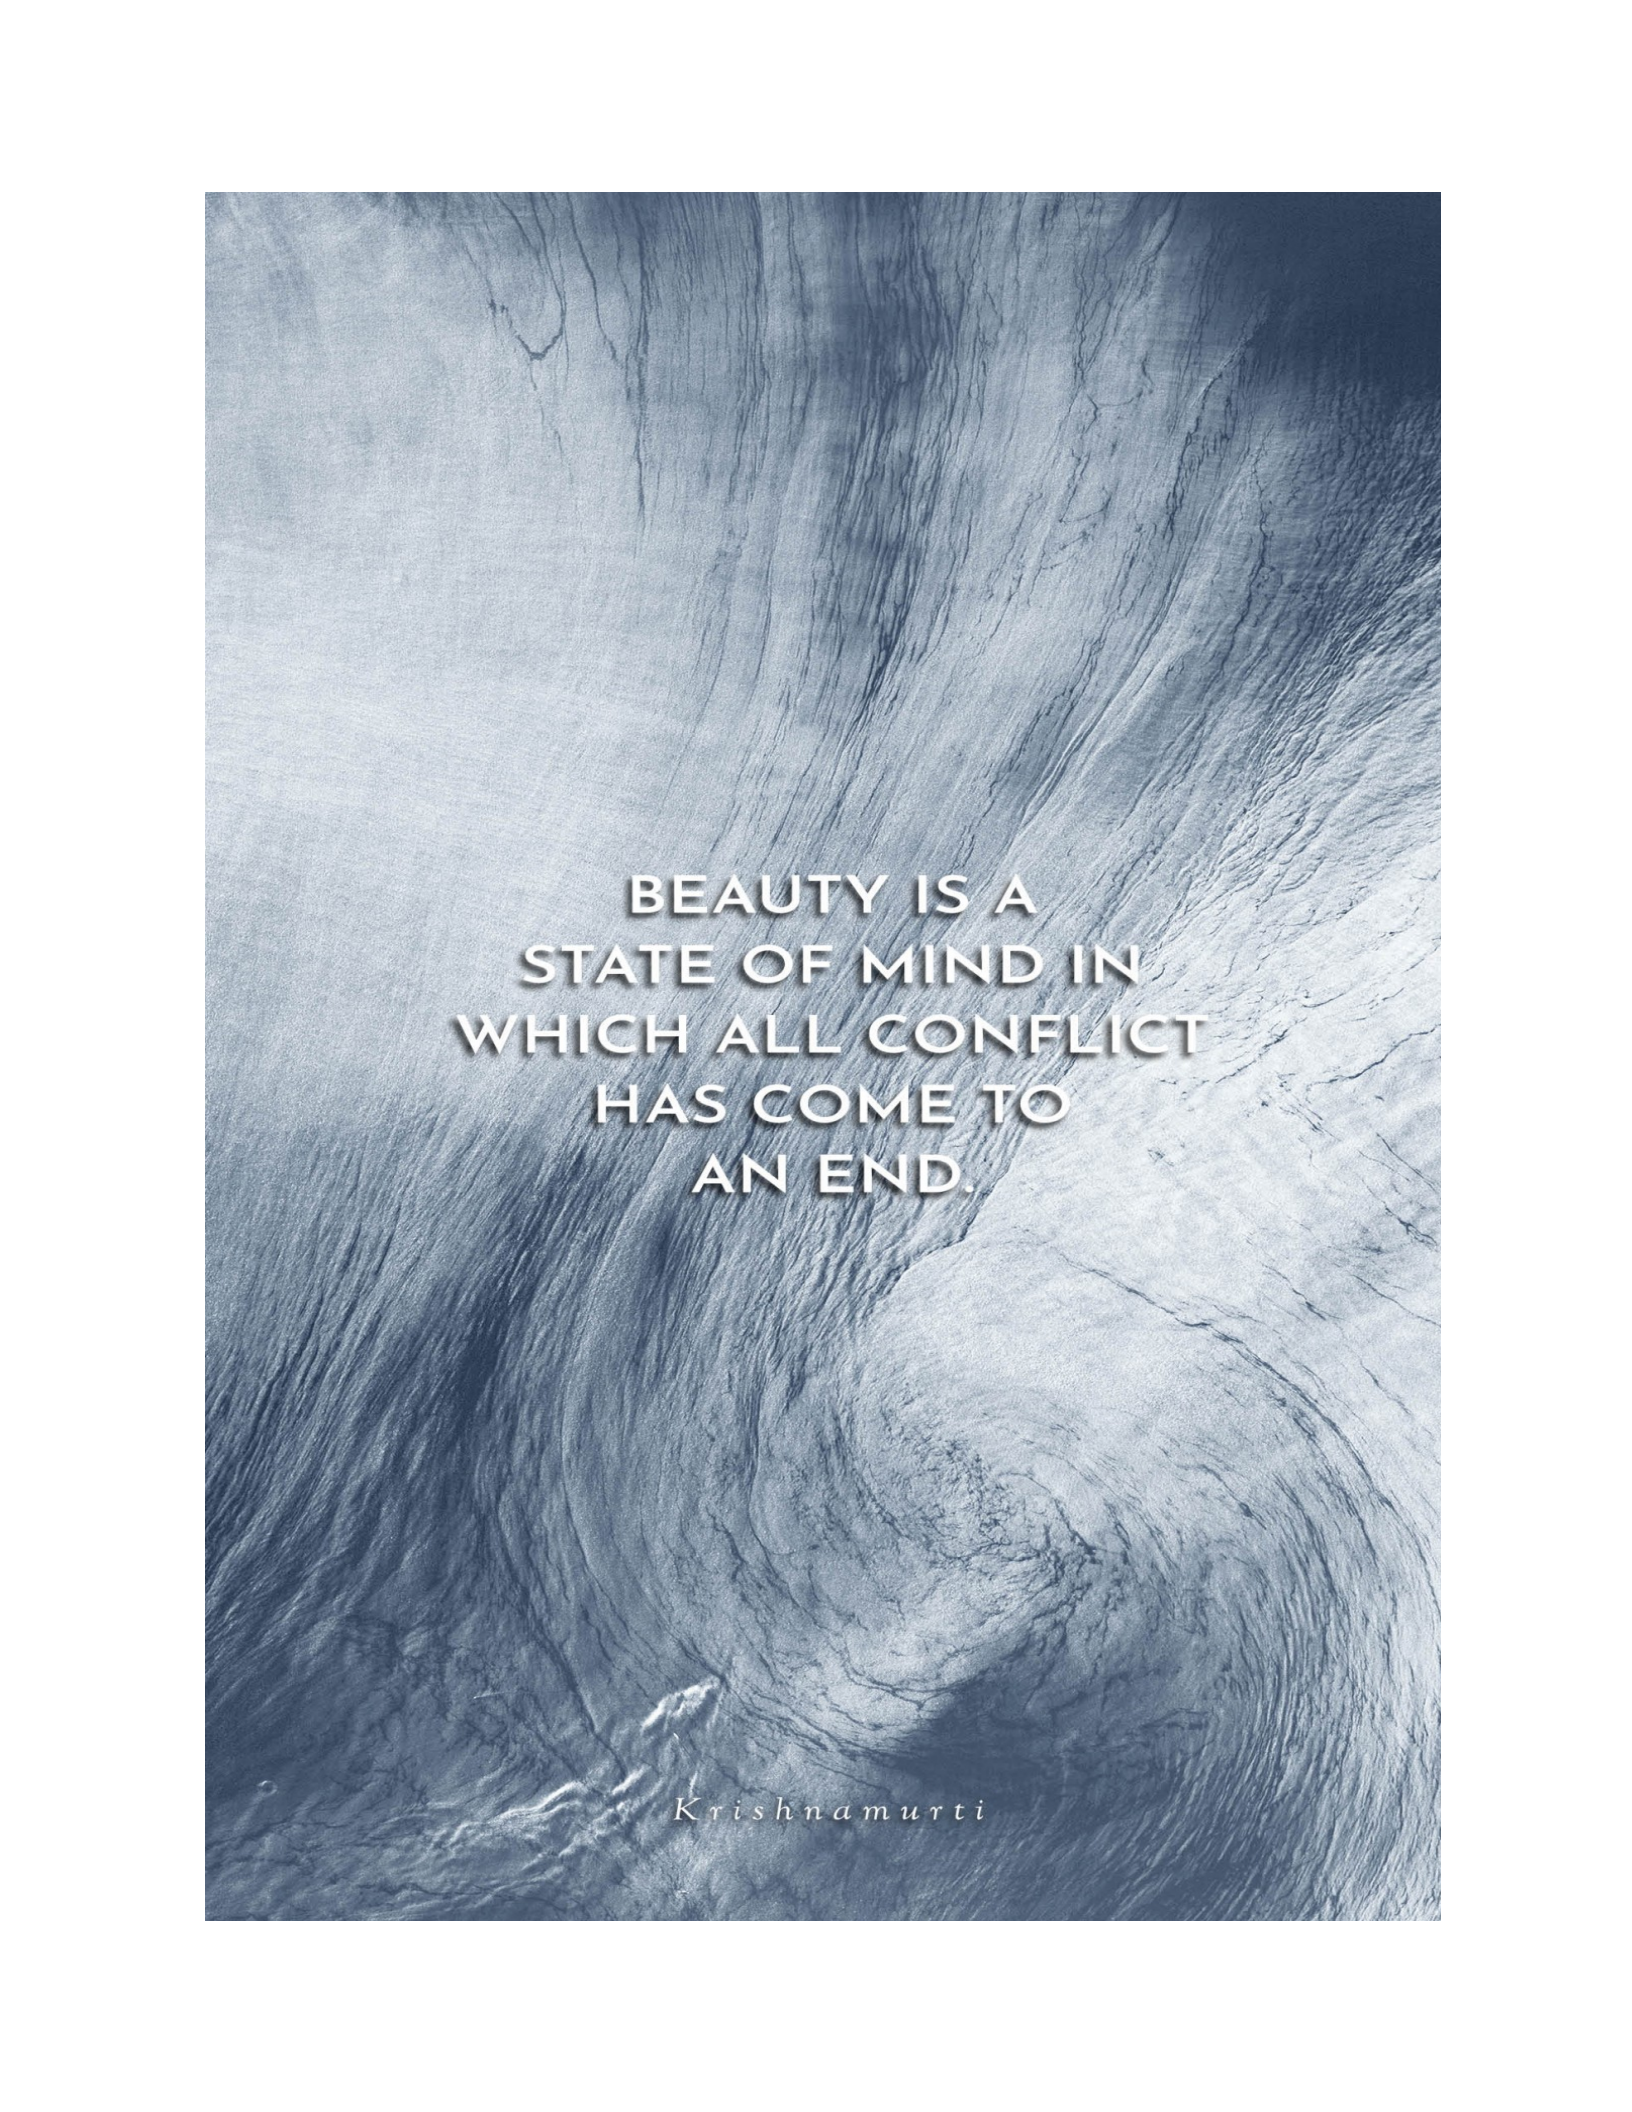

*When there is
love you have
nothing more to do.
Then where you are,
you have heaven;
then all seeking
comes to an end.*

J. Krishnamurti

*Love can do nothing,
but without it
nothing can be done.*

KRISHNAMURTI

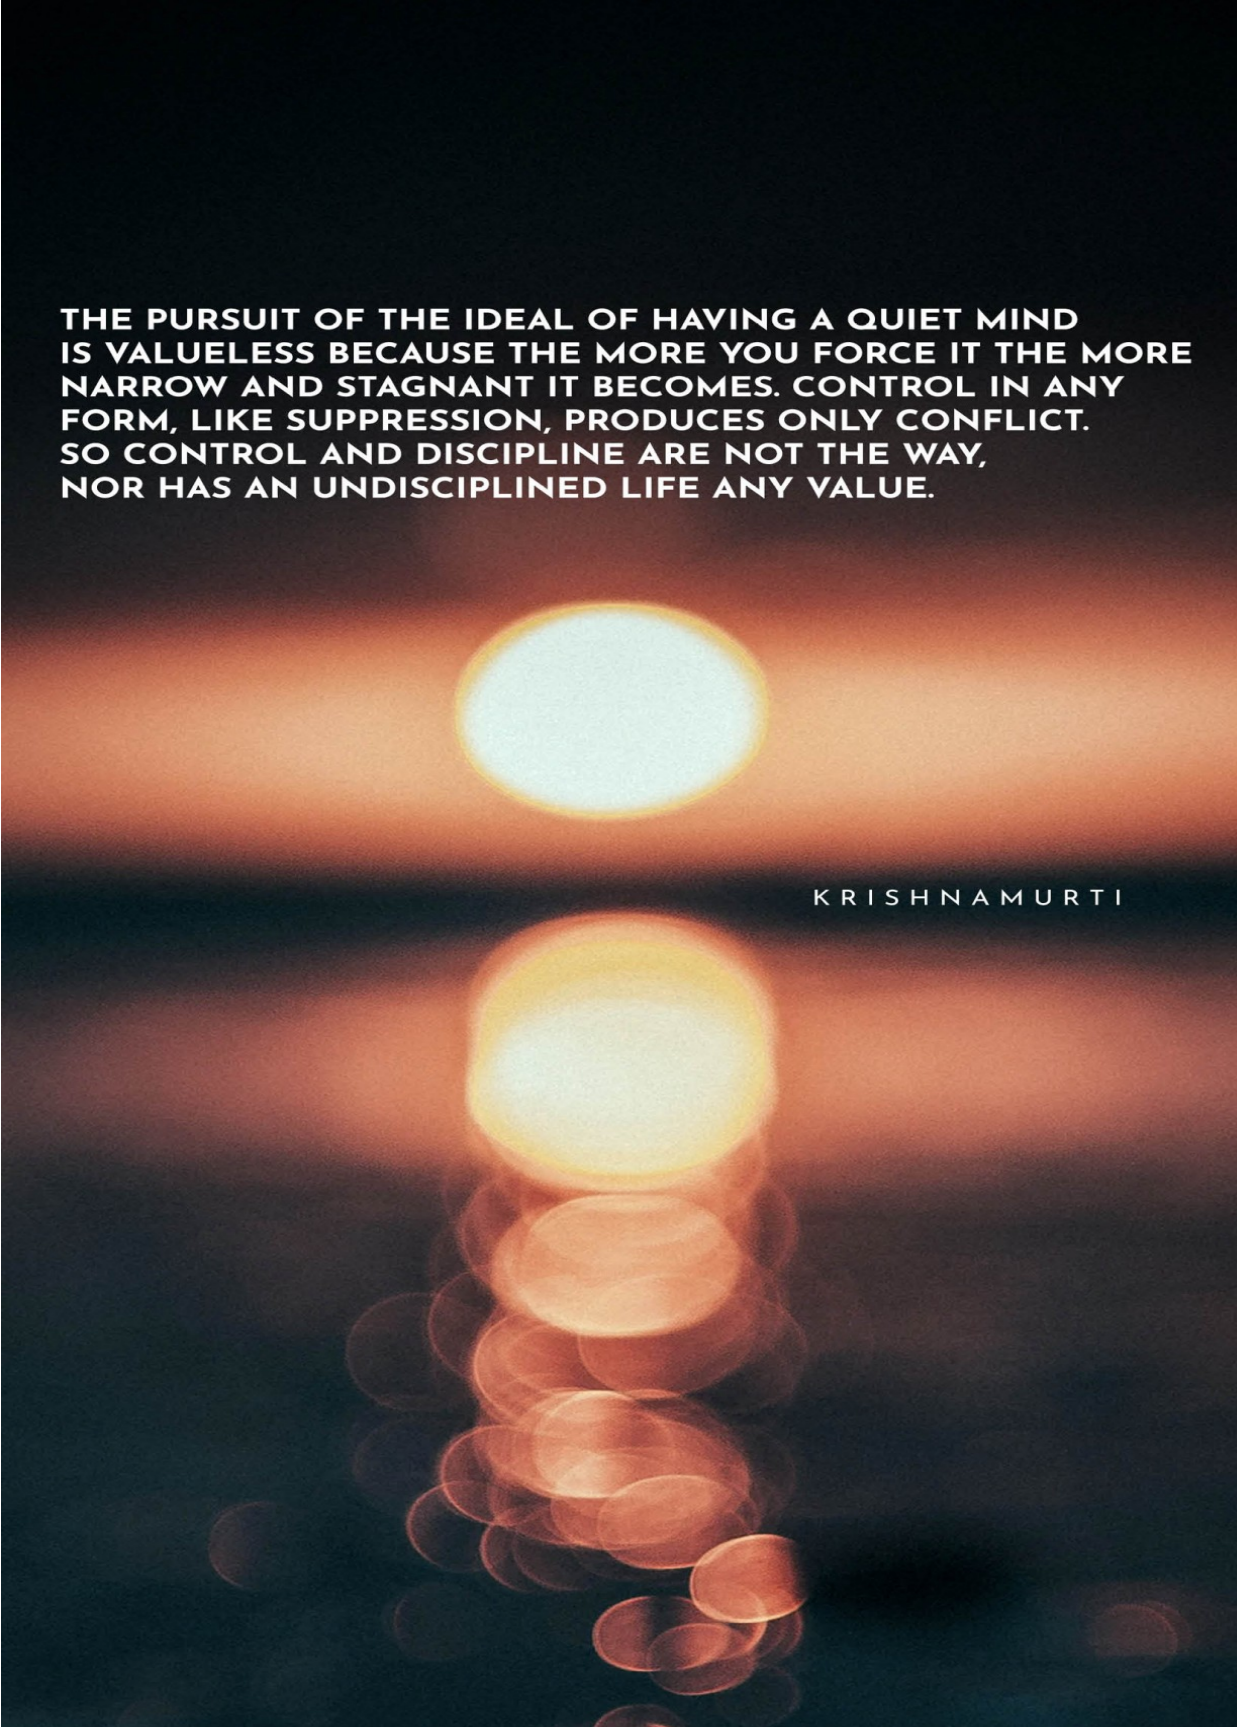

BEAUTY IS A
STATE OF MIND IN
WHICH ALL CONFLICT
HAS COME TO
AN END.

Krishnamurti

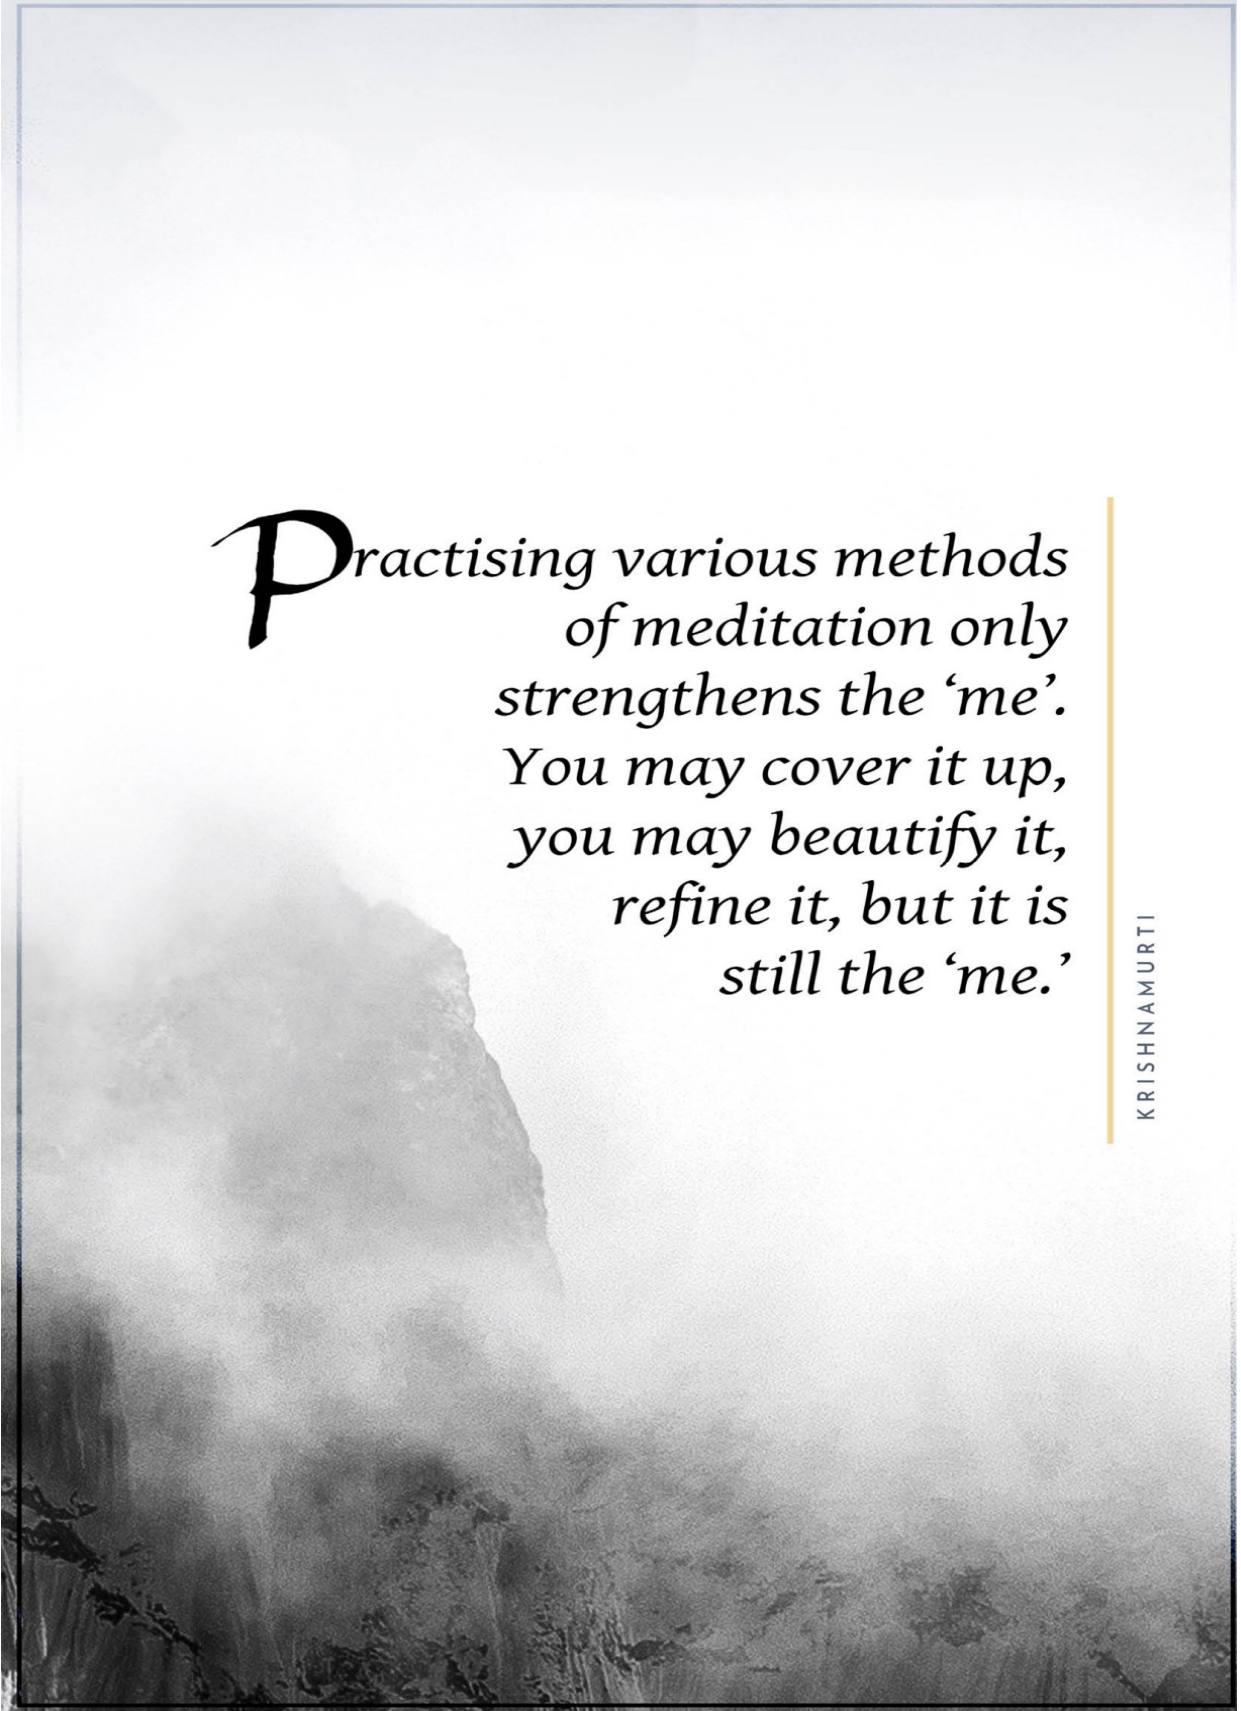

*Remain with
sorrow completely,
without any movement
of thought, and you will
find out of that sorrow
comes passion.*

S. Krishnamurti

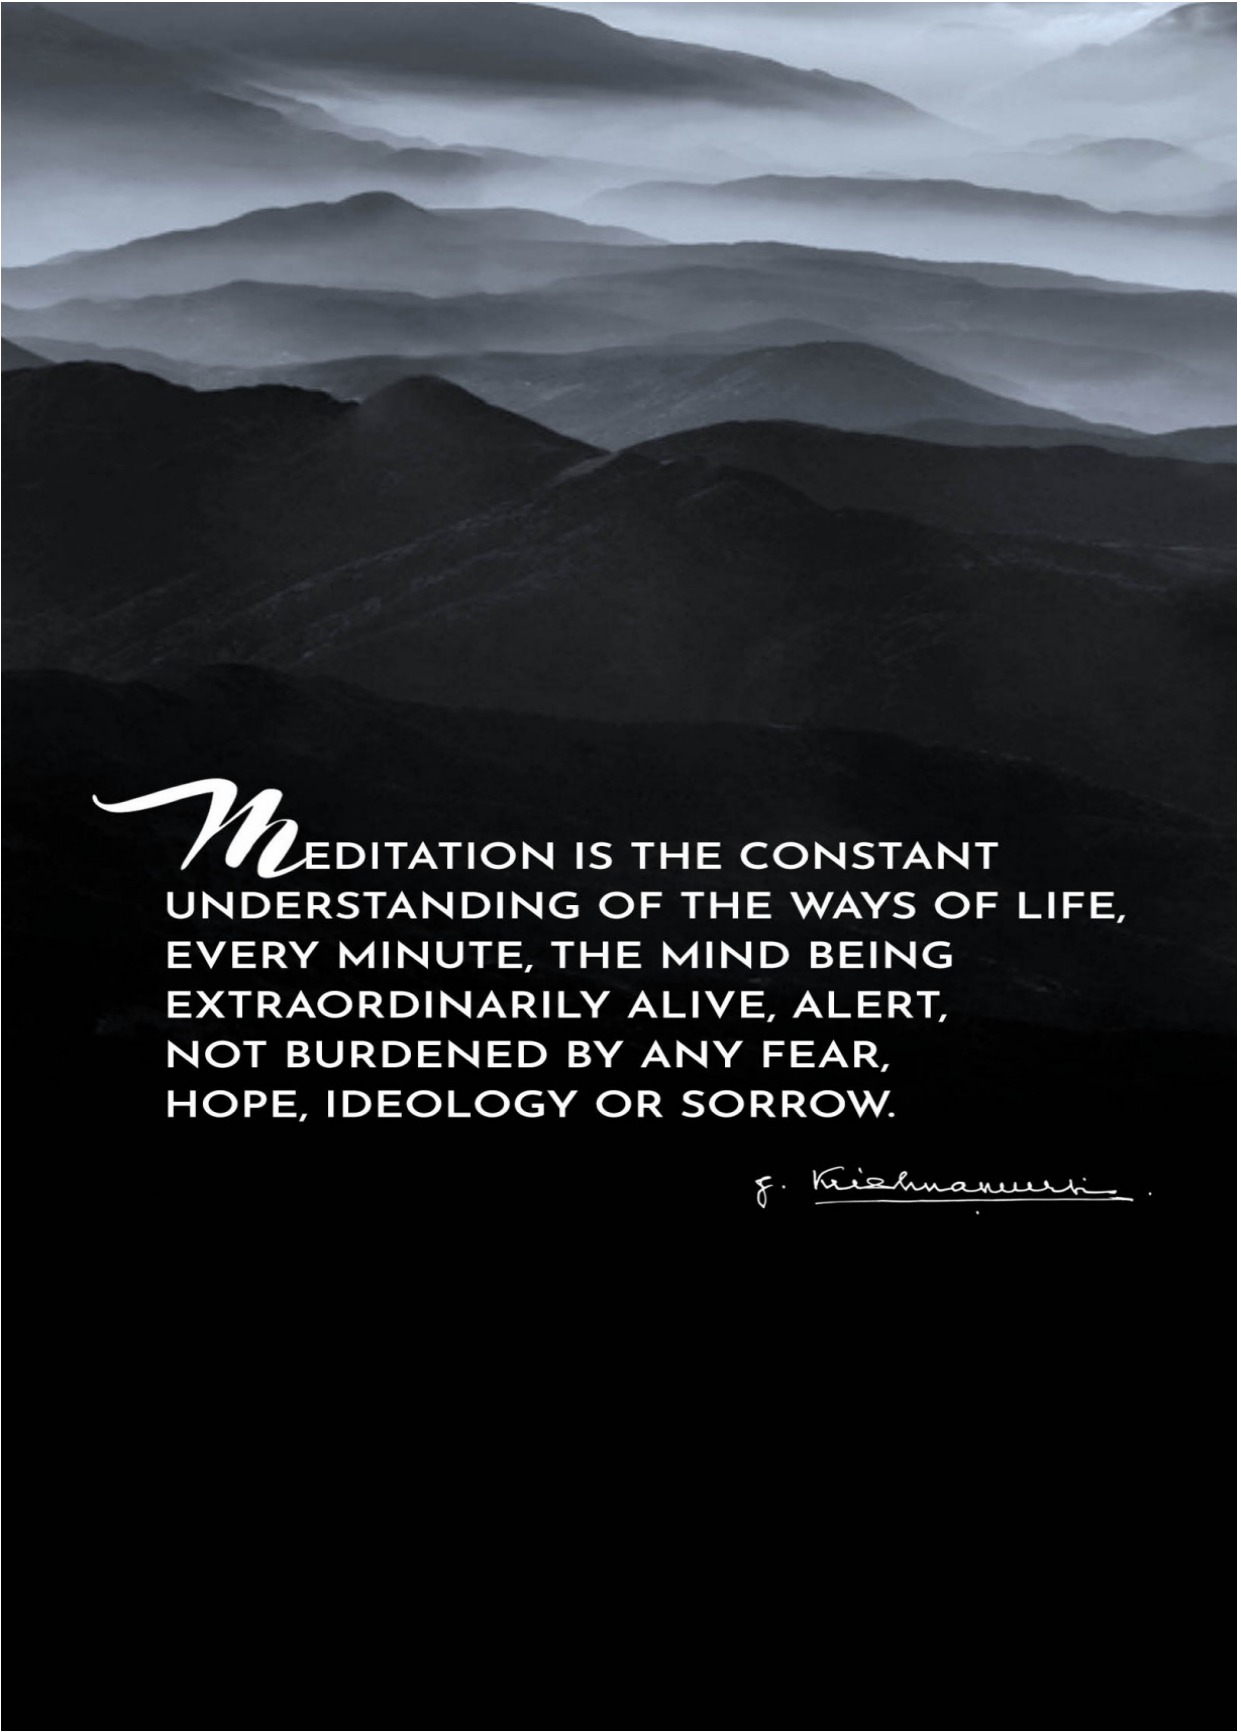

THE PURSUIT OF THE IDEAL OF HAVING A QUIET MIND
IS VALUELESS BECAUSE THE MORE YOU FORCE IT THE MORE
NARROW AND STAGNANT IT BECOMES. CONTROL IN ANY
FORM, LIKE SUPPRESSION, PRODUCES ONLY CONFLICT.
SO CONTROL AND DISCIPLINE ARE NOT THE WAY,
NOR HAS AN UNDISCIPLINED LIFE ANY VALUE.

KRISHNAMURTI

*Practising various methods
of meditation only
strengthens the 'me'.
You may cover it up,
you may beautify it,
refine it, but it is
still the 'me.'*

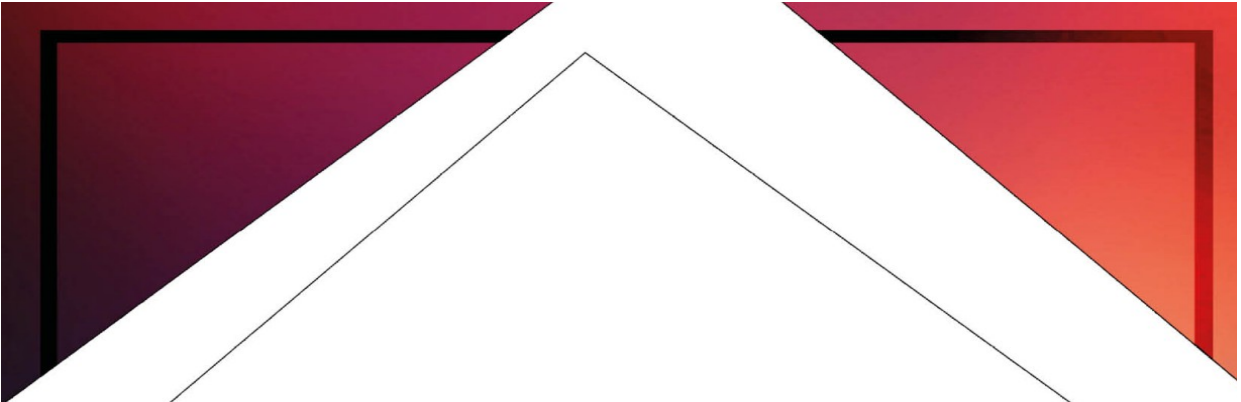

KRISHNAMURTI

*M*EDITATION IS THE CONSTANT
UNDERSTANDING OF THE WAYS OF LIFE,
EVERY MINUTE, THE MIND BEING
EXTRAORDINARILY ALIVE, ALERT,
NOT BURDENED BY ANY FEAR,
HOPE, IDEOLOGY OR SORROW.

J. Krishnamurti

**Meditate alone.
Get lost. And don't try to
remember where you have been.
If you try to remember it then
it will be something that is dead.
If you hold on to the memory of it
then you will never be alone again.
So meditate in that endless solitude,
in the beauty of that love, in that
innocency, in the new then
there is the bliss that
is imperishable.**

*Follow the wandering,
the distraction, find out
why the mind has wandered;
pursue it, go into it fully.*

*When the distraction
is completely understood, that
particular distraction is gone.
When another comes,
pursue it also.*

S. Krishnanurthi.

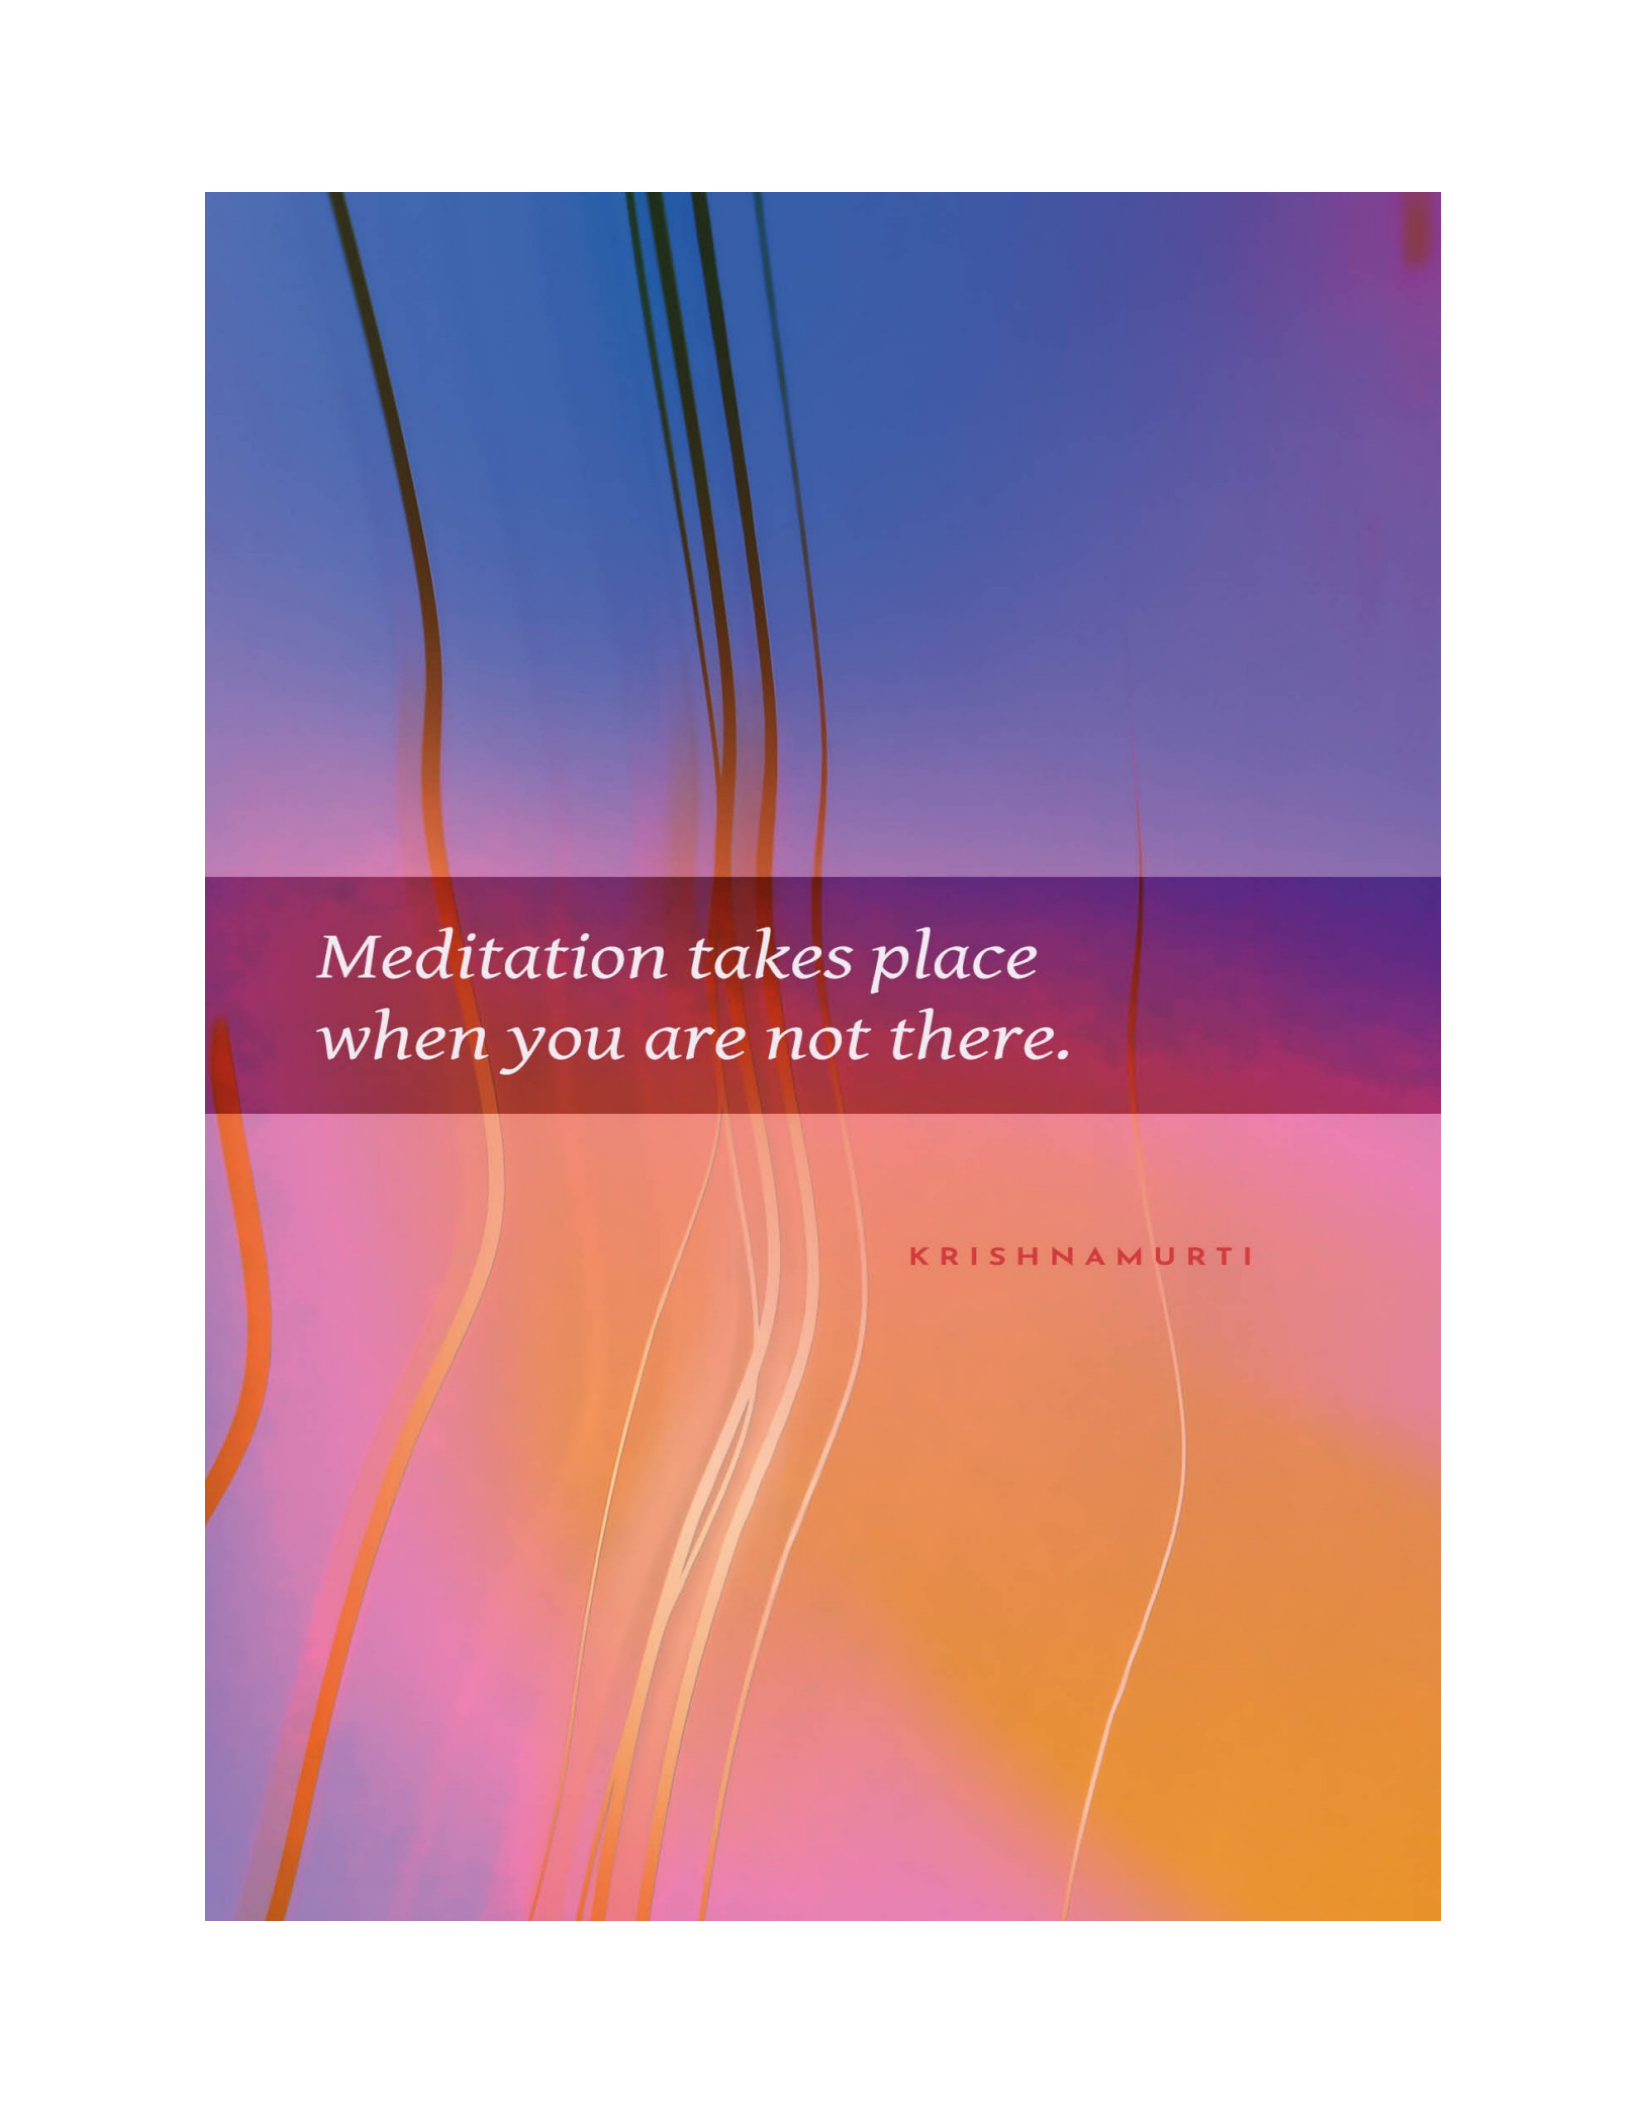

*When you are in a state of complete
attention, the observer, the thinker,
the centre, the 'me', comes to an end.*

g. Krishnanee .

The moment
I am aware
that I am aware,
I'm not aware.

KRISHNAMURTI

*Meditation takes place
when you are not there.*

KRISHNAMURTI

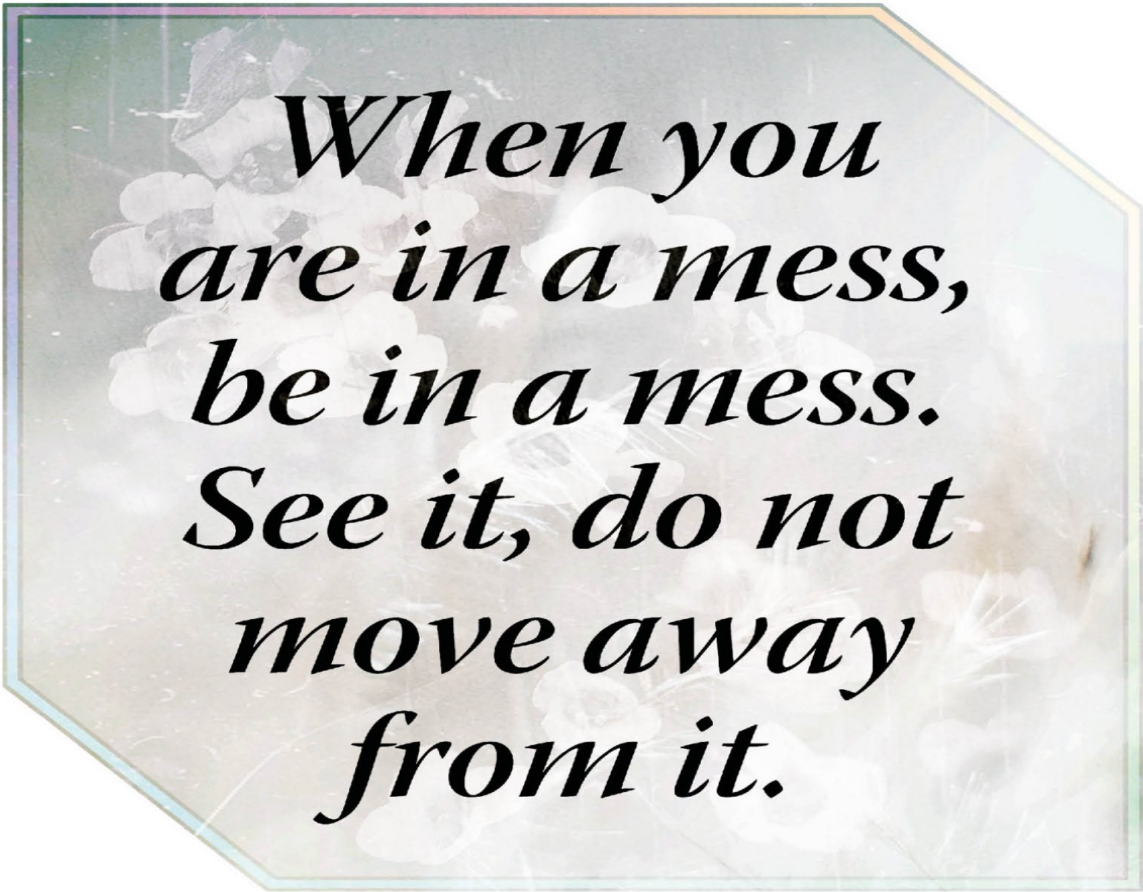

**thought shattering itself
against its own nothingness
is the explosion of meditation.**

J. Krishnamurti

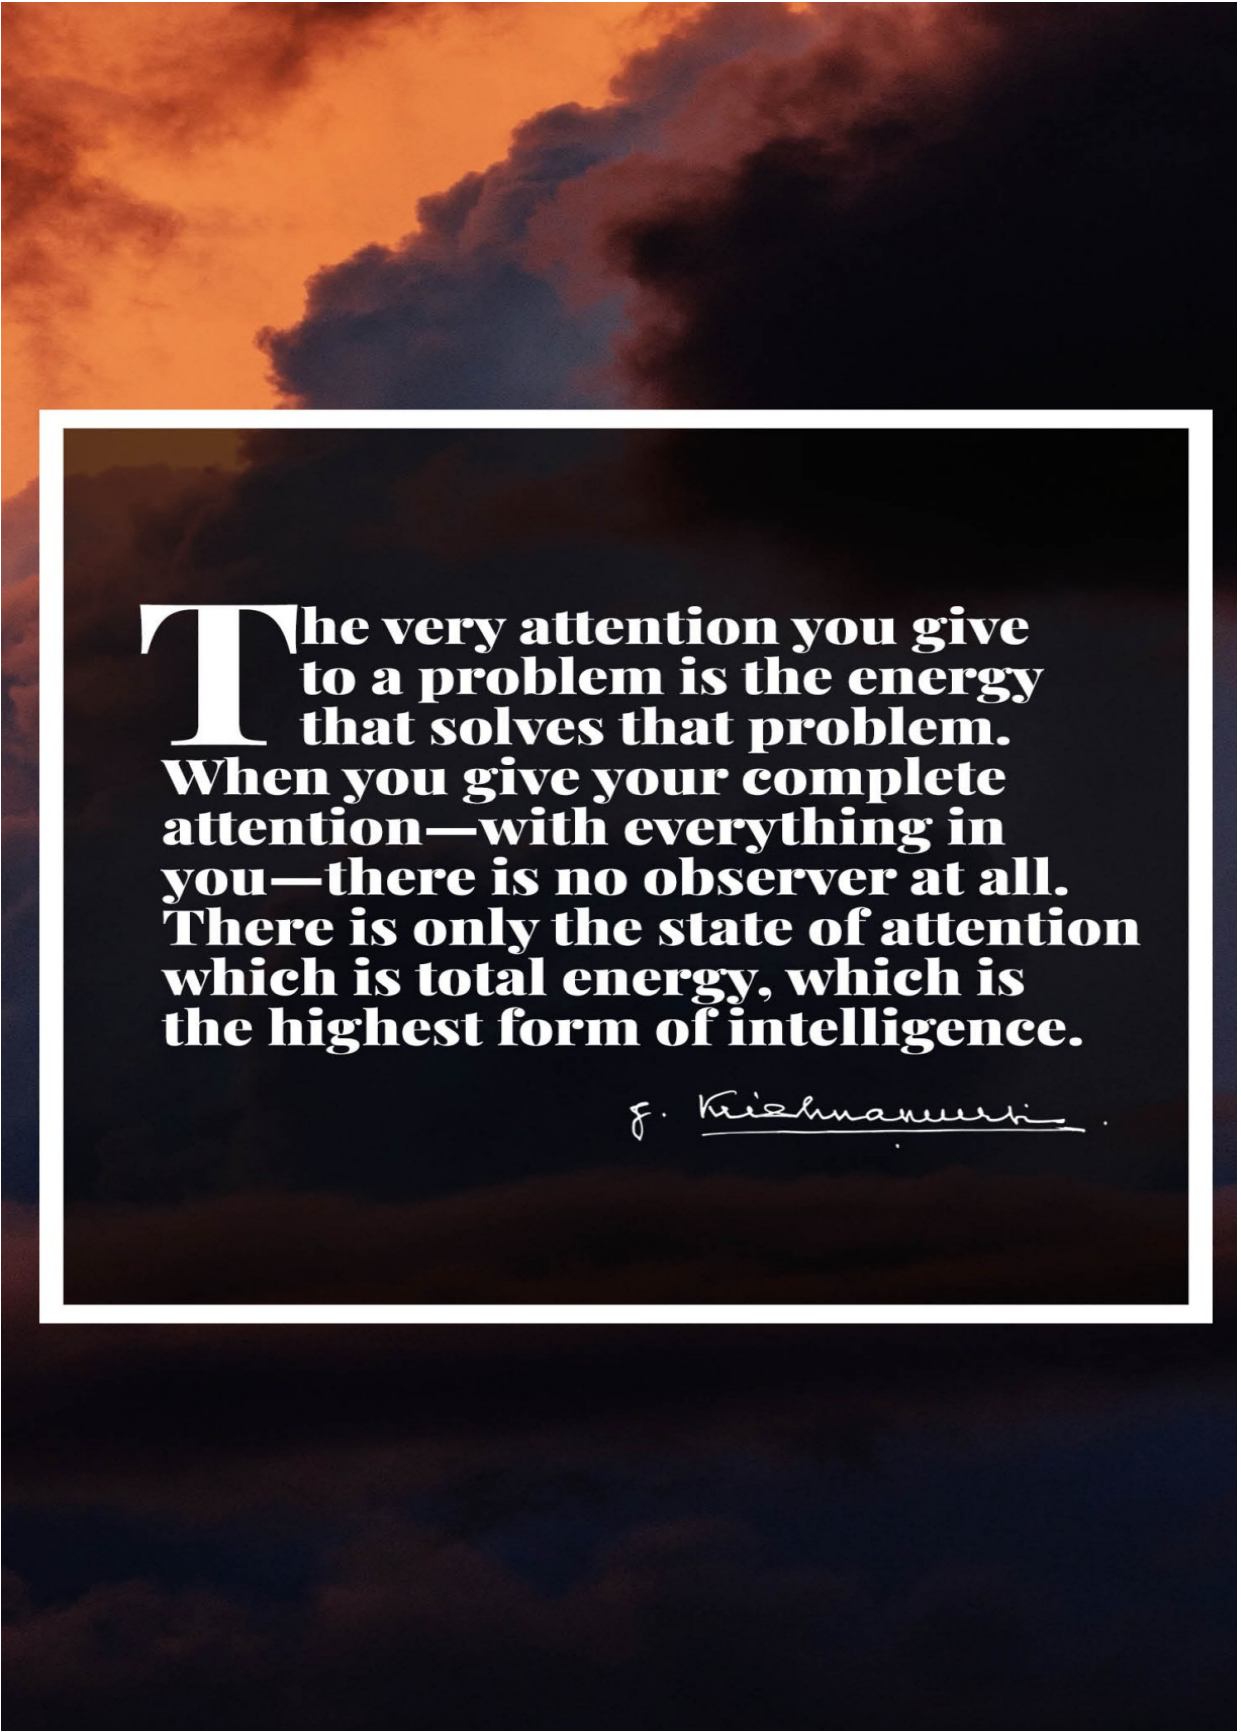

*As a lake is calm
when the winds stop,
so the mind is still
when craving with its
problems ceases.*

KRISHNAMURTI

*When you
are in a mess,
be in a mess.
See it, do not
move away
from it.*

S. Krishnamurti

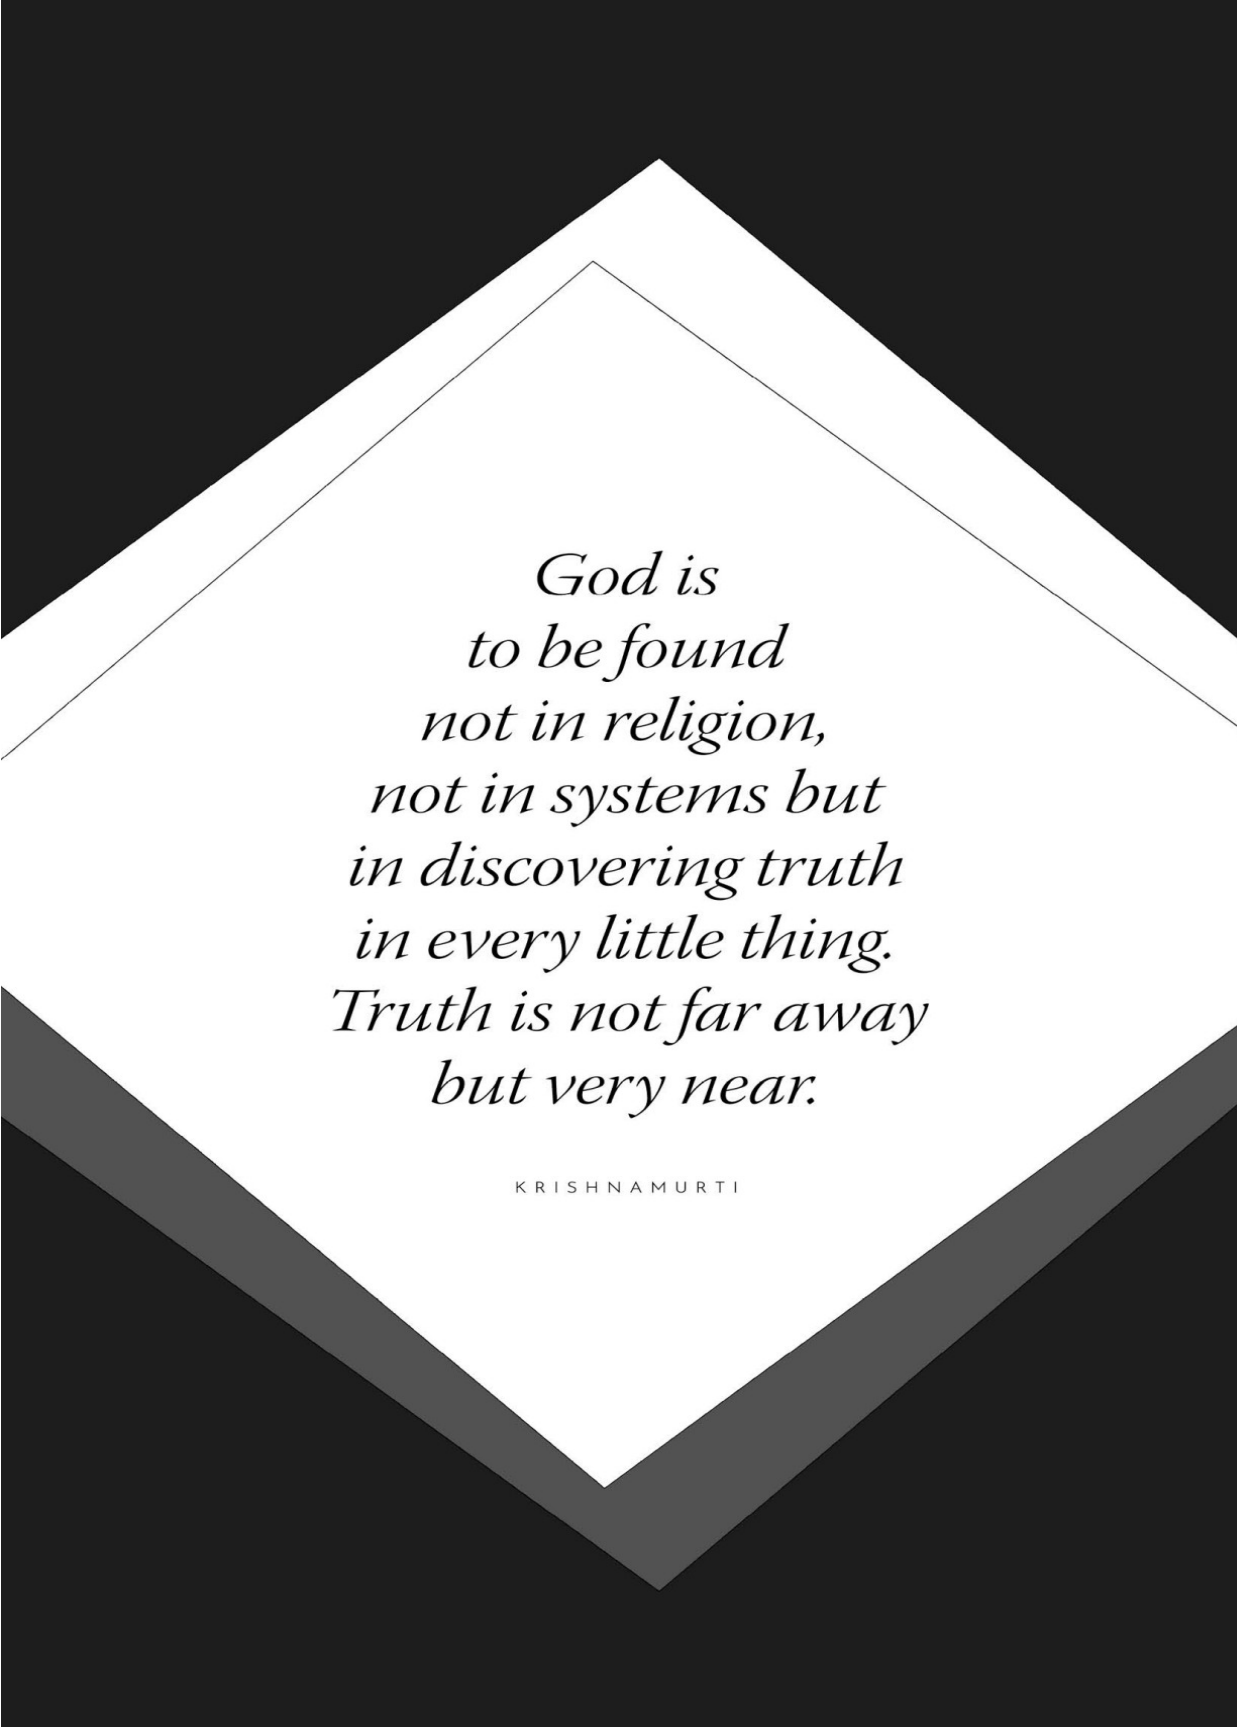

**The very attention you give
to a problem is the energy
that solves that problem.
When you give your complete
attention—with everything in
you—there is no observer at all.
There is only the state of attention
which is total energy, which is
the highest form of intelligence.**

J. Krishnamurti

*When you worship God
you are worshipping
yourself.*

f. Krishnamurti .

*God is
to be found
not in religion,
not in systems but
in discovering truth
in every little thing.
Truth is not far away
but very near.*

KRISHNAMURTI

Truth has no path, and that is the beauty of truth.
